The South Side Leader's Sermonette

This week's Sermonette was written by Rev. W. H. Raper, pastor South Side Baptist Church, and is one in a continuing series by various ministers of the community.

An unselfish man lost all his savings and was left penniless. A visitor once reproached him, "If you had not given so much away you would have plenty of money left." This visitor was impressed by the man's reply, "All I have left is what I have given away."

This last statement is a paradox. It seems to contradict itself. Many statements of Christ are paradoxes. "He that findeth his life shall lose it; and he that loseth his life for my sake shall find it." The Apostle Paul stated a paradox when he said, "Therefore I take pleasure in infirmities, in reproaches, in necessities, in persecution, in distresses for Christ's sake; for when I am weak, then I am strong."

Christians are sometimes called impractical because they value the truth stated in such paradoxes as these. They do spend time praying when they could be making money. They go to church to worship God when they could be fishing. They give liberally to the support of the cause of Christ when they doubtless could use the money for the house, car, or clothes. Why? The answer is found in the eye. The eye of faith sees more. It sees these things which are eternal. Does your eye see things in the light of eternity? Is your life lived with heaven in view? Make heaven your goal. Make the Savior your refuge. Make faith the rule of your life.

Swim Registrations Held Open At St. Stephen's House

(Special)

Registrations for the swimming pool at St. Stephens Community House have been kept open for those who have not registered, Miss Judy Kennedy and Gene Davidson, leaders, told the Leader a little while before press time.

It is important, Miss Kennedy said, that the youngsters sign up right away quick, because a number of trips are planned, some of them to other swimming places. Madison Lake is one of the lures on the list. All registered children make all the trips.

Although the cost to the Community House is 35 cents for each boy or girl registered, the child needs only 15 cents to register, the Community House depending upon generous giving by others not connected with the House, to provide funds to make up the difference of 20 cents.

Miss Kennedy stressed the fact that this institution is for those who are not loaded down with extra money, and for that reason she asked the editor of the Leader to tell that only 15 cents will be needed for a child to register.

All those trips to pools around here and at other places should get a lot of kids registered mighty quick, Miss Kennedy and Gene Davidson said.

Eight Play Places In Leader Area

Eight of 56 Columbus Recreation Department summer playgrounds are in the South Side Leader area, according to a news release late last week by N. J. Barack, department superintendent.

A number of other recreation spots come within "using" distance of some of the Leader area recreation spots, it was said. Those definitely within the Leader area are Deshler school, Karns at Thurman and Champion; Lincoln, at Markison and Annsts; Livingston Park, 18th-st and Livingston-av; Mohawk school, 471 S. Sixth-st; Schiller Park, Deshler-av and Jaeger-st; Southeast Lions, Barthman-av and Sixth-st; Southview, W. Greenlawn-av west of Dechenbach.

To provide leadership for the 56 playgrounds, the statement related, the Recreation Department has hired 125 experienced playground leaders with two or more being assigned to practically all playgrounds.

This year, as in previous years, it was emphasized by the superintendent, the safety of children using the playgrounds will be the first concern of all playground leaders.

Annual Pet Show Date Set: Schiller, June 27

The annual summer sectional pet show for the south end of Columbus will be held again this year at Schiller Recreation Center, Wednesday, June 27, at 6:30 p.m., according to LeRoy Wise, Schiller director.

All children interested in entering their pets in the show may do so by registering their pets at any of the playgrounds in the south end or at Schiller Recreation Center, the director said. Registration will also be taken the night of the pet parade, but it would be wise to register pets early to avoid the rush before the parade, the director suggested.

The pet parade will be judged for 11 different categories to give everyone a chance to win. Categories are the prettiest, best costumed, most unusual, most obedient, best groomed, smallest, largest, most affectionate, liveliest, best performed and the cutest.

WHEN . . . ?

When "goodness" ceases to be an instrument adaptable to the whims and habits of erring humankind, its significance may be able to elevate the thinking, therefore the standards, of a race urgently in need of spiritual intellectual uplift.

APPRECIATION

Appreciation is a kind word. It suggests an understanding of others' merits and speaking kindly of those merits. Such entering into the merits of another appreciatively establishes for us a share of the goodness (at least, the example) of the others.

New President

Pictured above is Ed Findley of Foreign Grocery who recently was elected 1956-1957 president of Southeast Lions Club.

from . . . . . G's NOTES

Slum Clearance

I wish we had a more expressive phrase than "slum clearance" to describe the values—human and financial — when slums are aliminated from an area. The desired phrase should have a pungency reflecting the idyl of a hope realized — in this instance, better, more wholesome environment, followed by a natural corollary, a healthier, more effective PEOPLE . . . which, when realized, will add greatly to the financial strength of the people.

There can be no person in the area who will not benefit from the approval of a bond issue to finance the rehabilitation program — a lot of good living and better health and advantages will accrue if the bond issue is approved at the November election.

Maybe YOU should talk with your neighbors about this so everyone will be informed when election day imposes a heavy responsibility upon each of us. Let's be a friend to every family, every person in one of the "slum" dwellings, and provide the rehabilitation program a future that is filled with hope and opportunity.

One of the outstanding contributions to good citizenship is the playground with supervision, a keen way to make youth keen for high conceptions of life's respon-

(Continued on page 8)

Livingston Park Open; Big Program

Livingston Park opened for the summer season Monday, June 18, with Ellen Wheatcraft, OSU student in social administration, staff member, and with John F. Hilliard and Lydia O. Burkes as supervisors-in-charge. They are both Columbus school teachers.

Recreation opportunities at Livingston Park are partially presented in this summary: Games, arts and crafts, basketball and softball, story - telling, tennis, nature study and a physical fitness program.

Through the hot summer it is expected that the wading pool will be highly popular for the quite little people. A phase the parents will like, the supervisors say, is the existence of bicycle safety zones, creating a safety feature for the smaller folk.

The annual South Side pet show was held at Livingston Park Wednesday, June 27, and the trapeze clown contest closes today, June 28.

Livingston's annual "play day" has been scheduled for Friday, June 6, with Mohawk and Palsgrove meeting at this time.

MEETING ADVANCED

Due to the holiday, members of the Women's Society of World Service of Ohio-av, EUB Church will meet Monday, July 2, at 8 p.m.

Honored uests are the older citizens of the church. They will be introduced by the chairman, Mrs. Florence Munk.

Service Term Ends; Sickles Return Home

Lieut. Jack Sickles, son of Mr. and Mrs. Merle Sickles, 898 Linwood-av, with his wife and two-year-old daughter, Deborth, returned to Columbus last Thursday, June 21, from Japan, where he had served two years in the Air Force.

The family returned to the United States and to Columbus by plane, they told the Leader. At the conclusion of his tour of duty the Lieutenant was granted his discharge, and is planning upon entering the merchandising field, for which he prepared during his studies at OSU, where he graduated before entering service.

In between graduation and entering service, the Lieutenant worked in the motor fuel division of the State tax department.

Southwood School Grounds Used For Summer Play

The Columbus board of education playground at Southwood School, corner of Fourth and Southwood-sts, officially opened last week.

The playground will be under the supervision of William Manierre, teacher at South High School and Carol Frey, teacher at Westgate Grade School. The playground will be open daily from 1 to 8 p. m. Many activities and special events are being planned for all ages during the summer.

South Side Boy Rides Bike Into Truck Collision

James M. Bell, 11, of 706½ S. 9th-st, suffered an injured shoulder Monday when he rode his bicycle into the side of a pickup truck at 617 E. Whittier-st, police said.

The boy was taken to Childrens Hospital for X-rays. Police said the truck was driven west in Whittier by Marlin C. Yates, 29, of 139 Hayden-av.

The boy, watching the laying of a new watermain, crashed into the side of the truck police said.

KIDS INVITED

Mrs. Kenneth C. McCandless, director, South Side Settlement, 363 Reeb-av, has announced that kids from seven to 14 years of age will find summer fun by joining now.

The director itemized some of the details of the work and the fun: crafts, games, music, trips, and snack parties. Classes, she announced, began June 25. Hours are from 9:30 until 11 a.m. Monday throuh Friday.

Final Details Reported On Fourth Of July Celebration

Final details of the Independence Day celebration at Southview Park have been concluded, according to a report by the Council of South Side Organizations committee in charge of the planning.

Slight changes in the original program have added to the enticing events scheduled for late afternoon and evening, it was stated.

Entertainment

A baseball game will supply entertainment beginning at 6 p.m., Wednesday, July 4. Opponents are announced as Southway Post American Legion against Smith Barratt Legion Post.

Demonstrations

Demonstrations and displays of a highly interesting nature have been planned, according to the committee. One of these will be a demonstration of parachute packing, the correctness of which, the committee said, is of great importance to the man jumping in it. This demonstration will be by the USMC Air Reserve.

Another will be a small weapons display by the 27th Spl. Inf. Co., USMCR.

G.O.C. Display

Ground Observer Corps, according to the schedule, will show reciprocal and jet engines, operating cut-away models, this, it was said, for easier understanding by the public.

Navy Air Reserve from Port Columbus plans a van display of various ship and plane models.

Recruiting units and displays are slated by Women's Army Corps, Army Reserve, Navy Recruiting, USMC Recruiting, Air Force Recruiting, U. S. Army.

Columbus Fire Prevention Bureau will have an interesting prevention display.

The special celebration is sponsored by the Council of South Side Organizations.

Ocean Plane Crash Kills Former South Sider, Daughter

Two victims of the Venezulean air passener ship at sea recently were former South Siders and related to a number of people in Columbus and Grove City.

The victims with local attachments were Mrs. Gerald Oursler and her nine-year-old-daughter Brenda, of Toledo. Mrs. Oursler was a graduate of South High School. They died when a blazing plane crashed into the Atlantic Ocean off the coast of New Jersey.

Mrs. Oursler and Brenda had been in Groveport visiting Mrs. Oursler's mother, Mrs. Eliza Jones, returning to their home in Toledo before taking flight from there to board the Venezulean ship for flight to Venezuela, where her husband is an employe of the United States Steel Corp.

Three sisters survive: Mrs. Sarah Morris, Grove City; Mrs. Josephine Trompson, Willow Wood, and Mrs. Easter Johnson, Grove City; two brothers: Walter Jones, 1126 Neil-av; and Charles Jones, 56 E. Livingston-av.

Second Band Concert At Schiller Park

The Columbus Federation of Musicians Concert Band will present the second concert in a series of eight at Schiller Park, Sunday, July 1, starting at 8 p.m. The Recreation Commission of the Recreation Department of Columbus has contributed toward the expense of these concerts in addition to those provided by the Music Performance trust funds through cooperation of the Columbus Federation of Musicians.

Guest conductor for the evening will be Sam Giammarco, who is well known in music circles in and about Columbus. For his soloists, he will have Master Commodore Keith on trumpet and Mrs. Jenny Klie, who will do several vocal numbers. The program is predominated by Italian composers, it was stated.

Firemen To Take 'Mercy Squad' Duties Of Police

If action taken by City Council at a recent meeting is carried to conclusion, when the purchase of two new inhalators was authorized, the police "mercy squad" will go out of business transferring the mercy work to the fire department.

The action will result in 32 police officers being released from emergency work and transferred to regular police duties.

The two new inhalators were expected to cost about $15,000.

Many activities occupy the time of the children attending, Mrs. Maser told The South Side Leader, and these include fixed crafts, like paper use to making baskets. She is a 1955 OSU graduate.

The prevailing literary influence in the daily story hour is "Miss Pickerell Goes To Mars," which seems to have a strong lure for all the children. It is a very good story, Mrs. Maser said.

S. High Grad Is Winner In TB Contest

TV-TB WINNERS: Gladys Lauffer, second from the right, South High student, and Donna Fry, Bexley High student, display their winning entries in the "TV Spotlights TB" project. Miss Martha King points out some of the winning elements in Gladys' entry to Ralph Trivella, North High.

Gladys Lauffer, 1123 S. Jamesrd, South High student, will appear on WBNS-TV this summer as one of the eight winners in the "TV Spotlights TB" project sponsored by the Tuberculosis Society, Columbus Art School and the station.

Selected from 30 semi-finalists participating in auditions at the station recently, the winners will present their own tuberculosis scripts and sketches on a live

They will also spend a day WBNS-TV show.

They will also spend a day visiting the studios, observing TV operations and productions. Later their voices will be recorded and their sketches converted to slides for use as public service announcements on the station during the summer.

Top winner in the event, Donna Fry, Bexley High, and her teacher, Ralph Trivella, will be flown to New York City for a two-day visit at Columbia Broadcasting Studios.

To participate students had to create a 20-second TV spot announcement about tuberculosis and illustrate its subject matter with a rough sketch. There were about 377 entries in the event.

A Winning Sketch

Gladys' winning sketch shows how TB can strike like a bolt of lightning." It is accompanied by the following script:

"TB is like a bolt of lightning. It can hit you without warning. You can't prevent lightning from striking, but you can safeguard against TB. Visit your Christmas Seal X-ray Cruiser today. Keep America's number one infectious disease from striking you down!"

Semi-finalists from this area were Patricia Ann Gibson, Ted Pope, Tom Main, Dick Foltz, Beatrice Fisher, all South High students. Present at the final auditions were Miss Martha King and Miss Doris Singer, South High teachers.

The Gadabout

Priscilla LaRue Lenox
HI. 4-1051

When Priscilla Raish, 37 E. Woodrow-av, tenderly folds her wedding dress after her June 30 nuptials, she will have an heirloom gown far more precious than the average bride might have. Her gown is a creation by her mother and was copied from one that appeared in the movie "The Glass Slipper." An open church ceremony will unite Phyllis and Melvin Miller, an Elizabeth-av resident. Scene of the event is Reorganized Church of the Latter Day Saints, Reinhard and 22nd-sts.

If our notes are still accurate, Mrs. Fred Seeber, 961 S. High-st, is soon to have her daughter visit her from Buffalo, N.Y. Her daughter, Frances Van Remmen, plans a two-week visit in the first part of July.

Don Baughman of South Sixth-st, is on a speaking tour in Texas. At the conclusion of his journey he will go to Oklahoma for a six weeks' course in learning the language of the folks he plans to dwell with, in his career as a missionary in Africa.

Past June birthdayites: Judy Ross of Studer-av, June 14; Margaret Fielder, 3216 Parsons-av, June 17, and Vicky Daniels who also had a June 17 birth date.

Betty Yookem, formerly of Sycamore-st, is missing her many South Side friends since moving away and would love to have them call or visit her. Her new address and phone number: 449 Prospect-st, BR, 9-7847. She's undecided whether to open a gift shop in her new location, but we're willing to wager that, health permitting, she will.

Martin Mitchell of Gates-st, is enjoying a week of camp life in the southern hills of Ohio.

All of you bona fide wearers of the green, come March 17, may now turn your favorite color after perusal of this item. It concerns Mrs. Margaret Whalen and daughter, Lucille, of 846 Gilbert-st, and their proposed trip to Ireland. The two will leave here July 9, visit with a niece in New York and then sail on July 11 for the Auld Sod itself. Mrs. Whalen will visit her relatives in County Clare until Sept. 2, then will make the return trip by plane. To make the reunion even more complete, Mrs. Whalen's nephew, a Hanford-st resident, will be journeying from Germany to spend the better part of 20 days with his Irish relatives. The young man, stationed in Germany with Uncle Sam's armed forces, is James Moore, Jr. His parents, the James Moore seniors, are residents of 254 Hanford-st. In addition to his County Clare relatives, James, Jr., will also visit relatives in County Mayo. The trip is a dream come true for Mrs. Whalen, as she's been wanting to see her sisters and brother for many, many years.

Birthdays that occur in this week include one past and two coming up. A family dinner in the home of his daughter, Gertie Williams, marked the natal day for John Mallory, 1215 S. High-st, on June 26. South High PTA president emeritus, Lillian Ryan, chalks up a new year tomorrow, and Nancy Paulus of Welch-av, will do likewise on the 30th.

Mr. and Mrs. Robert Dodds and son, Bobby, of Jenkins-av, spent a pleasant two weeks touring the southwest portions of the country, returning last week. The major portion of the time was spent in Tucson, Arizona, where Bob's sister lives. The various "side" trips were to such places as Texas, Mexico, Grand Canyon, Painted Desert and Petrified Forest, etc. Mrs. Dodds found the trip quite enjoyable and hopes for an early return. Bob had made the journey before and knew the loveliness of that part of the country. We tried to get the full details of the 50th wedding anniversary celebration of Mr. and Mrs. E. Brunton, 194 Jenkins-av, but didn't make connections via the "Don Ameche." However, we know the event has been celebrated with an open house at the home of Mr. and Mrs. Harold Brunton, 347 Southwood-av, previous to the actual date. Naturaly the occasion calls for the heartfelt congratulations, which we're delighted to send their way.

As you can see, news is harder to get in the summertime, so we really depend on old Hickory 4-1051 ringing, to bring the news from you readers. Hope we're not disappointed. Till next week, then, 'tis

PRIMER

FOR

AMERICANS

You live in the United States of America. You are an American.

Real Americans like their country. They are proud of it. They think it is a good place to live. And they want to keep it good—to keep it getting better all the time.

Why is America the way it is? What makes it a good place to live? The answer is simply this:

Throughout our history most Americans have believed that every person has certain *rights* and *duties* and *responsibilities*.

Americans have believed that there are certain things people *should do*, and things they *should not do*.

They have also believed in certain things that people *are*, and *are not*.

These things that people believe are called *principles*. This book is an attempt to state the Principles of America in simple, primer fashion so that you can understand them, learn them, and remember them.

This is important. It was because earlier Americans believed in these principles and guided their lives by them, that America has grown to be the good place it is.

If all of us learn and remember these principles—if we also guide our lives by them—then we can help to keep America growing better, and better, and better.

And if we follow these Principles of America, we can help make the world a better place to live in, too.

The Principles of America are these . . .

1. Each Person is of Importance and Value as an Individual.

   This is the cornerstone . . . the foundation of all our other beliefs in a person's right to live his own life, to speak for himself, to choose and change his leaders.

   From it comes our hatred of those "isms" under which the individual has no value or importance *as a person*, but is only one of many unimportant people who have to live the way their leaders tell them to.

Coming directly from that first principle are two others that are also part of the foundation of Americanism.

2. We Believe that All Men should Enjoy Personal Freedom.
3. We Believe that All Men are Created Equal.

   It is worth noting that the Declaration of Independence expressed the belief that "all men are *created equal*." It did not state or imply a belief that men *develop* equally or have equal *ability*, or that they should ever be forced to an exact equality of thought, speech or material possessions.

   That would be equality without *freedom*. Americans have always believed the two should go together.

In our Constitution, and in other laws of our land, there are set down principles to protect the rights and freedoms and equality of individuals.

4. The Right to Freedom of Speech.

   This includes freedom of the press, of radio, of motion pictures, of every means by which man may express his thoughts.

5. The Right to Freedom of Assembly.

   As we believe in the right of individual action, so we believe that individuals should be free to act together.

6. The Right to Freedom of Worship.

   Not only is the individual free to worship as he will, but religions themselves are free and equal.

7. The Right to Security of Person and Property.

   Not just one, but three Amendments to the Constitution (4th, 5th and 14th) protect against illegal search and seizure, or loss of life, liberty, or property, without "due process of law."

8. The Right to Equal Protection before the Law.

   As individuals are equally important, so laws must apply equally to all, without special privileges for any group.

9. The Right to Freedom from Slavery.

   This includes "the right to quit," for no individual may be *forced* to work for another.

10. The Right to Petition the Government.

    The right of the individual to "petition the government for redress of grievances" is evidence of the American belief that government is the servant, not the master, of the people.

11. The Right to Vote for people of your choice.

    This is the individual's most potent weapon in the protection of his rights and freedoms . . . a weapon that to be effective must be constantly and wisely used.

Other Principles hold that every man has . . .

12. The Right to a Good Education.
13. The Right to Live where he pleases.
14. The Right to Work where he wants to.
15. The Right to Belong to an Organization.
16. The Right to Own Property.
17. The Right to Start his Own Business.
18. The Right to Manage his Own Affairs.
19. The Right to Make a Profit or to Fail, depending on his Own Ability.

There are other, similar rights of individual action which are Principles of America, but all of these individual rights may be combined in these two broad principles . . .

20. Every Man is entitled to Freedom and Equality of Opportunity.
21. Every Man may Earn his Living When, Where, and How he wants to.

There are also Limiting Principles . . .

Principles of individual *freedom* sometimes clash with those of individual *equality*. Therefore our rights as individuals must be limited, and those limitations are themselves *principles*.

22. The Rights of any Individual shall not Interfere with those of Other Individuals.

    Your right to swing your arms stops where the other fellow's nose starts.

23. The Rights of any Individual shall not Interfere with the Welfare of the People.

    Freedom of speech does not give the individual the right to shout "fire" in a crowded theatre.

24. Every Individual owes Obedience to the Laws under which he Lives.

    The individual has the right to talk against a law, to work and vote to change that law, but NOT to disobey that law.

Principles that are Patterns of Behavior . . .

Many of our principles of individual freedom and equality are guaranteed to us by law. But we have other beliefs, other general rules of action and conduct that have grown to the status of principles. And these too, are foundations of Americanism.

25. A Man shall be Judged by his Own Record.

    A man's family background, his race or his religion, is not as important as what that man himself can do, for Americans believe a man must stand on his own feet.

26. A Man is Free to Achieve as much as he can.

    We believe that where any boy may become President, where any man may achieve greatness, there is the greatest incentive for every man to do his best.

27. To Achieve anything, a Man should be Willing to Work.

    Americans have always known that "you don't get something for nothing," that to get anything takes a willingness to work.

28. Achievement also Depends upon the Ability to do a Good Job.

    Add to "willingness to work" the ability to produce results and the combination is the basis for most individual achievement in our country.

29. Every Man has the Right to a Fair Share of the Results of his Work and his Ability.

    Because of this belief, America has not only produced more goods, but they have been more fairly and more widely shared by more people than in any other country.

30. Security is the Ability of a Man to Provide for himself.

    The only true security for any individual is the opportunity, the ability, *and the determination* to work and plan and save for his own present and future. Self-reliance is vital to individual independence and personal freedom. No man can be "proud and free" who depends on others for his security.

31. When an Individual cannot Provide his own Security, the Responsibility should be Assumed by Others.

    We believe that no one should starve, or be without adequate clothing and shelter, so those who have more than their basic needs share the responsibility of providing the essentials of security for those who need help.

32. Each Individual must Deal Fairly with others.

    Honesty, fairness, and personal integrity are virtues that help free and independent individuals get along with each other without losing their independence.

33. Fair and Free Competition is a Good Thing.

    Americans have always believed that competition among individuals or groups encourages greater effort which in turn brings greater benefits to all.

34. Cooperation among Individuals is Vital.

    PRESIDENT EISENHOWER has said: "The freedom to compete vigorously accompanied by a readiness to cooperate wholeheartedly for the performance of community and national functions, together make our system the most productive on earth."

Principles of Individual Responsibility . . .

Freedom for individuals carries with it an equal responsibility to use that freedom wisely. If we wish to remain free, we must faithfully fulfill this responsibility.

35. The Individual is Responsible for himself and his Family.

    He must protect them and provide for their present and future well-being.

36. The Individual has Responsibilities to the Groups of which he is a Part.

    He must give of his best to his community, his church, his employer, his union, and to every group in which individuals cooperate for their mutual benefit.

37. The Individual has Responsibilities to his Country.

    He must be an active citizen, interesting himself in local, state, and national government, voting wisely, thinking and speaking and acting to preserve and strengthen freedom, equality and opportunity for every individual.

38. The Individual has Responsibilities to the World.

    Man's horizons have expanded. What happens in the world affects him, and his actions can affect the world. Today, therefore, each man has a responsibility to act—and to encourage his country to act—so that freedom and cooperation will be encouraged among the people and the nations of the world.

For America's Future

Most of us have faith in our country's ability to move forward, to improve, to grow, to provide more and more individuals with more and more of everything they want and need in life...

If we, the people of the United States, want to have more material benefits, we must believe in and follow these two principles:

39. The only way we can Have More is to Produce More; and
40. As we Produce More, we must make it possible for More and More People to Enjoy that which we Produce.

If we, the people of the United States, want to have a better life, spiritually as well as materially . . .

41. We must stand firmly for our Beliefs, our Rights, our Principles.

There are those who would chip away our confidence so that their special brand of tyranny might creep into America. They must not succeed. So, let us ask of every plan, or act, or idea...

Is it With or Against the Principles of America?

The cost of a funeral represents much more than the mere value of the casket and the other merchandise supplied. It includes the personal service of the funeral director — a service which covers a large number of details and relieves the family of many irksome tasks. It includes the advice and counsel of a man who knows all the legal and social formalities surrounding this period of trial. It also includes the facilities of our establishment and the services of our carefully trained staff.

The South Side Leader's Sermonette

This week's sermonette was written by Rev. Ray W. Huff, minister of Thurman Avenue Methodist Church and is one in a continuing series by various ministers of the community.

The word "if" is one of the shortest words in the English language. If it could tell us its many experiences and reveal to us the varied human emotions attached to it, it would startle us.

Many times it has dripped with the blood of a wounded conscience. It has trembled amid the conflict between the emotions of men.

"If" links us as an echo of the past, resounding down through time, often bringing memories. Its echoes are heard through prison windows, "Oh, if I had only known."

Today man sends this message to God. "If Thou be the Son of God," then why must we have so much suffering? Many church pews are filled with persons who in the spirit of fear and frustration are saying "If Thou be the Son of God, then why all this sense of lostness?"

The answer to these cynical attitudes toward God comes through another position of the "ifs" of life. This challenge comes from God to man. If we meet these great ifs of God, then peace and contentment will cover the earth.

Jesus said, "And I, if I be lifted up from the earth, will draw all men unto me." Also he sends another "if" into our thinking, "If any man will come after me, let him deny himself and take up his cross and follow me."

You hear its whispers upon the lips of the dying, "Oh, if I only could live my life over!"

The great poet writes, "Of all sad words of tongue or pen, the saddest are these, 'It might have been'."

Then there's the challenge than man hurls at God: "If Thou be the Son of God, come down from the cross." On that fateful day these taunting ifs were shouted to our dying Christ. Little insignificant man challenging the eternal Son of God!

If we will conform our spirit and our consecration to these challenging "ifs" of God, then the cruel "ifs" of men will lose their cynical power over us and the way of life will be beautiful and triumphant.

The "if" as an echo of the past haunts us.

The "if" as man's challenge to God taunts us.

The "if" as God's challenge to men saves us.

Vacation Bible School Success At St. Paul's

Mrs. Earl Colegrove, 1453 S. Champion-av, was in charge of the school.

Scouts Have Happy Camping At Lake Hope

Boy Scout Troop 22 of St. Vincent's Children's Home has returned from an eight-day camping trip from June 9 to June 17 at Lake Hope, with Neil Hodgson, assistant scoutmaster; Jim McTeague, assistant scoutmaster, and Dick Cressman, troop committeeman.

Scouts attending were Don Klausman, Chuck Klausman, Ronald Pinto, Mike Holcomb, Glen Miller, Charles Estep, Lamber Estep, Earl Campfield, Richard Kelly, David Whaley and Tommy Everett.

The troop camped in tents by the historic Old Hope Furnace at the upper end of Lake Hope. Swimming and fishing were the two most popular activities. Bluegills, perch and catfish were caught, cleaned, cooked and eaten by the campers. Most of the boys completed several Scout achievements, and several of them will be ready for an advancement in rank. —By R. M. Cressman.

Ad. Dept
Dear Editor,

I wanted to thank you for the wonderful response I received from the ad I placed in your paper.

In March I placed an ad for a 9x12 wool rug which I cannot use now as we are moving to a new home. A South Side reader bought the rug soon after the paper came out and I received a great many calls after it was sold.

I had another rug to sell, so I advertised it with you last week and a West Side reader bought it and I had a great deal of calls for it after it was already sold. I feel you have a wonderful lot of readers of your ads.

Yours Truly
Mrs. Chas. E. Wolfe

You too, may have this wonderful experience

sibilities, and in a virile, vigorous way. Maintained by public, by church, and by associations, the summer playground meets the humming energy requirements of the young and keeps their mind on the track leading away from juvenile delinquency Those who work in these fields deserve well, as do those who provide funds for payroll and maintenance.

Evens Up

That preceding paragraph suggests to me that sometimes in our critical moments we lump most everything of a public nature as a "patronage" job from some politician, and suggest, even if it is not said openly, that there is something wrong with the system, and that "somebody is getting something out of this." That is a remark I heard a few days ago, and from an apparently intelligent man. He was talking about playgrounds. I'm at an age when playgrounds are too juvenile for me, but I am able to "speak up" when people with rambling mouths attack the source of future uprightness in our youth. The playgrounds are important factors in building character. Let's encourage their use, even if we have to pay for

His Success Depends Upon WHERE His Pitch Goes

It's just as important to you, Mr. Merchant, that your 'pitch' goes over the HOME 'plate.'

You may have "plenty on the ball"

...but unless you can put your sales 'pitch' in the home, you may find yourself on the low end of the score. The most skillfully devised advertising in the world can't win sales unless it 'goes home.'

St. Ladd 3-Day Fete Gets Underway Today, 7 p.m.

Two co-chairmen and a host of committee members have been spending a lot of time in recent days to complete the set-up for the St. Ladislaus Homecoming celebration which starts this Thursday evening and continues until Saturday evening.

Co-chairmen of the three-day celebration to be held at Schottenstein's lot at Reeb and Parsons are Dominic Icaboni and Joseph Ardner.

The rides, games, and other activities require a goodly amount of space, and the many committees have been giving the co-chairmen close cooperation, along with a lot of other willing workers, the news man was told.

Hours are to be from 7 o'clock in the evening until midnight, except on Saturday, when a children's matinee will be between 2 and 5 o'clock. During that period, it was said, children take over, with all rides being reduced to 10 cents each ride.

At the 7 o'clock evening hour the older people will take over, with a "long full evening of fun," it was said.

Making A Newspaper Presents Opportunity To Be Helpful

By Oliver Gedolst

(The fourth in a series)

A newspaper suggests to one whose life is saturated with "living" newspaper work that the experience of "making a newspaper" is a continuous web characterized by low lights, high lights, intracacies—a composition of all the things and factors entering into the life of a community.

Reason For It

Human longing, human needs make newspapers possible; indeed, human longing makes all phases of living possible, because it is the urge to have and to do that drives mankind on to achievement. And here is where the newspaper inserts itself into the consciousness and into the service of the people of the community.

Let's look at some of the integrated factors. They are easily recognized. In the merchandising world—in that phase of ours when we want to know (indeed, when our comfort demands that we know) what the food store has for us, its prices, its variety of items—this large-size factor instantly becomes momentous in the integrated web or plan which demands the appearance of the newspaper.

Ramifications

Ramifications involve widespread details of human living. One, as suggested above, is that of getting foods for our tables. Because we live in a time when living is greatly different from the habits and environments of 50 years ago, securing food is an important item in every day living. In the very small community, with only a few houses and a store or two, everyone drops into the store or stores every day or so, but cannot make up a complete shopping list like the city cousin uses, with notations of which store has what. Then, the value of the newspaper's assistance to the seeker for food is definitely apparent.

Saves Time

The shopper's time is conserved, because she knows where to go for each of the items wanted, because she saw it advertised in the local newspaper. That this is appreciated is indicated by the rapid growth of this type of merchandising during the past 30 years. The "alive" merchant does not consider advertising a lost expense, any more than he would consider his rent or his lights or his heat a lost expense.

The newspaper's place in the integrated life of the community establishes forces which bring prosperity to advertising merchants the while the life of the shopper is more comfortable.

Fundamental

The very urge to know what is going on in a community sets the foundation for the values found by the merchant who devotes an intelligent part of his income to advertising the wares which make his income. Likewise, shoppers do not long deal with the non-advertiser, with the merchant who does business as he did it a quarter to half a century ago. Instead, they study the advertising pages of the local paper, select the store or stores which have what they want, and there they go, keeping alive the awareness of the newspaper's place in the integrated life of the community.

Work Shop For Blind Creates Self Respect For Citizens Of The Dark

Taking a picture of a Southeast Lions Club committee presenting a check for $500 to the executive director of the Columbus Association for the Blind whetted our interest in the whys and hows of this work.

It seemed a natural thing to telephone for an appointment with Miss Mary E. O'Brien, the director, who has little time for giving interviews — or anything outside of the work at hand, during working hours. However, she said she was happy to answer questions if she might continue with the work she was doing, which, we discovered, was helping to complete an order for a large Columbus firm. The work was an assembly job, putting on washers and sacking hardware.

They're Good

A number of blind persons were working on that job, while others were performing other duties in filling orders without which, and other similar orders, a number of blind people would be without occupation—with only interminable hour and days to while away in despair.

The author of this story marveled at the skill and speed with which these people did a job which would cause many a "seeing" person to hesitate because of the need for accuracy.

More Jobs Needed

Miss O'Brien stressed that the work shop is equipped to do more work than now is being turned out. She said the efficient workers can do a big job and do it every day, and that the shop's productive capacity is high.

That the shop in which the blind work and earn a sense of independence and high satisfaction is not unknown beyond the borders of Columbus, Miss O'Brien showed the writer a job in process for a substantial Pittsburgh, Pa., industry. This job required considerable skill, it was pointed out, but quick minds and nimble fingers and hands of these people who never have and never can see their fingers and hands were turned to important work where the workers won a livelihood and a sense of self-respect unobtainable in a life of "just a-settin'."

Stringing

Shipping tags constituted another major item "in the works" the day the Leader writer went to learn about this institution dedicated to the philosophy of "help others to help themselves."

Now there is nothing intricate about stringing tags. It does, however, require total application; it requires knowing where to start the tie of the thin wire into the opening in the end of the tag. Fairly facile (at least on the typewriter) with his fingers, this writer tried to do the job the blind were doing, and got left far behind. One of the men thought, perhaps, that I KNEW I had eyes and could not concentrate to the point of understanding the "skill point" in doing the work. He turned out three times as many of the tags with wire as I turned out.

Highly Versatile

These blind workers are versatile. If you don't believe it, you go and try to cane a chair. Maybe you can do it, but this writer will venture a big guess that you will get all mixed up—and left far behind one of the blind workers in the number of chairs caned.

In listening to the story of achievement over a handicap of bewildering intensity, it seemed that a dis' t voice was saying something about "Well done, good and faithful servant," and that's the way we felt about Miss O'Brien and those who make her work possible.

What is the group's greatest need? Something for the convenience of the director? No, simply this: more and more contracts for work to make it possible to employ, and help more of those whose days are as black as the darkest night.

Hope Rises For Bus Service Outside City

Public bus service to areas heavily populated outside the city limits is being sought by City Utilities Director Ferd M. Pickens.

Pickens said he will request the service as soon as he receives reports from a mass transportation survey now under way in the city. Permission must be granted by the Public Utilities Commission.

The director reported that Lincoln Village has made arrangements to park 150 cars and to provide a turnabout for buses.

Braun Marks 88th Birthday

Walter Braun

This is about a man who from the time of birth until now, just 12 years short of a century, has been a one-street man. He lives at 1083 S. High-st, although that's not where he was born. He is not a Columbus "southerner" by birth. He emigrated from where he was born, as a Columbus "northener", to the South.

Forty-seven years ago this man built himself a home at 1083 South-high, on the same over-all grounds which contain the home which was his father's and is own home He was born at 24 N. High-st 88 years ago, last Sunday.

This man is known to vast numbers of people, although the younger generation, having come here so recently, are not as aware of him as are great numbers of older people. We're talking (or writing, maybe, is better) about a man distinguished in several fields, whose imprint rests upon just about all the bridges in Columbus.

Walter Braun

That is this man's name He has been an eminent structural concrete engineer, for a number of years was employed in the county engineer's office, and for another number of years Walter Braun was the county engineer.

Then for a long time he was a consulting engineer, with many bridges away from here standing, as those do near at hand, as a monument to this man who has been eminent in this and other fields.

A Farmer, Too

Walter Braun was a successful farmer, too, while he was a successful bridge engineer. Starting in life on High-st, living in the latter years on High-st, it seems natural that he should go to college on High-st, and that's exactly what he did. "There was no chance of me getting away from High-st," he said, by going to college, "because both lived on this famous highway." He entered OSU in 1884, he said, when the 300-student college was only 11 years old On High-st, of course.

The engineer's farming was in Illinois where he owned a large farm another was in Groveport, and another near Westerville All the while the man now 88 and wading without regret into his 89th year established the same kind of reputation in the field of culture that he had in the world of business

Slowed Down

Now the engineer has slowed down, with arthritis causing him most of his difficulties. However, the reputation of so many years is maintained—he keeps going. Assisted by a "walker" he mows the beautiful lawn, does garden work, and makes himself useful—and happy, too, if the genial smile and courtly courtesy which he shows to newspaper men may be accepted as a criterion

Near Last Bridge

The engineer has a large monument to his skill and energy. The home is near Greenlawn-av, and from the spacious and beautiful garden running down to Front st he has an outlook upon the river and the last bridge erected under the supervision and authority of this man who has seen so much of life over so long a period, and who has so many friends interested in him as he makes a challenging stride toward that 100 mark

A special birthday party was held in the home Saturday evening

Delay In No-Parking On Parsons

Parsons-av may have a period of grace before the application of the "no-parking" order on our busy South Side street

City Hall authorities have, it is understood, been reluctant to set a date for the no-parking edict. This is believed due to the continuing study being conducted by the traffic department

Whatever action the report may recommend probably will be applied shortly after the report of the investigators is made

At the present time there is no plan for immediate application of the no-parking regulation.

H. Merideths Observe 60th Anniversary

Mr. and Mrs. Merideth

Mr. and Mrs. Henry V. Merideth of 550 Jenkins-av, who marked their 60th wedding anniversary Tuesday, June 26, were honored Saturday with an open house

They came here from the southern part of Ohio and were married in Marysville. The Merideths returned to Pike County to live for a while, then returned to Columbus in 1901 and finally took up residence in the southeast side of the city.

They were ambitious people, always hoping to have their own home. Finally they bought two lots on Jenkins-av and moved one of Merion's Homesteads onto the corner lot. The Merideths built another home at 550 Jenkins-av, where they have lived in their later years.

Mary Ann Merideth is 80 years old and Henry V. Merideth will be 81 July 13. They are the parents of four children, Mrs. Georgia Ann Hafer, Walter Merideth, Mrs. Florence Bluff and Mrs. Audra Hegenberger. There are five grandchildren and six great-grandchildren.

They have been members of the Washington Avenue EUB Church for the past 45 years.

Robert F. Kates In Oklahoma Reserve Training

Cadet Robert P. Kates, son of Mrs. Louise F. Kates, of 279 Siebert-st, was among 800 Army ROTC cadets who arrived last week at Fort Sill, Okla., to begin a six-weeks Artillery reserve Officer's Training Corps summer camp

The six weeks field training is conducted at the completion of the students' junior year, and forms an essential part of an extensive four-year college course in military science leading to a commission as a second lieutenant in the artillery branch of the United States Army Reserve.

Eager Faces Reflect Interest At Parsons Library Story Hour

Upwards of 50 South Side youngsters have enjoyed each of the weekly summer story hours at the Parsons Branch Library so far this summer, Librarian Miss Bausch said. The story hours, which are followed by a papercraft or other craft session, will be held in the large basement room of the new branch library at 845 Parsons-av, at 10 a.m. each Wednesday throughout the summer and on Saturday mornings during the school year. In the above photo of last week's story hour, Miss Alice Tuemler, library assistant, tells stories of Indian lore. The papercraft project which followed included the making of tom-toms from salt, oatmeal, and other cylindrical boxes.

2 Brothers Injured By Hit-Skip

Two South Side youngsters riding double on a bicycle were hit and seriously injured just east of Fourth-st, on Welch-av, last Thursday afternoon, according to police reports. The driver allegedly fled the scene of the accident in the car.

Gary Madden

Donald Madden

The children were Gary Madden 7, and his brother Donald, 6, sons of Mr. and Mrs. Edwin C. Madden, 1528 S. Fourth-st. Gary was the most seriously injured, suffering head injuries, although they were reported as making a fine recovery when the Leader reporter talked with Mrs. Madden via telephone Sunday morning.

Although the driver of the offending car reportedly departed the scene it was said that a passenger stayed behind, presumably identifying the driver as Harvey Morris, whom patrolman Richard Voit charged in a warrant with driving with faulty brakes and with hit-skip driving. Morris was not immediately located, it was said.

A Summer Day Scene

Pictured above is a constant program at the wading pool in Schiller Park. Children find here happy relief from the sweltering temperature, and are in and out. Observers have remarked that the children unconsciously regulate overflow crowds by leaving the pool and returning only when the constantly changing "patrons" decrease in numbers to permit comfortable cooling off. Many activities are carried on here, some formal and most of them informal—a popular refreshing spot, or oasis, in the heart of a great city.

Kaefers To Observe 28 Years Here

Rev. and Mrs. Paul Kaefer have been at St. Paul's Evangelical and Reformed Church, 221 East Gates-st, since July 8, 1928. The 28th anniversary of the first sermon Rev. preached in the church will fall on next Sunday, July 8.

In recognition of the anniversary Rev. Kaefer has announced that his sermon will be the same with which he assumed the pastorate of the church that July Sunday in 1928, "The New Commandment — Love One Another." The pastor said he would be glad to welcome friends to worship with him on this anniversary occasion.

PLANS TO BE TOLD

Announcement has been made of a report which the planning committee of the church will present to the congregation in the early future

One of the expected plans will be the employment of an assistant pastor to aid in handling the increased responsibility in the parish work.

There has been some talk about the need of a new parsonage, and it may be that the committee will announce definite plans for that

A church may be confronted with a parking problem just as business people are confronted with the need for parking places off-street It is understood that this problem has been considered and it is said to be likely that the committee will announce plans for this parking trouble.

Saving an important, or major, item for the end of the story, a new educational building is in prospect, although conversations heard have not indicated anything which the committee might have in its mind. However, details are hoped for when the report is made.

SOUTH SIDE PARKS

Public parks and playgrounds abound in the South Side, probably equal to any similar area in the city.

Sgt. Manley In Germany

Sgt. Donald A. Manley, son of Mrs. Dorothy R Manley, 802 Heyl-av, is a member of the 11th Airborne Division in Germany.

Assigned to Support Company of the division's 188th Airborne Infantry Regiment, Sgt. Manley entered the army in 1954 and arrived in Europe in March of this year.

The 20-year-old soldier was employed by the Columbus Production Manufacturing Company before entering the army.

They are Edward M. Findley, president; Frank M. Neubeck, Jack R Alton, and Louis Whitacre first, second and third vice-presidents, respectively; Ezra Cook, financial secretary; William Cook, jr treasurer; Frank Zimpfer, secretary; John Hancock, tail-twister, Thomas W. Sharp, Lionlamer, and Emory L. Reuse and Bob Atwood, new directors.

New South High Principal Long In Local Education

H. Delbert Swain

Pictured above is the new principal of South High School, successor to Principal L. W. Huber, who has been transferred to Central High School as principal. Principal and Mrs. Swain have their home at 156 Weisheimer. He has been principal of Crestwood Junior High School since 1951. The new South principal graduated at Muskingum College, New Concord, Ohio, in the class of 1937. Later he came to Columbus and became a teacher in the Columbus school system. They have one daughter, married and living in Columbus. His Master's Degree was received at Ohio University, Athens, and studies continue at OSU, looking to his doctorate degree.

July 4 Celebration Points Up S. S. Council Activities

By the Editor

Many events occurring in the community seem on the face of them to be automatic — just happenstances for the entertainment of the public. That this cannot happen except in rare instances is overlooked in the smoothness and perhaps the unexpectedness of some of the events.

Was Big Job

Right now the event which hammers at my mind is that held Wednesday in Southview Park—the Fourth of July celebration held yesterday The thing went off so smoothlike that it seemed that nothing had occupied the attention of several people and that much planning had to be done to make possible the entertainment, the educational factors the fireworks, the over-all organization

All this is evidenced by the smoothness of preparations for the event of Wednesday. To all outward appearances Uncle Sam just moved in, as did safety department display, and all the other items which brought some of the interesting things of the day to the park And, of course, the same thought applied to the baseball game—well didn't these fellows just happen there with balls and bats and other baseball gear?

Details Unlimited

Well, it was not nearly like that. There was much organizing, there were a hundred telephone calls to various people, service commanders, private groups — a very great deal of hard, hard work.

Each of the displays or demonstrations shown at the celebration was the result of a number of telephone calls, some personal leg calls were made, and days of activity preceded the day of celebration

Back of this, of course was the Council of South Side Organizations, which represents a large number of groups in the South Side. Committee members of the CSSO work diligently to accomplish worth-while things for the community, but they always stay in the background. This organization is the "motive power" for many activities in the South Side contributing to the pleasure and the profit of the community

The organization helps defray costs for many activities in the area, including, as a major item, youth organization activities, summer and winter.

OG's NOTES

Power . . . Glory

Standing recently, as I have stood many times at the edge of Niagara Falls, and watching, amid the terrible roar, unceasing and unforgetable, my mind reached back to a few words with which Christians end one of their prayers " . . . the Power and the Glory." For in that mighty cataract, ceaseless, endless, lies the majesty — aye, even the significance and the secret — of eternal Power and eternal Glory Every time I visit Niagara Falls and stand there in the midst and in the MIST of that giant wonder of the world, I become humble and appreciative of this translation of Power and Glory! I feel smaller, but within me I feel spiritually greater'

Out of Order

Seems to me we are out of order in our affairs. So many people indicate that having a sense of responsibility is outfashioned by time. Could one with a sense of responsibility have "attacked" two little fellows with an automobile, running away and leaving the injured lying in the street, as in the case of Gary Madden 7 and his brother, Donald, 6, sons of Mr and Mrs Edwin C Madden 1528 S Fourth st? Happily, this Sunday morning Mrs Madden told me via the telephone that the two boys are coming through in good shape — out of danger . . . then this Sunday morning's newspaper tells of a seven-year-old girl whose life was snapped out in butchery fashion and a little boy of the same small age was all cracked up by a car allegedly climbing the curb of the sidewalk killing one and dangerously mauling the other . . . Yes, as a people it seems to me we have got to become conscious of carnage in our communities and HATE the evil out from among us If the Devil could get a lot of these murderers and attackers maybe the Lord's little children would have a better chance

The Gadabout

Priscilla LaRue Lenox
HI. 4-1051

From Columbus to Okinawa is a big portion of the old globe, but Mrs. Jack Close is one South Sider who has taken in that much territory. Mrs. Close is the former Margaret Chrismer, a South High graduate of 1953. She made the trip by boat to join her "in-service" husband, landing at the far-away port on May 28. she would enjoy hearing from her friends, and any of them desiring to write to her may get the address by calling her mother at HI. 4-3232. One item we know about her new mode of life is that she has a Japanese housemaid, which certainly sounds luxurious to us!

The big fish DIDN'T get away when Mr. and Mrs. Lester Earl Colegrove, 894 S. 18th-st, journeyed to Canada to indulge in the piscatorial pastime in June. (It's okay; I looked up piscatorial and it was the word I had in mind! It's the deluxe way of "fishing".) The pleasant vacation was a three generation affair, for the Colegrove's son Robert his wife Rita, and their daughter Peggy Ann and Roberta were part of the entourage

A Cloverleaf Club meeting for July that will be held in Leader land is Leaf 25 on July 10, with hostess Mrs. Andy Holzapfel in charge of the picnic that's on the Agenda Mrs. Walter Otto is the cohostess

Several members of the community certainly deserve "well-wishing" cards at this time so we'll pass along their names. First on our list of ailing folks is Michael Leslein, 1145 S. Washington-av who had a leg removed at Mt Carmel Hospital last week. The operation prevented him from attending the wedding of his granddaughter, Nancy Butterfield, to Walter Dewey, a ceremony that was performed in Grace Lutheran Church. Mr. Leslein has lived all 74 of his years in the South Side, so we know many of the readers will know him. A cheery card send either to his home or to Room 410, Mt. Carmel Hospital, would be so much appreciated by him.

When Viola and Manford Burns return from their New York vacation we expect to pass along some of the highlights of their eastern jaunt

Mrs J. O. Bromilett with sons, Bert and Andrew were recent guests of Mrs. Bromilett's parents, Mr. and Mrs. Burton Sayre, 520 Hinman-av, Mrs. Bromilett, the former Jean Sayre, had Louisiana friends with her also; Mrs. Maurice Bordelon and daughter Gretchen. The women and their children are residents of Marksville, La. While here, the Louisianans attended two weddings, that of Nancy Kustich and Thadden Golombak, and the nuptials of Rev. Edward Cherryholmes and Naomi Getting. The Sayres were hosts to Mr. and Mrs. Paul Cherryholmes, Middletown, O., and Mr. and Mrs. Walton Beattie, with daughter Karen, of Leon, W. Va., at the time of the wedding. Other out-of-towners at the Cherryholmes-Getting ceremony, included Mrs. Lloyd Casto and Mrs. Denver Casto, both of Leon, W. Va., and Mrs William Casto, of Charleston, W. Va., Out-of-towners who attended both weddings included Mr. and Mrs. George Wolfe, Mr. and Mrs. Walton Wolfe, all from Toledo, O, and Mrs. Eloise Campbell with her children, Galion, O.

Mrs. Louis Weber, 848 Mohawk-st, has been a recent patient in Mercy Hospital.

July birthdays: Nancy Sides, 1386 S. 5th-st, July 4; Raymond Lomberson, 622 Hanford-st, July 4, Carol Rose, 1360 Linwood-av, July 5; Shirley McCaffrey, 214 Frebis-av, July 7; Lawrence Mertz, 384 Deshler-av, July 10; Virgil Lenox, July 11.

A sixtieth wedding anniversary was celebrated by Mr. and Mrs. John L. Michel, July 1. The Michels are natives of Germany, coming to this country in their mid-teens. The residents of 24 E. Deshler-av are parents of four children, Helen, John, Erwin and Robert. Ten grandchildren and four great-grandchildren complete the family circle.

A special belated birthday wish to "Lizzie" Ripley, 1287 S. High-st, who attained her 91st year a week or so ago

A birthday we should have listed earlier was that of Eileen Wilson, another Fourth of July celebrant. Eileen lives at 1417 Miller-av

Mrs. Harry Dill and daughters Gloria and Charlotte spent their vacation in Nassau, where they were guests of the Emerald Beach Hotel. The Dills reside at 1242 E. Livingston-av.

Our sympathy goes at this time to Mrs. Bushman of S. 3rd-st, who lost her sister a short time ago

The Moose entertainers made their annual jaunt to Chillicothe Veterans Hospital on the fourth to entertain the lads down there.

Dale and Evelyn Clark should just about be home again, after their vacation to the western part of the country.

This past weekend, Isabelle Dunkle and her daughter Sharon and the Chakers family attended the Christening of the son of Mr. and Mrs. Harry Nicholas in Fort Wayne, Ind. The Dunkles are residents of 93 Frebis-av, and the Chakers domicile is at 483½ S. 3rd-st.

Ronald and Marie Cook, of 1413 S. Sixth-st, took advantage of a few free days to make a quick trip to Alabama to visit Marie's folks.

Jimmy Loska is now a 13-year-old, since his June 25 birthday.

Mr. and Mrs. Earl Marshall, who were formerly Hanford-st, residents, acquired two new possessions almost simultaneously. One was a new house and the other was a little boy, born last week. Earl is a well-known athlete around these parts. The new addition makes two little Marshalls.

The golden wedding anniversary of Mr. and Mrs. Fred A. Marback, 617 Reinhard-av, was celebrated June 24 at the Southern Hotel. Theur two daughters were hostesses to the friends and relatives who came to honor the Marbachs.

Mary Ann Hammon, daughter of Mr. and Mrs. Charles Hammon, 1190 Wilson-av, recently became the bride of William Michaels, Findlay, O. Findlay temporarily will be the home city for the young couple. He is an OSU graduate and is contemplating a teaching career in California, and if this move is made, Mary Ann may transfer her OSU credits to a California college, and continue her courses. The new Mrs. Michaels is a South High School graduate.

Bob Huskey, 727 Ann-st, has been doing himself proud these hot summer nights. He and his three band members have the pleasant assignment of playing the dances at the Bath Club. Two of his coworkers are well known to the younger gentry, Rudy Raduegge and Dick Baars.

Earlier in the column we mentioned folks who would benefit by receiving cards at this time, so we'll tell of another person who needs cheering up.

Mrs. Louis Wheeler, whose Columbus address is 3201 Lockbourne-rd, is recovering from a car-train wreck on June 12, in Little Rock,- Ark. Mrs. Welch, her husband, daughter Nancy, son-in-law Bob Wheeler, and the Wheeler children, 11 months old and five weeks old, were on their vacation trip, but never reached their destination. Elsie was the only one injured and faces six more weeks in Arkansas Baptist Hospital, Roome 304. She finds it very lonely there, naturally. She is a Lazarus employe, and we're hoping her associates and customers will particularly remember her at this time. Whether you know her or not, do a good deed by sending a "hello", won't you?

Another vacationer who had an abrupt change of plans was Mr. Reiser, who was on a Florida vacation when he suffered a stroke. It was hoped to bring him back to Columbus at the weekend. His wife is Stella Reiser, 1026 Ellsworth-av.

Mr and Mrs. Charles J. Rundio III of 1419 Miller-av, has just returned from a vacation at the Virginia Beach where they were guests at the Martha Washington hotel and visited points of interests thereabout.

Mrs. Grace Gray of 937 Parsons-av, was honored on her birthday Monday, June 25 with a surprise birthday party with members of her immediate family and Barbara Volz and Dave Schmidt, present.

The Gadabout and all her fellow-writers had a fine luncheon last Friday at the Colony, as guests of publisher C. C. Hartley. It was the second such affair for your South Side scribblers and we plan to go as often as asked! Our boss man is "nice people," a fact we're happy to pass on.

We're "fresh out" of things to write about, so call us at HI: 4-1051 and help us with next week's column, won't you? We'll appreciate it greatly. Till next time, then, 'tis — The Gadabout.

Somebody's waiting for
this invitation... *FROM YOU*

Take someone to church this week . . . you'll both be happier for it

There's somebody in our town... maybe the new family down the street... maybe the people next door... or that youngster at the office... There's someone in town you know... or know about, who would be really flattered if asked them to go—with you—to church or synagogue.

Ask them—this week—won't you?

He restoreth your soul... Worship together this week

You're not forgetting, are you, that your church or synagogue is the friendliest place in town?

A warm-hearted welcome awaits you there.

New interests, new friends, and most precious of all in these trying times, an opportunity to renew your faith, to restore your courage, to find peace of soul in the company of men and women of good will.

YOUR CHURCH IS THE FRIENDLIEST PLACE IN TOWN

Managers Tell Program At Livingston

By Park Managers

Activities are at a new high at Livingston Park. Winners in the annual pet show and the clown contest were:

For the most obedient pet, Linda Leslie, was awarded a ribbon at Schiller Park last Wednesday.

David Leslie was awarded the prize of six bottles of soft drink and softball for being the funniest clown from Livingston.

This week the workers of Mohawk School, Palsgrove, and Livingston are planning jointly for the annual playday, scheduled to be held Friday from 2 to 6 p.m. Games, races, relays, doll contests, foul shoot, high and broad jumps and many other special features for the children's fun and entertainment have been planned. For the older groups there will be checker contests and horseshoe pitching.

The workers from Mohawk who will be assisting in the play-day program are William Bell and Joyce Portis.

From Palsgrove and sharing this cooperative plan are James Boyer and Shirley Bailey.

The children will enjoy wading in the pool, which is cleaned daily and sanitized chemically for their protection.

The South Side Leader's Sermonette

This week's Sermonette was written by Clarence W. Mulkin, South Church of Christ, Disciples, and is one in a continuing series by various ministers of the community.

You have heard it said that "silence is golden." There come times however in the affairs of men when silence ceases to be a virtue. It was in St. John's Church of Richmond, Va., in 1775, that Patrick Henry rang out with the immortal declaration, "Give me Liberty or give me death." These were not the words of a timid soul, but those of a man who realized that the hour had struck to speak up. His boldness provided a necessary spark to stir the colonies into action to gain our political freedom.

Some years ago a Swiss paper told of a student on a train between Frankfort and Basel who sneered when he saw a church under construction in a village. He insisted that only imbeciles attended church. "Then I'm an imbecile," said a man in the coach. A second man spoke up that he too was an imbecile, and although he was a college professor, he went to church every Sunday. These were joined by others who spoke up saying that they too were churchgoers and Christians. Here were men who accepted the opportunity to speak in behalf of the church and of the importance of its message in their own lives.

Our priceless freedoms are fruitage of the teachings of the Gospel of Jesus found in the "world's most exciting book." Those who gave us the Bible had keen spiritual insight. They spoke up. Theirs was a labor of love.

Minister's Aide To Preach Sunday

Robert Sheets, 565 S. Dawson-av, a student in the theological seminary at Capital University, and the pastor's assistant during the summer months, will preach at both the 8 a.m. and the 10 a.m. services at St. Paul's Lutheran Church, 322 Stewart-av, Sunday, July 8. Mr. Sheets, a student minister, is also a deputy sheriff and sings with the "Singing Sheriffs." Rev. John O. Lang, pastor of St. Paul's, will be on vacation one week is July and one week in August.

Making A Newspaper Is An Important Service

By Oliver Gedeist

Last week we saw that in the making of a newspaper, the publisher has an opportunity to be helpful. In that article we traced the steps of helpfulness in bringing, through the newspaper's circulation, various forces into play, with considerable saving of physical exertion for shoppers and helping them to secure better bargains in shopping for foods.

This week we look at the PUBLIC SERVICE performed by every newspaper which fills its columns with news of the community, with advertising by the business people of the community, and of the extensive ramifications of the influence of the newspaper in the community, whether the area be a country village or a community in a great city—such as the South Side and the big city of Columbus.

Advertising

A long time ago, as most of us will remember from our "story" books when we were little, there were watchmen in many communities patrolling the area at night and calling out the time o'clock. Then there were those who cried out the news, who told of the events of the day, while citizens crowded around to learn what was happening in their restricted world.

Now the newspaper is the "crier of news"—news about the merchandise in stores, about the values, about the prices. In fact this news in the newspaper is the most earnestly read part of any good newspaper. That, of course, is because the very wealth of the home is involved in the advertising, in the merchandising news.

Why do the great majority of women precede their shopping trips by making a list of things they want to buy? Is it not because they have checked the prices, the quality, items which are missing and will have to be sought elsewhere — so many reasons for the making of the shopping list after the housewife has read the advertisements in the familiar family newspaper.

Full Information

When the housewife starts out for the shopping tour, she has, as you can see, selected from the advertisements the items necessary for her to buy, she has recorded the price or prices, and because there is a newspaper in the community she can go out on her errand "educated" concerning the place or places where she must go to find all the items she wants.

Reflection

Only a moment's reflection will paint a mental panorama of the comparison of today with periods which a few people can still remember. Instead of the news crier going around the town and telling briefly of happenings, the lady of the house has her display advertising pages open before her, where she sees competitive offerings, where she can make her selection from a large variety, and where she can get what she wants from the store of her choice.

Excuses

Merchants of the United States no longer have to be "sold" by the advertising specialist of a newspaper to get the merchant to "put an ad" in the paper. Instead, the advertising salesman, or merchandising expert, as he is entitled to be known, is a welcome visitor to the store of the good merchandiser. "By their advertising shall ye know them" is a slightly inaccurate biblical quotation. It is an apt expression of the feelings of the real merchandiser—the merchant who wants to move his foods and staples fast so everything will be fresh, as women demand it. The merchandiser welcomes the advertising man, and in many cases has his large advertisement written and ready for the advertising man to take to the shop for setting and publishing.

The Non-Advertiser

There may be some who find it hard to believe, but there are men in business who think paying for an advertisement is just a charity act toward the newspaper. Now, one reason why it is hard for the average person to believe that some merchants never advertise is that the merchant is of so little importance in the community that few people patronize him except in case of emergency, when the big merchants are closed. He is not among the well-known.

Women who have been polled, across the nation, have indicated that they patronize the liberal advertiser because "he has fresh goods, good foods, and he is selling in sufficient quantities to allow him to offer his merchandise at an easy-on-the-pocketbook price." These buyers and the advertising merchants live in an entirely different business world than the merchant-struggling-for-existence-because-he-won't-advertise

Surviving are his wife, Hilda; a daughter, Claudia, in California; a stepdaughter, Mrs. Lyman Leist of Columbus; three stepsons, Carl, August, and George Jepsen, all of Columbus; and a sister, Mrs. Fred Hale of Wilmington, O. He was buried in Union Cemetery.

GIOVANNI FERRARONI

Giovanni Ferraroni (John Ferry), 72, of 46 E. Innis-av, died Friday, June 29, in Mercy Hospital. He was a janitor at the Franklin County Courthouse. Surviving is a sister, Mrs. Dora Cadoppi in Italy. Requiem High Mass was sung at 9 a. m. Monday, July 2, in St. John the Baptist Church. He was buried in St. Joseph Cemetery.

FAMOUS ANNOUNCER FINDS "BEST BUY" IN AUTO INSURANCE
RED BARBER, distinguished sportscaster on radio and TV, says: "I proved to myself that State Farm Insurance costs less"!
"I like the way State Farm Mutual aims to insure careful drivers only. This keeps insurance costs low.
"My own case proves State Farm rates are low. In New York, where I live . . . for the insurance I carry on my two cars . . . I not only get broader coverage—State Farm rates save me $29.31."
"I also like the fair way State Farm charges selling cost, such as the sales commission. They don't make it part of the premium . . . you don't have to pay it year after year. Instead, it's covered by a membership fee, paid once and only once—the first time you take out a coverage.
"If you want top-notch auto insurance at rock-bottom rates, phone the agent listed below. Find out what you can save."

Managers Tell Of Park Doings

By Louise Quick, Ade Hanes

Our clown contest last week was won by Beverly Collins . . . The boys' and girls' intermediate softball team won a practice game from Lincoln Park last week. We are hoping that the softball schedule will get started this week.

Track is also just around the corner. The first meet will be held July 12 at South. All boys and girls interested should sign up at the park.

Play day will be at Lincoln Park today from 1 to 5 p.m. All children are invited to enjoy the fun. Our playground will be closed today, but there will be a Little League game at 5:30

The tennis tournament will be held the week of July 9. Any boy or girl who is interested should sign up and represent Karns.

The Little League is growing in enthusiasm. We have seven teams at Karns. Each team is being managed by a father and they are doing a fine job. They are playing their games on Monday, Tuesday, Wednesday and Thursday evenings at 5:30 at Karns.

Tennis

The sectional tennis tournament will be held during week of July 9. Any boy or girl interested may give his or her name to one of the park leaders.

The South Side Junior Olympic track meet will be held July 12, at South High School. Dick Egan at Lincoln Park playgrounds will register boys and girls 9 to 17 and arrange practice. There is a new broad jump and high jump pit being placed in operation for any who want to try their skill.

Softball is now being played in league standing. Lincoln Park playground has one junior team (ages 8-12), one intermediate boys (ages 13 to 16), and two girls intermediate (ages 13 to 16). Interested boys and girls should sign up at the playgrounds.

The Lantern parade will be held on July 16. All children who want to participate in the lantern parade should see Shirley at the park and start on their lanterns.

Vacation School Comes To End

The South Church of Christ, Woodrow and Bruck-st, has concluded its first vacation Bible school. Mulkin, served as director. At the conclusion of the school a program was given by the pupils and an exhibit of handwork was on display.

Change Church Hours Beginning Sunday

Announcement has been made that, beginning Sunday, July 1, and continuing until the end of August, Oakwood Methodist Church Sunday school will be at 8:45 a.m. and worship service at 9:30 a.m. each Sunday.

O. G.'s Notes—

(Continued from Page 1)

We're Just . . . Glad!

There are so many doggone nice people in the world! We're so glad so many of them live near us and tell us nice things which make us want to do more of the things they tell us we have done. . . . There's Mrs. Ray Seipel, as a happy example. We won't quote (we're too modest), but we will—well, just snatch a bit of the beautiful aroma from rich words and pass it along . . . She says the South Side Leader helped a lot on their recent Lawn Fete at St. Mary's, Groveport . . . and a lot of South Side people were there . . . We are glad the lawn fete was successful, and we are glad if the Leader is as good as many people say it is . . . say! I just thought! This IS a beautiful world . . . thanks to people like Mrs. Seipel and her associates.

Independence Day

Do we really CELEBRATE Independence Day? In most instances I fear not. For the great masses it is just another holiday coming in the picnic period of the year, when we can get out in the open. And that's all right—getting out into the open. It is good for health, and it is good spiritually and mentally—puts us into touch with the infinite expressed through nature's beneficent kindness. We should let the day be a reminder of the man-sized MEN who were "in the open" and who died that we might have the freedom and the strength and the GLORY of building our country as it is, even with many faults which we the people have committed. We are grateful for the foundation which made possible whatever good we have and are doing.

from OG's NOTES

We Reap Joy

"Goshes and goshes!" to slight ly misquote a little fellow in a popular comic strip! This time it's Mrs John Howard, Girl Scout leader, Troop 208, Livingston Methoodist Church, who makes us happy because it sounds like we pleased her and others associated in Girl Scout work. All because a little item came into the office about Carolyn Wegner being sent to a Scout roundup and we telephoned for a picture of the young lady, put it into the paper, and so many are now happy about it. It's fun working where so many are so good because necessity compels us to gather news to put out a newspaper. Our deepest gratitude, Mrs. Howard!

Sorry!

We surely are sorry that William Manierre, South High School teacher, appointed, with Westgate Grade School teacher Carol Grey, to supervise playground activities at Southwood School, probably will be absent from his summer post most of the season. Early last week he became ill and is expected to be on the "take-it-easy" list most of the summer.

Thanks, S. S. Council

Thank you, Council of South Side Organizations! You are due the thanks of the large area known as the South Side. You did a magnificent job in presenting the Fourth of July celebration at Greenlawn Park. I am told that the crowd was at least 7,000. Basing the estimate on an estimated 2400 or more automo-

7000 Expected At Watchtower Meet

The Watchtower Bible and Tract Society of New York will sponsor a four-day assembly of Jehovah's Witnesses in Columbus Thursday through Sunday, Aug. 2 to 5. The convention, which will be held in the Merchants Building at the Ohio State Fair grounds, is for Bible instruction and concentrated gospel-preaching in this area, spokesmen for the group announced today.

About 7,000 are expected, with 800 reservations already received from delegates from 12 different states, J. Michael Yasko, Watchtower convention manager, announced.

A smaller circuit cconvention was held at the fairgrounds in April, with an attendance of 2,384 from central Ohio.

Yaskoo, who arrived in the city last week from Minneapolis, expects requests for 4,000 accommodations from out-of-state delegates and last Saturday organized a band of 300 volunteer Jehovah's Witnesses to canvass from house to house for rooms to augment those available in local hotels.

Sales Tax Returns Aid Is Announced

All South Side persons having Ohio vendor's licenses will be required to file their next semi-annual sales tax returns by July 31 for the period January 1 to June 30, this year, according to announcement by the Department of Taxation, Division of Sales and Highway Use Taxes.

Returns mailed to the state treasurer should be postmarked not later than July 31 to avoid a $1 a day charge for delinquent filing, it was said.

To assist South Side vendors with these returns, the Department of Taxation has arranged to have an examiner or examiners stationed as follows in this area:

Columbus Engine House, Parsons and Hinman, 8 a.m. to 5 p.m. July 27, 30, 31; Groveport, Groveport Hardware, Wednesday morning, July 25.

New Names Added To Honor Roll

Contributions to the Fourth of July celebration sponsored by the Council of South Side Organizations continued to be credited after publication of a list of donors in last Week's South Side Leader.

Ten additional names have been added to the roll of honor of the Council: Snedeker Grocery, The Automotive Parts, Parkview Pharmacy, Buckeye Radio Laboratory, Emerson Electric Company, Harmony Glee Club, Harry Anthony, F. E. Daugherty, Buckeye Stamping Co., Zollinger Drugs.

As recorded in a story about the organization appearing in last week's Leader, activities of the Council of South Side Organizations, composed of many organizations in the area, is supported by generous contributions from members of the business community.

Motorcycle Rider Hurt

John W. Jenkins, 18, of 3315 Lockbourne-rd, is in serious condition in Mt. Carmel Hospital, as the result of what was at first called a collision between the motorcycle he was riding and an automobile on Demorest-rd north of Glorious1rd, according to the police report. The accident occured last Saturday evening and the injured man was taken to Mt. Carmel Hospital by the Marion-Franklin Township emergency squad.

The other person involved in the accident, it was reported, was Edwin C. Miller, 72, of 3327 Clime-rd.

Jenkins, who lives with his parents at the Lockbourne-rd address, was found to have a fractured skull, a broken shoulder, and numerous cuts and scratches after being taken to the hospital.

According to police, Miller was driving his car south in Domorest-rd, traveling behind another car which decreased speed to make a turn into Glorious-rd. Miller said he looked into the rear-view mirror and saw no one following, then turned out to go around the slow-moving car making the turn.

Not Collision

According to the reconstruction of the accident, it was here that the motorcycle ridden by Jenkins and the car driven by Miller were thought to have come into collision, sending Jenkins to the hospital.

The report indicated that the motorcycle skidded approximately 40 feet, but the absence of any sign of contact between the Miller car and Jenkins' motorcycle, led to the thought that Jenkins, after Miller failed to locate anything approaching from the rear, overtook the car and, realizing that he would not get around Miller's turnout, skidded his cycle to avoid a collision.

Mrs. Miller told the editor of The South Side Leader that her husband heard the slightest bump but felt nothing, and, with no mark on the Miller car, it was concluded that the injury to Jenkins was from a skid instead of a collision.

It's A Dogs Life!

Dogs Quarantined In City And County

The restless pet, who yearns to roam and lead a carefree life of his own, just doesn't have a chance in Franklin County.

As the result of a rabies quarantine imposed last Friday by the county Board of Health, each dog and other pet will be confined to the limit's of his master's domain unless under the direct control of his owner. The quarantine will be in effect until Nov. 6. in Franklin County and Oct. 9 in Columbus.

This emergency action was taken after county health commissioner, Dr. Robert A. Evans and Columbus health commissioner, Dr. Ollie M. Goodloe, had received numerous complaints of loose running dogs. During the last week, 27 people were bitten by dogs in Columbus.

Dr. Goodloe stated, "Actually, the dog situation in Columbus has become a little out of hand. Too many dogs are roaming at will, terrifying people, destroying gardens, defiling lawns and ruining flowers and shrubbery.

Although there has been no report of rabies among those already bitten by dogs, the existence of rabies in southeastern Ohio has prompted the board's action. Children are warned to avoid strange dogs and to keep away from pets when they are sick.

A test performed Monday morning confirmed suspicions that a Grove City dog died of rabies Sunday morning. Anti-rabies inoculations were immediately begun by the owners of the dog, Mr. and Mrs. William Engle and their niece, Sue Lafferty, 17, visiting the Engles from Martin, ky. County Health inspector Howard Reynolds is seeking a salesman, also known to have been in contact with the dog Thursday.

This first case of rabies in Franklin County came just as a dog quarantine went into effect in all parts of Franklin County with the exception of Upper Arlington.

Urgent Human Need Sparks Slum Clearance Program

Slum clearance, as a reaction to urgent human need, has been accelerated because of the economic losses sustained by property owners and by the public treasuries. The following history indicates the need for passage of the bond issues, it was said:

Building inspectors from fire, health and building inspection departments were loaned to the Department of Slum Clearance and Rehabilitation for a blight study in the Market-Mohawk area during July of 1953. The inspectors went into every structure in the area, covering every structure from basement to attic. They found that the Market-Mohawk area, bounded by Third, Town, Parsons and Livingston, was definitely a blighted area.

Report of Findings

They found that 62.2 per cent of the residential structures are dilapidated and 40 per cent of the non-residential structures are dilapidated. In adition to unsafe dwellings, other safety factors such as fire escapes, wiring, heating facilities, and drainage are significantly dilapidated or lacking Rat and vermin infestation was found to be evident in about one-third of the dwellings. These, too, lend support to the impression of blight.

Lack Facilities

There are 163 outdoor toilets, 404 dwelling units without piped hot water and 24 dwellings have no water whatever. Approximately 15 per cent of the dwelling units are overcrowded—some five times the average for the city. Some nine families occupy non-dwelling quarters such as garages, sheds, stores, and condemned dwellings. Junk yards, coal yards, used car lots and miscellaneous commercial and industrial structures are interspersed among dwellings.

Diseases High

Data from the Columbus Board of Health for 1950 reveal that the area leads in the incidence of communicable and venereal diseases and in infant mortality The Franklin County Welfare Agency reports that this area ranks with the highest in the city in terms of relief, including general relief, aid to dependent children, aid to the blind and total disability cases. Data from the juvenile bureau to the police department reveal this area to be among the worst with relation to the number of referrals and arrests. While these evidences of social blight are not recognized as legal factors, they serve to emphasize the degree to which the area is in need of redevelopment.

Recreation facilities and parks are non-existent except that the Fulton Street School yard is used as a playground during the summer. The $2 million dollar Mohawk School was an outstanding improvement, but part of the school yard most likely will be taken by the expressway.

Must Play in Street

Only two of the five public school buildings are devoted to classroom use. Two parochial schools are functioning in the area. Thus, except for official use of these facilities, children must play in the streets, alleys and vacant lots. However, the Central Community House and Annex provide some indoor recreation facilities for all age groups.

Real estate tax revenue from the area is $125,000 less per year than it was 30 years ago. Population in the area has increased about 20 per cent during this time. More people more city services, but lower tax receipts mean residents and businesses in better areas must pay for the additional costs.

Degree of Blight

Ninety-three per cent of the structures are dilapidated or substandard; 49 per cent of the occupants must share toilet and bath with other families; overcrowding of dwellings is five times the average for the city; one of the highest areas for new tuberculosis cases in the city; highest crime rate in the city; one of the highest areas for juvenile delinquency in the city.

South Y League Games Dampened

By "Y" Reporter

"Ole Man Weather" and the holiday played havoc with the SSY leagues last week, allowing only three games to be played. In the Junior Loop, Washington EUB outscored Livingston Methodist 14 to 12. Jacobs had three for four for Washington, while Dave Duerler had a perfect night for Livingston with four for four. In the Intermediate League on Thursday night, St. John E&R dumped St. Paul E&R 13-5. Poor sportsmanship by both teams ruined what should have been a good game.

Friday night's crowd saw the best game of the season when St. Paul E&R locked horns with Southwood Church of Christ. It was all tied up with three runs each at the end of seven frames. In the eighth session Southwood jumped out in front, scoring two runs, but the spirited rally by St. Paul enabled them to score three runs and win 6 to 5. Henry of Southwood allowed only three good hits and Spanner gave up only five in this pitchers' battle. Both teams displayed good sportsmanship at all times and Coach Frank Kimrey of St. Paul E&R and Coach Bob Hugoniot of Southwood C of C should be commended for their handling of their players.

An extra highlight of the evening was the umpiring, handled so capably by the South Side veterans, Jim Duckworth, Pete Miller and Glen Belcher, all former South Side stars. This crew volunteered its services for the youth of the South Side. Even the scoring was handled by an old pro, when Webb Yates volunteered his services.

Initiation of new members into the Auxiliary will also be a feature of the program.

The newly elected officers of the chapter will be in charge of the entertainment for the evening.

Our "lead" item today concerned the proposed vacation trip of the Whalen family, 224 Frebis-av, but a later communique caused us to re-write the item completely. The Whalens were to have joined forces with the Weintritt family of 846 Gilbert-st for a vacation at Gun Lake, Mich., starting July 23. Last Saturday the plans were changed suddenly when it became necessary to rush Jim to Mt. Carmel for an emergency operation. He has peritonitis to battle along with the rest, so it was really lucky it happened before they reached Gun Lake. Mary Anne will have a birthday on July 17, but we can imagine she will have little time to think about that very much, with a sick husband and four children to care for! For card-minded folks, Jim's hospital room is 821.

The Castles, in toto, of 88 E. Moler-st, traveled to the Empire State and Canada last week for a few days of "seeing the country." Making the trip were Jack, Jewel, Jackie and Bobby.

Five girls from South Methodist Church, together with Mabel Trigg as counselor, are enjoying camp life at Camp Indianola this week. The girls are Charlene Gallatin, Sharon Burton, Patty Forter, Margie Johnson and Patty Trigg.

Our sympathy to the family of Mr. Gibbs, who passed away last week.

Mrs. Martha Fillinger, 268 Jenkins-av, has a July 18 birth date coming up, so congratulations to her.

Virginia and James Howald, Terre Haute, Ind., visited their respective parents recently, for if their plans go through they won't have as many opportunities to get to Columbus as they have had heretofore. Jim is considering a job opportunity in Bakersfield, Calif., and naturally the family will be moving there if he accepts. The Columbus parents are Mr. and Mrs. Frank Koilmer, 761 Thurman-av, and Mr. and Mrs. Howard Howald, 795 Stewart-av.

The distaff side of Bill Paulus' family are relaxing at Buckeye Lake this week, but Bill is commuting nightly, so he isn't left out of the festivities entirely. The Oty family are part of the "relaxers", too, but we don't know Mr. Oty's first name, so are unable to give fuller details about them.

The Pixies played pat-a-cake in the picas last week, so we'll apologize for their behavior. The Brouillet name was supposed to have a u, not an n. The lady hospitalized in Room 304, Arkansas Baptist Hospital, Little Rock, Ark., is Mrs. Louis Welch and not Mrs. Wheeler. You see, our copy got in after the deadline so probably the rush of getting it printed produced a bumper crop of boo-boos. If you haven't sent a card to Mrs. Welch, perhaps this will remind you to do so this week. Her Columbus address is 3201 Lockbourne-rd.

The family of Harlan Grissom is in Illinois this week, visiting relatives and friends.

Our sympathy to Betty Dean, whose mother was buried last week.

G. E. LaRue and Edith LaRue are back in Columbus for a few weeks before they return to Florida, where Edith is teaching the three R's to Florida youngsters. Ron and Mary LaRue, with "Honeybunch" and "Baby Sister," made a trip to Niagara Falls and Canada last week. (The more formal names of the girls are Donna Marie and Anna Lynette, but we like their nicknames, too.)

Though they don't know one another, Jackie Blair and Nan Buchon have one thing in common—their birth date, July 6. Jackie was 12 years old on his natal day and Nan (?). She's voted a few times, at least.

Dale, Glenna and Beth Edwards, 66 E. Innis-av, spent some of their vacation time in New York City. We know, for the pretty postal card we got testifies to that.

Last Monday, July 9, was the 61st wedding anniversary of Mr. and Mrs. Charles Hooper, 572 Sheldon-av. The retired railroader and his wife have four children, eight grandchildren and 10 great-grandchildren in their family circle.

Mr. and Mrs. James Adams, 674 Stanley-av, had as guests for a month their daughter and her family, Mr. and Mrs. Ernest Scarborough, with Cheryl and Jimmy, were the visitors from Charlotte, N.C. Many family get-togethers marked the four-week stay with Mrs. Scarborough's sisters, Mrs. Fosnaugh and Mrs. Walter, frequently joining the Stanley-av residents. Mrs. Scarborough had a July 4 birth date, and since she was on her way home at that time Mrs. Walter, 574 Yearling-rd, entertained the entire family group with a party on June 29, the closest date possible.

The Itskin family of S. 3rd-st visited relatives in Celina over the July 4 holiday.

The annual get-together of the Howard family was held on July 4 at the home of Mr. and Mrs. R. F. Howard, Sr., 1326 Smith-rd. All except Isabelle Lindner, who lives in Phoenix, Ariz., were present. The total of those present was eight children and their mates, with 25 grandchildren. Taking movies of the activities was part of the day's schedule.

A South High graduate who attended Cap and graduated from OSU was a June 30 bride at a ceremony performed in St. Paul's Lutheran Church. The new Mrs. Albert Leshy is the former Constance Gould, who is a teacher in the Bexley school system.

Mrs. A. F. Schmidt, 716 Wilson-av, will be hostess for a luncheon to be held at Buckeye Lake July 19 for Cloverleaf No. 20.

Our mailman, Jack Wardlow, helps to gather the weekly news by delivering the picture postals that our friends send us, and one that we got last week was from the Hamilton family of Wager-st.

Recently Elected Officers Of Lodge No. 206 Women Of The Moose Meet

Newly installed officers of Lodge No. 206, Women of the Moose, are, left to right, first row, Mrs. George Andersen, 2669 Ferris-rd, recorder; Mrs. William Spratley, 106 N. Ogden-av, junior graduate regent; Mrs. Mary Moore, 422 S. Warren-av, senior regent; Mrs. Joseph Jolly, 1730 S. High-st, junior regent; Mrs. Juanita Kidner, 1620 E. Broad-st, chaplain; second row, Mrs. Paula Yinger, 462 Kimball-pl, assistant guide; Mrs. Clyde P. Smith, 260 S. Harris-av, Argus; Mrs. Anna Leslie, 866 Delaware-av, treasurer; Mrs. James Stonerock, 283 Clarendon-av, sentinel; Mrs. W. F. Blakely, 727 Harrisburg-pk, pianist; Mrs. Gene Cooley, 501 Catherine-st, guide.

PHYSICAL ASSET

The elderly clerk approached the personnel manager with some reluctance.

"I suppose I'd better retire soon," he began. "My doctor tells me my hearing is going fast and I notice I don't hear what some of the customers say to me."

"Retire" beamed the executive. "Nonsense, I'll put you in the complaint department.

Church Picnic Held Today

St. John's E&R Church Sunday school will hold its annual picnic this Thursday at Norwood Park, according to an announcement early this week.

Starting time, the announcement said, will be 1 p.m., and continue until 10:30 p.m. A picnic supper will be served between 5 and 7 p.m. and square dancing will begin at 7:30. An outdoor movie will start at 8 o'clock.

Lantern Parade Next Tuesday

Announcement has been made that the annual Lantern Parade will be held in Schiller Park next Tuesday evening, beginning about six o'clock.

All other South Side community playgrounds will close promptly at 5 o'clock, the announcement said, to permit all interested persons to reach Schiller in time for the evening entertainment.

You know, some teen-agers seem to like to be known as crazy, mixed-up kids. But nobody with any sense of survival admires careless, reckless drivers. Any ambulance driver will tell you that such drivers are never so crazy or mixed up as when they are pulled out of a wrecked car a piece at a time.

Lions Club Gives Lift To 'Jets'

Southeast Lions Club recently purchased T-shirts and baseball caps for the eight Little Jet baseball teams in the South Side, according to announcements from several playground managers.

Games by the Little Jets are played on the supervised playgrounds of the South Side, according to the announcement. their appreciation by a bit of The youngsters are said to show strutting in their new outfits.

Teeter-Totters Lure Many Youngsters In Schiller Park Playgrounds

Teeter-totters in Schiller Park are highly popular among youngsters of varying ages. The pictured youngsters above were reluctant at first to interfere with their pleasures but the camera's lure helped to quiet the joyful hilarity expressive of the spirit of the great outdoors with which they are endowed in the "good old summertime."

Schiller Reports On Softball

The Junior Boys Softball Team are sporting a perfect record this season with one win and no losses. Last week at Karns Playground, Schiller won their opener 9-7, getting fine pitching from Danny Fee. This week they oppose Mohawk Playground and Karns Playground. Schiller's Intermediate Team visited Southview last week. After seven innings of play the score was tied 12 to 12. In the eighth inning Schiller went out in front 13 to 12, but Southview came back to tie the score and go out in front by another run to win the game 14 to 13. Schiller out-hit Southview, but did not hit well in the clutch. Senior boys softball team played Mohawk Playground last week winning by a score of 10 to 5. Dick Schumacker pitched a four-hit game. Leading hitters were Bob Parfitt, Frank Wonn, and Ronald Jockell. Games this week include two games with Mohawk Playground.

Pfc. Patrick Lucas In Jap Swim Meet

Army PFC Patrick R. Lucas, 21, son of Mr. and Mrs. Russell R. Lucas, 937 E. Whittier-st, is a member of the team which represents the Ryukyus Command in the Army Forces, Far East, and Eighth Army swimming meet in Japan July 11 and 12. Lucas is regularly assigned to the 8603d Administrative Area Unit on Okinawa. He entered the army in December, 1954, and received basic training at Fort Knox, Ky. He arrived on Okinawa last September. Lucas attended Ohio State University.

S. S. Council Picnic Sept. 6

Louis Dimel, president of the Council of South Side Organizations, has announced the setting of the date for the group's annual chicken and corn dinner.

According to President Dimel, the picnic will be held at Y Park Sept. 6, at 6:30 p. m.

Further details will be released, it is understood, prior to the date of the picnic.

Schiller Play Day Program

Children from three local playgrounds met at Schiller Friday of last week, when a number of "play day" events were scheduled. On the list of things to do were relays, quiet games, group games, movies, tug-of-war, and bicycle races. The bicycle races were held on the road which runs around the outside perimeter of the park and is free of traffic.

Jim Wise circled the park in 2 minutes, 2 seconds. George Carter was runnerup.

Elza Frazier for the girls made the course in 3 minutes, 54 seconds.

Hobby Show Set At Southwood Playground

Southwood playground will have a hobby show tomorrow, Friday, July 13, at 3 p.m. The only requirements are that interested children bring their collections and hobbies. Prizes have been announced.

Miss Gloria Dill, second-grade teacher at Livingston School, is the substitute for playground co-director William Manniere.

FANS ARE CHEAPER THAN COFFINS
If you die from the heat don't blame us, if neither St. Peter nor old Beelzebub has a place ready for you. They both know that we are still selling fans, motors, blades, thermostats and timers to the public at wholesale prices and we are not to blame for your hurry.

(Continued from Page 1)

biles, the 7,000 figure was not through extravagant. I saw much of the planning done, and right now is a good time to tell you about it. Tom Sharp is in Illinois, at Great Lakes, Fort Sheridan, north of Chicago, and he will not exactly approve what is written here. The point is that he exacted my enthusiastic admiration for the persistence and the indomitable spirit shown by him in getting the displays and other features of the celebration lined up. You whose advertising Tom handles for the Leader will appreciate this: he worked for a successful celebration with all the vigor with which he works for the success of his advertisers. And who can say more for any man? Congratulations to every one of the Council of South Side Organizations!

Useful Living

Sacrifice is one the best evidences man has that another maybe unselfish in motives and efforts. This was brought to my mind the other day when A. E. Patterson, 733 S. Champion, came in to talk about familiar places elsewhere. He really wanted to talk about another subject, which we quickly got into. He was trying to get a number of people interested in a Columbus chapter of the National Cystic Fibrosis Research Foundation. His son died not long ago from the insiduous and as yet uncurable disease, and he wants to do something about it—for the sons and daughters of other fathers and mothers. An appalling number of hearts are broken annually because one loved only as a son or daughter can be loved is dying—because the disease is incurable. If you're interested, my friend Patterson will give you information.

The Gadabout

(Continued from Page 3)

Mrs. Hamilton penned that she, Mr. Hamilton, Dairl and Julia were enjoying the fishing, sleeping and beautiful scenery around Hayward, Wisc.

Carolyn Ann Sauer, 711 E. Mithoff-st, and Ronald Roach, 639 French-dr, will be married this Saturday at 10:30 a.m. in an open church ceremony in Holy Spirit Church.

Julia Davis, 65 E. Markison-av, and Beverly Hogan, 1617 S. Eighth-st, returned last week from a two week tour of Florida. The girls left June 23 and their return date was July 6.

Larry Brown, for years a resident of 1574 S. Fourth-st, more recently a North Ender and MOST recently a member of the army, visited his South Side friends last week, during his four-day furlough. Larry is not stationed at Ft. Leonard Wood now, but is in Michigan. He would love to hear from the "hometowners", so we'll pass along his address: Pvt. Larry Brown, R. A. 15549155, "A" Battery, 504 Missile Bn., River Rouge Park, Detroit 28, Mich.

Maria Elena Palmer, 316 Deshler-av, is spending her vacation at McConnellsville, O., where her folks have a cottage at Robey's Lock. Maria is doing her utmost to duplicate her feat of last year, when she won a fishing award by hauling in a 52-pound shovelhead, which was the largest fish caught in that area. Miss Palmer, a Barrett student has as her guests this week Madalena Capconna and her family, residents of 1138 S. Ohio. Since she spends the entire summer at McConnellsville, Maria Elena welcomes as many of her school friends as would like to visit her.

Our final item came as we were finishing our weekly stint and it, too, is a "fishing" vacation note. The Hoptry family, 280 Southwood-av, plus Mike Bordy, 415 Sheldon-av, returned Sunday from their trip to Canada. Mike and Marge were the fishing champions, for they each caught a three-pound bass, and those little critters can give plenty of battle. The fishing party had coolish weather, and one morning they were caught on the water when a pea-soup fog came up unexpectedly. That act of nature provided some unlooked-for thrills!

Nothing more to report about, so we can only hope that HI. 4-1051 will keep ringing with YOUR news. Till next edition then, this is

Mohawk Playground Makes Report

The largest event of the week at Mohawk School playground was play day, held at Livingston playground. A softball game, a doll contest, a bathing beauty contest, a cake walk, basketball foul shooting contest, tennis game, group games, and relays helped fill the day. Winners were awarded inexpensive prizes.

The senior, junior and intermediate boys softball teams are playing two games each among Livingston, Schiller, and Southview. This Thursday afternoon the track team will be at South High School to take part in a track meet, the first of the season, which starts at 5:30 o'clock.

The Lantern Parade July 17, at Schiller Center will have numerous Mohawk entries. Each participant has his designs set upon making the prettiest lantern.

Mohawk children are interested in the Mouseketeer Talent Hunt at Schiller Center each Wednesday from 6:00 to 8:00 p.m.

The South Side Leader's Sermonette

This week's sermonette was written by Rev. Leven A. Shaum, pastor, Livingston Methodist Church, and is one in a continuing series by various ministers of the community.

What Is A Christian? First, to answer the question, we would like to say what a Christian is *not:*

(1) A Christian is not just a good moral person; (2) He is not just a "church member" or a "church attender" or a member of any particular denomination; (3) He is not just a kind or good or 100 helpful persons or a person of good intentions; (4) He is not just a good father or mother; (5) He is not just a wife; (6) He is not just an honest person or a truthful person; (7) He is not a person who lives in a land that was founded upon Christian principles and is a so-called Christian nation.

If an individual is a Christian, he or she is all of these mentioned, but he or she is much more. Anyone or all of these plus many more good virtues do not make anyone a Christian. A Christian is more: A Christian is "born of God." A Christian is "Christ-like." I emphasize "Christlike" in all situations and in all kinds of environments. No individual can be Christlike in their natural state. "Naturally" we are not Christlike.

Every person to be Christlike must be "remade." In themselves, this is impossible. To be "remade," to be reborn, must come from an infinite God who miraculously gives a new heart. With a new heart comes a new life. "Behold all things became new!" cried the great Apostle Paul after his miraculous conversion. Paul's life was different. It was changed. He no longer lived in sin. He was done with the sinning business. No person can be Christlike or a Christian and still live in sin knowingly.

S. S. Leader Carrier Boys Become 'Businessmen' Next Week

Training Completed, 'Paper Boys' Launch Careers In Field Which Produced Many 'Great' Men Of The Business World

Approximately 65 South Side Leader carrier boys will launch their business careers this week when they begin making collections for the service they have provided in the past month by delivering the Leader to every home on the South Side.

Near Month's End

Every month thereafter, in the latter part of the month, each businessman will stop at the home of every "customer" and seek to collect 25 cents for the service he had provided in carefully delivering to every door the one newspaper in the city dedicated solely to the welfare and activities of South Siders.

Meanwhile members of the Leader carrier staff have been gaining valuable business training in weekly sessions conducted by Leader Circulation Manager Jack Schleup. Each boy has been provided with a carrier book and customer receipts.

Training already received by these youths, who are entering newspaper carrier careers, which many successful and famous men throughout the nation credit with their rise in the business world, has been thorough and exacting.

For Your Convenience

So far the Leader carrier boys have learned the art of folding papers, simplified bookkeeping necessary for maintaining route records, how to collect and correct use of customer receipts.

The boys will seek to collect 25 cents each month for their "personalized" delivery service, which will be tailored to the wishes of the customers. Some families may prefer their paper left at the side door, another at the rear, and still another may want their copy of the Leader placed inside the screen door.

You can play an active role in launching your carrier boy on the road to financial success. Valuable prizes will be awarded to carrier boys under various contests and special promotion programs which will be conducted by the Leader.

Mercy Guild In Mercy Act

Members of Guild 8 Busy at Mercy.

There's nothing unusual in seeing a group of women at their sewing at Mercy Hospital. However, in this instance, there is a short but interesting story back of the women at work. A regularly employed seamstress at Mercy sustained a broken arm, ending, temporarily, her sewing ability. There's a lot of sewing to be done in the hospital, and it cannot wait. Should Mercy hire another seamstress? That seemed to be in order—but it wasn't done. Superintendent Beard simply sent out notice to Guild No. 8, and these appeared to take up the work, to help keep the sewing done until the woman with the broken arm could return to her duties. Pictured are, l-r to right, Mrs. Otto Hall, 575 Moler-st; Mrs. Robert Baker, sewing chairman, 375 S. High-st; Mrs. Joseph Spiker, Guild 8 chairman, 67 Southwood-av; Mrs. Harry Rucker, Apt. 11, 1427 Parsons-av. These and others will perfoorm their act of mercy at Mercy as long as it is necessary.

Burglars Break Into Radio Lab

Cash Loss Over $800 As Robbers Steal Firm's Truck To Haul Loot

Between $800 and $900 in cash in a safe was lost by Buckeye Radio Lab, 368 E. Whittier-st, some time Monday night, according to a report made to police by Charles Dykes, one of two brothers operating the large appliance business. The material and parts and truck and safe had not been computed.

Police, it is understood, have not been able to place the exact time of the robbery, although it is known that the owners were in the store until 11 o'clock at night and the store opened again at 8 o'clock Tuesday morning, definitely placing the time within this nine-hour period.

Took Truck

From appearances, it was decided the robber or robbers crow-barred the door on the Bruck-st side of the building and made entry through that side.

In addition to the money, it was stated, the firm lost a pick-up truck which the burglars used to take away the safe which they stole from the office.

Among the loot taken were an automatic washing machine, it was said, plus a large stock of parts for various appliances sold by the firm

Insured

Owners said their lost will be small compared to the quantity of materials taken by the burglars, since insurance coverage will help largely to reduce the loss.

However, diligent efforts were being made, it was said, to find the man or men who broke into the place and stole the truck to cart away the safe they also stole.

Charles Dykes told the Leader that the burglary will have no effect upon the operation of the business; the store is open as usual and customers are receiving the usual courteous and efficient service, he said.

The 440-yard relay team won with a time of 53 seconds. Members of the team were Gary Grimm, Ron Firms, Jerry Bordner, and Jerry McGee.

This Saturday evening members of Whitethorne Church of Christ in Christian Union will hear the English minister at 7:45.

S. Side Council Urges Safe Sewage Disposal

With some action from the city about to be forthcoming in the near future, citizens of the South Side are watching with interest what steps are taken by the city fathers on the matter of sewage disposal plants.

Members of the Council of South Side Civic Associations this week expressed their concern about any proposals to build a new plant on Big Walnut.

M. V. "Cap" Hoover, co-chairman with Rev. Paul C. Kaefer of the committee, has declared that the "stink and the stench" from the present polluting systems must not be carried over into another inadequate program.

Camps

The co-chairman also pointed out the value of the camps along the Big Walnut and declared the building of another inadequate plant would merely add to the area-killing blight which now results when there is inadequate water flow to wash away the sewage.

"It is inconceivable," the committee chairman said, "that the recommended disposal plant be built for Worthington, only soon to become inadequate, and to add its filth to other filth to be sent down on the South Side."

This had to do with the continuing squabble between Columbus officials and officials of Worthington concerning water and sewage disposal.

"Building small plants here and there is not the answer to the situation," Hoover declared, and the committee has endorsed his pronouncement. "Instead of washing the filth down upon the people of the South Side, it is better to pass it through the downtown area underground and deliver it without stream pollution to a disposal plant at county line".

Cost Is Factor

It is reported that some city officials and engineers have pointed out that to build sewers large enough to take the sewage from the north and carry it southward to be destroyed by an adequate plant would cost several millions more than one or two single plants would cost.

To this Hoover pointed out that previous underestimating of the cost of construction and ultimate capacities has imposed a heavy burden upon the people, and that this should not be repeated.

Kaefers Are At New York Resort

Rev. and Mrs. Paul C. Kaefer are in Eaton, N. Y., where they are spending their vacation period. They expect to spend two weeks there before returning next week to Columbus. In a note Rev. Kaefer says that the unified services will continue at 9:30 each Sunday morning through Aug., returning to the usual 9:30 and 10:30 hours the first Sunday in September.

During the absence of the pastor, Rev. A. A. Sebastian is conducting the worship service each Sunday.

Glenwood Church Choir To Sing At Schiller Park

Glenwood Methodist Church choir will help the Schiller Park band concert along Sunday evening, according to an announcement this week. It was stated that a number of well-known choral numbers will be given by the choir, accompanied by the band.

D. T. (Tom) Crawshaw, music supervisor at Schiller, will be the conductor.

Zion Lutheran Sets Vacation Bible School

Zion Lutheran Church, 766 S. High-st, will sponsor a vacation Bible school from Aug. 6 through Aug. 17, from 9:30 to 11:30 a.m. The school is available to all children from the ages of three years to 14 years, it was announced. Registration will take place Saturday, July 21, from 1 to 5 p. m. at the Columbus-st entrance of the church. A nominal registration fee of 75 cents is requested to defray in part the cost of the material.

St. John E&R Champions In Y Intermediate League

St. John Evangelical and Reformed defeated St. Paul Evangelical and Reformed 12-9 in an abbreviated contest last Friday night. In the good clean game, St. John's jumped out in front in a big second inning, scoring 11 runs. St. Paul tried hard the rest of the game and rallied in the fifth frame for five runs. Pitcher Ron Atherton allowed St. Paul only two good hits, but walked 10. Big guns in the St. John hitting attack were Atherton and Lupfer with two hits each. Kamer and Martin got the only two hits for St. Paul. St. John E and R won the first round with a record of 7 and 1.

In other games last week St. Leo won from Emmanuel Lutheran 13-8. For St. Leo Ted Sekinger and Eberis hit well. For the Emmanuel cause Heptner and Bateman hit best. St. John E and R downed a hard-trying South Methodist team 16-7. Best hitters for St. John were Al Port and Evans. Dick Brixner hit a round-tripper. For South Methodist Don Wishon had three for four.

Southwood C of C outscored Oakwood Methodist 12-8. Southwood had to score eight big runs in the last frame to come from behind. For Southwood Hoke, Bishop and Bayes had two hits each. Frank Meadows smacked a home run. Macklin had three big hits for Oakwood.

Sue Miller of undefeated St. Leo's pitched a two-hit shutout as St. Leo downed St. Paul 19-0. Miss Miller had a no-hitter going until the fourth inning. Sue was ably backed up by shortstop Joyce Miller, who made several nice fielding gems. For the hitting department Hanf had four for five and Rita Duckworth three for four.

For St. Paul Sexton and Metzger hit best. Corpus Christi defeated Thurman Methodist girls 23-7. For the Corpus Christi girls Barbara Burns hit a triple and a double. Rose Weipe, Kay Welsh and Grusenbrock all played good defensive ball. For Thurman Methodist Betty Adams and Emmy Walters hit well. In the junior circuit Washington EUB pulled the upset of the year when it downed a slightly overconfident Central Community nine, 21-9. For Washington, Pritt and Jacobs were the big guns. For Central Com. Ranch and J. Schumacker hit homers. Hungarian E and R won from Emmanuel Lutheran 9-4. Paul Barton and R. Henry hit best. For Emmanuel, Billy Reall and Chuck Pyle were the big guns.

Signatures Wanted

Many times the newspaper man is the subject of harsh words simply because somebody forgot to give name and address when sending copy to the editor. All newspapers and magazines — all regular publications — require the name and address of the writer, not necessarily to be printed, but as authority for the news. So, please, send in your news, but please sign it and give your address and telephone number so we can call you if we need more information to make your stories effective.

Let's Be One-Sided

And, yes, there is another item which will help your local newspaper pencil-pushers. It is this: use but one side of the paper to write on. Sometimes, when things are in a tight pinch and it is necessary to write a large page of copy over to make it possible for the linotype man to set it, — well, it just doesn't get in. S-o-o-! Please write on but one side of the paper.

Air Accidents

There's no reason to be discouraged by the number of air travel accidents. We still have train wrecks, occasionally. We still have hundreds, thousands, of automobile accidents weekly, throughout the country. We haven't noticed a movement to quit driving or to quit riding in the delightfully comfortable travel which modern Pullman and dining cars provide. As long as man operates airlines and trains and automobiles there will be occasional great losses. But we musn't mind — why, haven't you observed that a large number of car drivers seek destruction day after day? In air and other facilities for travel pilots and conductors and engineers seek safety for their charges but human limitations often cause tragedy. As far as possible accident-proof methods are employed in the air. Let's not be too easily discouraged.

A Tough Year

Strolling in the garden with myriads of flowers bowing in a friendly fashion, wafting some of their beauty to us on the waves of their loveliness and the rising aroma of their grandeur, happy are we with the euphony of life . . . then a radio blaring out hate at those of opposing political viewpoints . . . and we will hear so much of that this year. Mohawk's Activities

The traveling zoo came to Mohawk last week and brought out many mothers and small children not previously seen on the playground. Many of the little fellows, with their hearts filled with interest and curiosity, saw live monkies, fox, ground hogs, other small animals and birds, including the horned owl, for their first time.

Mohawk played four softball games during the week. The scores were Schiller Seniors 14, Mohawk Seniors 8; Livingston Intermediates 14, Mohawk Intermediates 8; Southview Intermediates 13, Mohawk Intermediates 8; Schiller Juniors 13, Mohawk Juniors 8.

Many boys and girls are taking part in the physical fitness activities and qualifying for the A.A.U. "physical fitness certificates." These activities also served to get the young athletes ready for the Junior Olympics, later in the summer.

Southeast Lions Playground Story

Lorna Spencer won first place in the broad jump for her class and age. The South Side Leader's Sermonette

This week's sermonette was written by Rev. William A. Roberts, pastor of the Hope EUB Church, and is one in a continuing series by various ministers of the community.

The fine art of appreciation is not developed as it should be, even in Christian people. Indeed, one often finds more evidence of appreciation outside the church than inside. The almost pathetic gratefulness of men women for the smallest expressions of interest indicates the inner hunger of the heart and, at the same time, the carelessness with which too many treat their fellow man. Let me quote you one sentence from a reply to a "thank you" note I received recently: "All my life I have tried to help and comfort people, but I never had anything that warmed by heart and made me feel that perhaps I had not lived my life in vain as your expressions of appreciation did."

The Apostle Paul was deeply grateful for his friends at Philippi and for their continued ministry to his needs as he traveled from place to place. A large portion of the fourth chapter of his letter to the Philippians is devoted to enumerating their many kindnesses and expressing his gratefulness. What can he do for them? He is a prisoner in Rome, his earthly mission rapidly draws to a close. All he can send these friends now is encouragement of a promise based on experience. Here it is: "My God shall supply all your need according to his riches in glory by Christ Jesus." "You have supplied my needs," he means, "and God, on my behalf, will supply all of yours."

If Paul were to look in upon life in this century he would be surprised not as much at our complicated civilization as at the fact that men have learned so little during the centuries about real needs and how these needs may be supplied.

The protective cellophane on new lamp shades should be removed. It will shrivel from the heat of the lamp and pull the shade out of shape.

There ought to be a law! How many times have you said that? When it comes to the cause of most traffic accidents, there ARE laws. All we need are more drivers who will respect them. If you are not driving legally, you're not driving safely. And your life is in jeopardy. The Safety Council of the Columbus Chamber of Commerce says drive carefully—drive LEGALLY.

May the cleansing influence of winds from the mountain of Love make a bit more tender, at least, the hard-heartedness of man. May the inherent beauty of living lose its hating leaches along the way, and may man be kind to man, fair to fellow man, with heart attuned to the excellencies of heaven and earth—and made mellow . . . and useful in human relations.

Mankind's Cradle

I have just received a book containing a report on the operations of the Arabian American Oil Company, the report being made to the Saudi Arab government by the company. Half is in Arab language and the second half is in the English translation. For the immediate purpose, this reference is made because there in Arabia, in the general location of the origin of Abraham of Old Testament fame, modern business America moved in, creating wealth for a country which previously was a barren land economically and physically and spreading education similar to that here at home. Comforts, and ideals, have been evolved through this American corporation doing business in Arabia like unto which no other nation can point.

Public Service

That the local newspaper contributes a constant public service is widely recognized. Th newspaper is the medium through which the minds of the merchant and buyer meet before the buyer has reached the store. Mrs. Buyer takes advantage of the public service offered by the newspaper, finding her shopping easier and more economical, thanks to the local newspaper.

Boys and girls, did you hear about the boy who climbed a tall tree on a dare? He knew it was dangerous, but he did it anyway. Well, he fell off that tree and landed in the hospital! The Safety Council of the Columbus Chamber of Commerce says don't take foolish dares — don't get hurt.

HELLO, FOLKS!

I'm your South Side Leader carrier . . . the boy who delivers a copy of your community newspaper to your door – every week – good weather or bad!

Now I'm going into business for myself and, beginning July 20, I'm going to ask you to help me in my new venture by paying 25c a month for my service. Everyone knows that many famous men got started in life as newsboys and I hope I can also make a name for myself. However, I realize that there will be more to my job than just distributing the South Side Leader. That's where you can be a big help to me, too!

First of all, it's of the greatest importance to both my customers and to me, that I leave copies of the South Side Leader just where they are wanted . . . One family may want their copy left at the side door; another at the rear. Just say where – I'll do the rest.

Then, there is also that possibility that, for one reason or another, you do not receive your paper. In that case, just call HI. 4-9262 and a copy will be rushed to you – pronto!

My boss tells me that everything possible will be done to make the South Side Leader worthy of your readership and support – but we need your help. Whenever you have a community news item, let us know about it as soon as possible.

Remember, I'll be stopping in to see you the latter part of every month and I hope that you will agree that my service to you is worth every cent that I ask. If you don't, I'll be glad to leave you a paper, anyway. We believe everyone should read the news of the community in the South Side Leader.

S. S. Settlement House In Service

For the first year in several years activities have been carried on this summer in the South Side Settlement. Included in the program have been Bible stories, games, crafts, snack parties, and a "sing-for-fun" period. Trips were made to local industries. The program will close Friday, July 20, with a trip to the Columbus zoo. Miss Josephine Beckwith has been in charge of this program.

Approximately 54 boys and girls left last Sunday for Triple S Camp for the fourth camp period of the season. Each of the regular camping periods have had capacity attendance and the final session, which will begin July 29, has complete registration. An efficient staff is in charge with Robert Wolfe as director and Martha Bucke as assistant director.

Mr. and Mrs. James Le Master and daughter, Vickie, of Benfield-av, Mrs. Clifford Garrett and daughter, Mrs. Lillian Wood, took a sight-seeing trip recently in Southern Ohio, Kentucky, Tennessee, and Georgia. Some of the highlights of their trip were visiting Lookout Mountain, Rock City and Mammoth Cove.

Eddie Wood of 615 E. Columbus-st, vacationed in Lake Erie and Canada, spending most of his time fishing. He caught 45 fish.

Billy and Carol Daniels, 2420 High-st, spent a week at Church camp.

George W. Antle, Butch Ruh and John Stalnaker left before daybreak last Sunday on a fishing trip to Buckeye Lake. The fish weren't biting for the boys.

Glenroy Antle, 620 S. Lazelle-st, is a very busy fellow. He is building a new home. Friends and relatives are lending a hand.

Mr. and Mrs. George W. Antle, 37 Dexter-rd, were dinner guests at the home of their son, Glenroy Antle Saturday evening.

Diane Casto, Deering-rd, was an overnight guest at the home of Joyce Ann Ruh last week.

Joe Ward, 620 S. Lazelle-st, has recovered from a siege of the measles.

The Red Wings baseball team played three games last week, winning two. The third game is under protest by Red Wings' managers Ruh and Decker for ineligible players being played against them.

The Monday game was with the Demons of Smith-rd, and the Red Wings came out on top by a score of 19-2 at the end of the first half of the sixth inning, the game being called by the Demon manager, umpire and Ruh. Hall pitcher for Red Wings, struck out 14 and walked 2.

Tuesday night's game was with Whitehall and is under protest.

Friday's game was with the Amvets and the Red Wings won by a score of 11-5.

Mullins' "Little Jets" are still high in the standings by chalking up another game to their credit. They played a game against the Buckeyes of Scioto Trail and won by a score of 19 to 1. The umpire called the game complete at the end of the fourth inning because of the lop-sided score.

The protest game between the Little Jets and the Braves will be played on a future date. The protest was voted on by three umpires and ruled a "no contest" game, to be replayed.

The Snyder family of 175 Deshler-av, is once more on the "home" schedule after a vacation period spent in Vermont, Canada and Michigan. Some of Mrs. Snyder's relatives have a boy's camp in the Green Mountain State, and the oldest boy enjoyed it so much that he elected to stay there for a while.

Many birthdays occur at this time of the year, so the "best" to these people: Essie Buller, 336 Frebis-av, on July 21, and Edna Albrecht, 1407 S. Sixth-st, Roberta Coslett, 504 E. Morrill, on July 25; Pamela Wolford, 311 Parsons, on July 23, and Barbara Clark, who had a July 17 natal day.

After a wedding trip to Florida, the new Mr. and Mrs. Arthur W. Hartman will be at home at 1187 Oakwood-av. Date for their Columbus arrival is July 30.

Roberta Ann Hoodlet and Everett Taylor III will exchange marriage vows on July 22 at 2 p. m. in the Christian Apostolic Church. Miss Hoodlet is a South High alumna and Mr. Taylor graduated from Upper Arlington High School. He also attended Ohio State University.

For those of you who are lucky to have Willa Davis as a friend (as the Gadabout has) this will serve as a reminder that she has a fast-approaching birthday. We're not real sure of the date, but it is in the last part of July. Willa has always been a "friend in need" to all who needed her, and we know that 1956 has been a poor year for her physically, so this is a good time to show appreciation for her past thoughtfulness . . . Isabelle and Franklin Dunkle of 98 Frebis-av, rate belated congratulations for their July 12 wedding anniversary.

Mr. and Mrs. Eugene Martin, with three-months-old Shawn David, are once again Columbus residents. Eugene and Gladys (Snyder) Martin had resided in Orlando, Fla., for over a year, but their friends are very glad to have them "home" again in Columbus, and a hearty welcome to the returnees of 1819 S. Fifth-st.

Rapid recoveries are wished for Mrs. Timmons, 1218¼ S. High-st, who is in Mt. Carmel Hospital, and Mrs. Richard Woods, 1673 S. Fourth-st, who was recently in Mercy Hospital.

Mr. and Mrs. Charles Senters and daughter, Debby, 1869 Bruck-st, together with Mrs. Evelyn Martin and her daughter, Alpha, spent their vacation this year in Canada. The Martins are South Sixth-st residents.

Lorraine Itskin, 1713 S. Third-st, spent his free time this year to traveling to Texas to visit his ailing father.

We have an important announcement for the former members of the Dramatics Art Guild (the group was in existence from 1933 to the end of World War II). There will be a family style picnic at Y Park on Aug. 5, from 11 a. m. on, and the honor guest will be Miss Fleming. She is giving up a week of her own vacation time to make the effort to be present, so the committee is hoping for a very fine attendance. The list of members seems to have become lost during the years, so in order to reach the most members, the committee is depending on methods such as this to get the function publicized. To make reservations, Call Ruth Grpezinger Hoebl, at CL-2-7537. We'll remind you of the picnic in the next two editions, but get your reservation in as soon as possible.

Martha and Morris Jordan, with Raymond, Joan and Jimmy, plus Barbara Stevenson, spent a week in torrid July at Lake Erie, camping by Ohio's own among the Great Lakes. The Jordans live at 66 E. Reeb-av and Barbara lives with her folks at 62 E. Reeb-av.

Get well wishes to Ralph Hughes of S. Fifth-st, who has been ailing this summer.

Comes the time of year to wrap a big birthday package of affection and esteem to present to the Hampton "girls," Donna, Patti and Jerri, of 190 E. Jenkins-av. The respective birth dates are July 19, 21 and 26.

Mr. and Mrs. Harry Ashton and daughter, Janice of 655 Beech-st, left last Monday for a two-week vacation trip, destination Los Angeles, Calif. While in California the Columbusites will visit Mrs. Ashton's sister, Mrs. Fred Schmitthammer.

Bet it was a talkathon when the Spohn and Albin families reunited earlier this week, but mostly we bet it was fun! Mr. and Mrs. George Albin, 836 S. 17th-st, with their granddaughter, Marianne Spohn, have been on a five-week tour of the western section of the United States, visiting all the well-known spots such as Grand Canyon, Pike's Peak, Portland, Seattle, Yellowstone, Hollywood, and San Francisco. Marianne's parents, brother, aunt, and cousins meanwhile had been on a two-week trip to Floorida, enjoying the offerings of that state's facilities and fun. Bob, Louise and Phillip Spohn are residents of 1237 S. Ohio-av, and Louise's sister and "chillum," Fern, Earl and Nancy Rehe, live at 91 Franklin Park West. While in Florida, the vacationers spent an enjoyable visit in Miami with Wes and Mary (DeBries) Walker, who have a villa in that town. (We know them as Pels hereabouts.) Bob got some beautiful color movies of the trip and Louise was "manager-in-charge of the still pictures."

The Ohio-av residents were in St. Augustine, and St. Petersburg as well as the aforementioned Miami. They listed deep-sea diving as one of the things they did on their trip also. (We mentioned Wes and Mary Walker in the Spohn's item because they both are former South Siders. If you plan to go to Miami, it might be a good thing to stop at their place of business, h'm?

A few more birthdays for this time of year are those of Mrs. Willeen Antle, 620 S. Lazelle-st, July 20; Fannie Paskell, 171 Markison-av, July 23; and Ray Lamberson, 622 Hanford-st, July 25 . . . Belated greetings to Betty Dean as of July 12.

Cecil Welch, with his beautiful color "stereo" pictures all developed, is "fresh" back from trip to Europe, where he spent his time in England, Pari and Holland. We spent last Saturday enjoying hi pictorial efforts. Cecil is sponsoring a young Holland youth to come to this country and if his efforts are successful, you are likely to read of the young Dutchman frequently in this column, for he seems to be a very worthwhile young man. (And, you teen-age girls, he's 17, black curly hair and handsome as a movie star!) For those of you who read about Cecil's European trip earlier this summer, this was a longer visit of the same places he "touched" on his shorter trip two years ago.

South High School Alumni, class of 1931 officers are readying plans for a family picnic at the Dispatch Country Club, to be held Aug. 11. This was the 25-year class of this year's alumni reunion.

"Grandma" Johnson of S. Pearl-st, is visiting some of her family in Barnesville, O., at this time.

Mr. and Mrs. Alva Rector, who lived on Beck-st until a few months ago, would love to hear from former neighbors and friends so we'll pass along their address. It is 824 E. Adams-st, Tucson, Ariz.

July 28 is an important date for Mar. McKnight, 2213 Margaret-st, and John Vargo, 262 Hinman-av. On that day they will exchange the vows that unite them in marriage.

A former Buckeye Steel Castings Co. employe who is hospitalized at Benjamin Franklin Hospital would love to hear from his friends, neighbors, and former co-workers. He is Charles (Bub) Knapp, 1854½ Parson-av, now in Room No. 309 North, Benjamin Franklin Hospital.

Mrs. Frank E. Young of 206 E. Innis-av, is reported recuperating at her home after undergoing a serious abdominal and leg operation in Mt. Carmel Hospital.

HI. 4-1051 rang nicely this week, so we're very grateful for that. Keep up the good work, neighbors, and call us to tell about the news in your vicinity, eh? Till next edition then, this is

'. . . Including Service'

The cost of a funeral represents much more than the mere value of the casket and the other merchandise supplied. It includes the personal service of the funeral director — a service which covers a large number of details and relieves the family of many irksome tasks. It includes the advice and counsel of a man who knows all the legal and social formalities surrounding this period of trial. It also includes the facilities of our establishment and the services of our carefully trained staff.

Carriers' Welcome Marks New Delivery Plan Of Home Paper

Following last week's announcement that The South Side Leader carrier boys would seek payment of 25 cents per subscriber per month, the plan was immediately effective, and largely successful, according to a report by Circulation Manager Jack Schluep.

As is usual in the transition from one policy to another and radically different policy, there was some confusion and some misunderstandings. According to publisher and circulation manager, these were natural occurences and were expected in the transition from a "free" distribution system to a slight "pay" system.

Very Small

That the "pay" is slight is indicated by the small amount asked, 25 cents for a month, it was said, and many readers of the Leader paid the 25 cents when the young businessmen Leader carriers asked for the pay. Others were like several who called the Leader office and said, in effect, "We have been getting the Leader for nothing, but we would have it if it cost as much as the big daily, for the Leader brings us the close-to-us doings of our neighbors, and has constantly increased in its popularity," and then the return of the carrier boy to collect the 25 cents was requested.

These incidents were frequent, the circulation department said, carrying out the thought that was expressed when the announcement of the change was made, namely: The South Side Leader is a personal sort of newspaper, a community, a block-by-block newspaper covering the close-to-the-heart affairs of the neighbors who live together in the South Side.

Stands All Alone

The ownership of the Leader long ago expressed the thought that as many people in the South Side had given a welcome to the Leader that it was assured they would be happy to go along with the change in distribution, and pay the small amount of money the carrier boys ask for.

Churches and Others

Publisher C. C. Hartley in a discussion recently pointed out the intimate position the Leader has in the homes and in the social and religious life of the South Side community. He pointed to the publicity support the Leader gives to churches, to their religious plans and to their festivals, shows, dinners, and other means of raising funds to carry on the tasks intrusted to their devoted care. He also referred to the number of items dealing with young people, with the amount of space they receive.

The publisher also referred to the many nice compliments received from parent-teacher organizations and individuals in connection with the aggressive publicity support the Leader gives to school and church affairs, many of them to secure much-needed funds to carry on their important and highly useful activities.

Boys Fit Into Scheme

Carrier boys fit into such a scheme and into such a public attitude with great nicety, it was emphasized, especially notable being the delightful kindness found by the boys in most instances, and with the recognition that the Leader is truly the "home" newspaper in the South Side.

Joining the happy neighborliness which marks the Leader's acceptance in the neighborhood, the assistance their jobs give the boys in preparing for successful careers in the business world, plus the accomplishment of knitting together the web of events in the South Side, it is no wonder that the young "businessmen" who take the Leader to your door, to the spot you designate for him to leave your "home news" Leader, will secure a happy understanding of friendly human nature, and be gladder than ever that they are BUSINESSMEN by the help of their friends, readers of The South Side Leader.

Therein is a blessing for all.

From . . . . . OG's NOTES

Young Business People

Watching small America, our young friends who deliver the Leader to your house, at work, we see the beginnings of things to come in the future. These young fellows may make mistakes, but you may be sure that each time one of them makes a collection for your home newspaper, you are not only buying the satisfaction of knowing what YOUR COMMUNITY is doing, but you are sending a young SMALL AMERICAN on his way to a successful American future. The little charge, which your home newspaper (with its personal touch) costs, 25 cents each month, is so little, yet means SO MUCH, that you should have a thrill in being a part in the making of another AMERICAN BUSINESS MAN and susbstantial citizen.

Undesirable Bars

Recently, in Pennsylvania, a youth, driving with a girl cradled in his right arm, crashed into another car . . . just was too "busy to look for traffic," the youth reportedly told the officer. Three days later the woman and child killed when the youth drove into the center of her car were buried. So was the youth . . . seven years behind bars; and, not the kind where he and his girl had had their drinks.

Scholarship

We have a near neighbor who's doing quite well in preparing for his engineering future. The only South Side "straight A" in the spring quarter engineering class from the South Side, the university sent out notice to the Leader that "John L. Roberts" had established that record. But . . . the parents, Mr. and Mrs. Robert EBERTS, called to say that "John L" was OK for their son's first and middle name, but that he owned EBERTS at the end. We'll take the "A" grade away from OSU for the quarter. And we'll add EBERTS to John L. and applaud his scholarship.

Mrs. Smith Is Grand

It is easily understood why we say Mrs. Smith is grand! She is Mrs. Robert (Clara) Smith, publicity chairman for Wilson Avenue Christian Church Mothers Club. She writes: "The Mothers Club would like to express thanks to . . . the Leader for all the notices you have printed for us. The club has had a wonderful year and the publicity your paper has given has helped. We wish the best for you and the Leader." One with such kindness necessarily is grand!

Pastor To Leave For California

Fred L. Casmir, Minister

The Church of Christ, 735 E. Gates-st, will lose Fred L. Casmir as its minister, who has informed the Leader that the family will leave Columbus for Los Angeles, Calif., Aug 20. He has accepted an invitation to teach at George Pepperdine College there, in speech and language department. He also expects to work with the church in Beverly Hills.

Mr. Casmir came to the Gates Street Church two years ago. Since then a home for the minister has been built, the church has experienced a substantial growth. The Leader recently told of the purchase by the church of a parking lot for the congregation's use.

While here Mr. Casmir has completed work at OSU on his master's degree and his doctorate, except for writing his dissertation, which he will return for next summer. He plans to return to his home in Germany in two years.

Row Over Annexation Routines

Harrison W. Smith, Jr., attorney for petitioners seeking to bring the entire Marion Township school district into Columbus, Tuesday charged that Attorney Thomas Applegate, representing opponents of annexation of the 7100-acre school district, was seeking postponement of the scheduled hearing before the county commissioners July 31, so that signatures might be removed from the petition.

Attorney Applegate replied that the action was in good faith and that the charge was baseless.

Reports have been heard frequently that some of the signers of the annexation petition have had a change of heart, whether by persuasion or of their own volition, depending upon which side one might stand, according to one annexation supporter.

Applegate took the position that the petitioners should file an alphabetical list of signers with the enunty auditor three weeks before the hearing. To this declaration Smith stated that the auditor's office claimed it was too busy to process the 3700 names on the annexation petition.

It was stated, later, that the task of listing the petitioners' names in alphabetical order would be a huge job, although, according to a spokesman for opponents of annexation, such alphabetical listing is required before action may be taken on the annexation.

It was thought the meeting of the commissioners to pass upon annexation will be on the date previously set, July 31.

Mercy Medical Technologist Honored By National Group

Bruce M. Thogmartin, M.T.

Bruce M. Thogmartin, M.T., chief medical technologist at Mercy Hospital, recently was honored by the American Medical Technologists with an "award for distinguished achievement in the profession of medical technology."

Superintendent Charles B. Beard of Mercy outlined the normal responsibilities of the medical technologist in the clinical laboratory.

The technologist, the superintendent said, supervises others engaged in the various chemical, microscopic and bacteriologic tests to obtain data used by physicians in diagnosis and treatment of diseases.

Also the technologist supervises performance of laboratory tests and recording of results. He also directs training of technologists and apprentice technologists.

Securing of specimens for laboratory analysis and preparing tissue for laboratory analysis are other of many functions which the medical technologist performs.

The results of these duties make it possible for physicians to more quickly diagnose patients' illnesses and therefore start treatment earlier and more effectively than in former years, the hospital head said.

Superintendent Beard told the Leader that in a recent survey all the way across the country the average stay of patients in a hospital was shown to be six and a half days, while Mercy's record is an average of six days per hospital stay.

Technologist Thogmartin is married and he and his wife, Jane, live at 1674 Eastfield-dr, with their two children, Kurt, one year old, and Kim, two years. The Mercy technologist spent four years in the air force as a medical technologist.

Show-Offs! Gift From Lions

Some time ago Southeast Lions Club decided that the youngsters who make up summer playground teams in the South Side should be appropriately dressed. Immediately, as usual, plannings was followed by action, as the "Lions" on the T shirts will indicate. The gift was to ball players, as is also indicated by the several team names in the photograph. This "has got to be a regular Lion habit," one woman said when the photographer took the picture. All in all, the big gang of baseball players made a happy crowd as they proceeded to "Strut their stuff."

Get-well wishes are very much in order for Julia Wilson, 1624 S. 8th-st, who was a patient in Mercy Hospital last week. Julia is at home, and naturally is in quite a weakened state. (We know, we called to see if anyone could tell us when she'd be home, and she answered the phone herself!) Cards would be a more thoughtful thing than personal calls for a little while and we hope she hears from all her friends.

Two officers of the Apogee Club are South Side residents, so "happy officring" to Mrs. Joseph Woerner, 1219 Wager-st, vice president, and to Mrs. Wesley Payne, 1241 Bruck-st, secretary.

Deanna Brewer, 523 Sheldon-av, underwent a tonsillectomey last week and our information is that she is getting along very nicely. Deanne is a ninth-grade student at Barrett Jr. High School.

Happy birthdays to these South Siders: Jessie Landes, 1587 S. 4th-st, July 27; Richard Donavan, 297 Markison-av, July 28; and Carl Burton, 240 Southwood-av, July 30.

Southwood Church of Christ will hold its annual picnic at the South Side "Y" Park this Saturday from 1 to 8 p.m. The highlight of the day's festivities will be a baseball game between the "Old Feeble Men" and the "Young Spry Boys." The 6 p. m. meal will be a covered dish supper. The activities will come to a close with a fellowship hour and a devotional program.

Quite frequently we report about Columbusites who are visiting in California, but today's column is a reverse procedure. Former Columbus residents, now Californians, made the eastern trek, so we'll tell you about them. Helen and Jane Ely spent a very short time in Columbus, staying with Mrs. Herman Schneider over the weekend, then returning to Detroit to visit relatives before journeying to the coast and home. Helen, Fred, and Danny Driscoll were expected in Columbus this week. We'll know more fully about their plans after they get here, but we imagine they will stay longer than the Elys, as most of their relatives are still in Columbus. The Driscolls moved to California about a year ago.

The Lachowsky family of Gilbert-st, made a quick trip to Michigan a short while back with their two little sprouts and came back sans sprouts, but had two teenagers instead. It really was not too complicated for Ida left Greg and Nancy to visit with her sister and brought back her niece and the niece's girl friend, Patty Pierce and Helen Green. Ida has had a fine time showing the Buckeye State's Capitol to the girls and Patty and Helen have enjoyed it immensely. It's quite belated, but we'll include good wishes for the Lachowsky's on their July wedding anniversary.

We promised to remind the Dramatic Arts Guild of their reunion picnic on Aug. 5 at the "Y" Park, so we'll do it at this time. Miss Fleming will be there, so that makes it a really outstanding reason to be there. For reservations, call Ruth Groezinger Hoehl, at CL. 2-7537.

Wing 43, Nightingale Cottage, has scheduled a picnic for members and their families this Sunday, July 29, at the "Y" Park. Starting time for the affair is 1 p.m. Mrs. Jack Byron, 867 Siebert-st, is chairman of the picnic and assisting her are Mrs. Parker Swain and Mrs. Richard Eichenlaub.

Wedding congratulations will soon be appropriate for Nancy Jean Emish, 1178 Studer-av and Gerald Sutterfield, 932 McClain-rd; also for Ruth Berliner, 797 Carpenter-st and Alvin Stone, 290 N. Chesterfield-rd. Nancy Jean and Gerald will have a July 28 wedding, while Ruth and Alvin have chosen Aug. 2 at their nuptial date.

That does it for this time. Don't forget to call HI. 4-1051, we'll be glad to hear what YOU'VE been doing. Till next time, then
— Tis The Gadabout

CARD OF THANKS

In loving memory of our beloved daughter, Rachel Winegar Swarts, who passed away, July 26, 1940. They say time heals all sorrow, that we will soon forget but—16 long years have passed away and we miss our Darling yet, but God gave us strength to bare it, and courage to bear the blow, but what it meant to lose you, Rachel no one will ever know—We sadly miss you, Rachel.

Mom, Dad, Floyd & Mary Winegar.

Where Will Half These Children Go?

Here's one the of big questions we're going to have to answer this school year. With more children than ever before starting to school – 1,856,600 as a matter of fact – many communities are facing the prospect of half-day schooling for their children. Is this the best education America can provide? Are our children going to get the books, teachers, schools and equipment that they deserve? Are we going to see to it that the future citizens of our community get the traditional fine education so necessary to a strong and vital America? Our hopes and dreams for tomorrow rest with a better informed, more useful, wiser citizenry! It's up to you! The education of our youngsters is in your hands.

In cooperation with the National Citizens Commission for the Public Schools this advertisement is sponsored by the public spirited business firms listed below.

Maj. Widden Ends Service Training

Army Reserve Maj. Howard J. Widden, whose wife, Rose, lives at 1641 Wilson-av, recently received two weeks of active duty training at Fort Lee, Va.

The training, which ended July 21, included weapons firing and familiarization with the latest developments in army quartermaster procedures. Major Widden is a supply officer supervisor with Royer and Rogers, Columbus.

St. Leo's Girls Are Undefeated

In the SSY Girls Church League last week, St. Leo's, who has now won nine games in a row, upset last year's champions, Corpus Christi 23 to 4. The Corpus Christi girls tried hard, but the gals from St. Leo's had too much power at the plate. Corpus could get only four hits off Sue Miller, St. Leo's pitcher. Ashbaugh had a double and single, which was best for Corpus Christi.

To furnish the St. Leo's power, Hanf hit two doubles and two singles, while Baumann had a perfect night with a double and three singles. Pitcher Sue Miller hit the longest ball when she trippled in the fourth inning. In the other girls' games Southwood C of C downed St. Johns E&R, 17 to 3. Pitcher Vivian Chatton allowed only three hits. Priscilla Dickey had four hits to lead Southwood. For St. John E&R, Sheila Metzger had three hits. Washington EUB girls' shutout Oakwood Methodist 10 to 0. Pitcher Mary Wagner of Washington allowed only two hits. Mathais and Crias had three hits each. Anderson and Krumm got the only hits for Oakwood. St. Paul E&R outscored Thurman Methodist 18 to 16. Tope and Junk hit best for St. Paul, while Pherson and Walters had three hits each for Thurman.

Small Boys

In the Monday night Jr., Boys League playoff game, the small boys from Washington EUB, showed that size doesn't always matter when they upset Oakwood Methodist 11 to 7. Jimmy Crip kept Washington in the game with several nice fielding plays from his shortstop position and plenty of timely hitting. This game gave Washington the right to play Central Community for the second-round championship.

In the Wednesday night boys' league only one game was played. Emmanuel Lutheran defeated St. Paul E&R 9 to 4. Tom Lewis hit best for Emmanuel. Lee, Reich, and Boland hit best for St. Paul.

Intermediate

In the Intermediate League St. John E&R remained out in front by edging Emmanuel Lutheran 6-5. Pitcher Ron Atherton of St. Johns gave up only one hit. Catcher Port had three hits in four trips to the plate and Meyers slammed a home run to lead St. John. Don Roberts got the only hit for Emmanuel Lutheran. Oakwood Methodist outslugged South Methodist 20 to 12. Newell hit two home runs for Oakwood. Bauer hit best for South Methodist.

Southwood C of C downed St. Paul E&R 21-5. Bayes had four for five to lead Southwood. Spanner had two hits for St. Paul.

Three-Quarter Midgets Appear At Speedway

The new tenth-mile oval at the Williams-rd Columbus Motor Speedway will be inaugurated Saturday night when the Midwest Three-Quarter Racing Association of Muncie, Ind. comes to town. It is the first time three-quarter midgets have ever appeared in the Columbus Area.

Top divers from Indiana, Kentucky, Tennessee and Ohio, including Cy and Pete Burnette, Ron Frary and Vern Faller will be driving. Time trials will be at 7 p.m., with the first of seven races starting at 8 p.m. Climax of the evening will be a 40-lap feature.

More O.G.'s Notes

"And It Shall Return"

Another "marvel" is coming, and from the minds of technological man rather than as a "divine mystery", as in ancient days. The immediate "marvel" under consideration is the plan to fetch water from Lake Erie to farm lands and cities as much as 100 miles from the lake. Which takes our thoughts back to a biblical misquotation, "The rose shall bloom in the desert," probably originating in ancient Chaldea. Our "marvel" is to be the result of mathematics, research, scientific knowledge — and for many miles south of the lake across the top of Ohio unto the Indiana border, farms and lawns and reservoir of water for all purposes will make the presently desirable places immeasurably more so, with ample water for ages to come for every need. And the waters shall return to the Great Lake from whence they came. The Lake Erie Ohio watershed assures that when the supply drawn has done its required helpfulness it will return to the great Erie, joining the infiltration from the far, far north which keeps the Great Lakes at proper level age after age.

Old Story Retold

Last week an important social item about a group picnic had to be omitted because of two things: there were two illegible words and one abbreviated word not understandable to the editor—and, there was no signature, no telephone number, no address, there were the names of four women whose FIRST, or GIVEN, names were used without identifying married names. First names for married ladies are all right, of course, but there's no way for a newsman to find one's telephone number to clarify a piece of copy.

Let not happen which I wish, but that which is right—Menander.

STRENGTH FOR THESE DAYS from the Bible
But your iniquities have separated between you and your God, and your sins have hid His face from you.... —(Isaiah 59, 2.)
It is our own willfulness, selfishness, weakness, that keep us from most enjoyable living and being fully in God's love, His perfect good—and yet, His mercy forgives and accepts the truly repentant heart.

Hello:

An order which we often fill is that of a husband for a perfect rose for each year of marriage-a lovely anniversary gift for a wife. New babies, too, mean loving gifts of flowers from proud daddies, beaming grandparents, aunts, uncles and friends. We do like to make up those pretty little baby novelties.
Flowers are traditional, too, for the perfect birthday gift. Did you ever remember to send Mother flowers on your birthday? That is really giving thanks for the privilege of being here. To cheer the shut-in or hospital patient, what better medicine is there than beautiful flowers?
No matter what the occasion, flowers fit in perfectly. We strive to have every order leave our shop as fresh and well-designed as possible. Call us the next time you need flowers. We will be happy to serve you.

Hundreds Cheer Marion Twp. Annexation Vote

Commission In Unity In Approving Petition Bringing Disputed Area Into Columbus

History was made in Franklin County Court House Tuesday, when county commissioners approved the annexation of the entire Marion Township Local School District. The area consists of 7100 acres — more than 11 square miles.

Unanimous

Action of the supervisors in approving annexation was unanimous surprising since commissioner Harry T. Vigor was considered an apponent of annexation.

A large group was on hand for the proceedings and it showed its approval of the commissioners' decision when the unanimous vote was given.

Adjust With City

Commission Chairman Henry A. Koontz told the more than 400 persons who crowded a court room that the commissioners would work out two points with the city. These are:

1. Present garbage and refuse collection system will continue under county supervision with the city paying the bill.

2. Short sections of Williams rd. and Alum Creek dr., omitted from the annexation petition, will be included in an amended petition.

Attorney Thomas Applegate representing annexation opponents called upon six township officials and residents to testify against the move.

Implies Selfishness

At one point, he charged the investigators of the move were officials of the Great Shopping Center.

This brought a denial from Attorney Charles V. Schwenker, representing the shopping center.

Attorney Harrison W. Smith Jr., representing the pro annexationists, estimated 69 per cent of the freeholders in the area signed the petition and that this amounted to a "mandate" to the commissioners.

Smith called upon Columbus Service Director Floyd C. Reddick to answer questions concerning extension of city services.

The attorney pointed out that some 10 other annexations of Marion Township to Columbus had removed about 50 per cent of the township's tax duplicate.

Threatens Injunction

Following approval by the commissioners, Charles Napp, annexation opponent and operator of a trailer camp at 355 Obetz rd, announced that he would file suit to prevent the city's acceptance. He was quoted as saying:

Even if we knew we were going to lose, we would restrain the city from taking the land just to harass them. After that, we can get a city resident to file a taxpayer's suit. The city may get the area but we will make trouble for them."

Other members of the opposition felt they could not financially afford to take the question into court.

If no court action is taken, the area is expected to be accepted by the Columbus City Council in October.

Guiding Hands For Swiss Picnic

Pictured are (front row, left to right) Emma Wolf, Alpenroesli Society; Herbert Kunzi, general chairman and president of Swiss Home Association; Clara Albert, Edelweiss Singing Society. The program, Kunzi said, includes refreshments, food and dancing with the music of Al Baumbusch and his orchestra. This affair draws a large crowd from a wide area, the president stated.

Junior Olympics At OSU Stadium

The annual Central Ohio AAU Junior Olympics track and field meet, conducted by the Columbus Recreation Department is scheduled to be held Aug. 3, and 4 at Ohio State University Stadium. Patterned after the Olympics, this track and field meet offers 47 different events for boys and girls 17 years of age and under. Any youngster may enter three events in one of the following age groups which correspoonds to his or her age: 11 and under; 12 and 13, 14 and 15, and 16 and 17.

All boys and girls in the 11 and under and 12-13 age groups must compete in a preliminary meet Friday, Aug. 3, at 5:30 p.m. at O.S.U. Stadium, in order to qualify for the finals.

The field events for all age groups will begin at 12 noon, while the track events will start at 1:15 Saturday, Aug. 4.

Entry Blanks

Entry blanks, available at Room 124, City Hall, and at the City's 56 playgrounds were to be completed and returned by all contestants, to Room 124, City Hall by 5 p.m. today, Thursday, Aug. 2.

In addition to the track and field events, some of the Olympic pageantry will also take place. At 12 noon Saturday, the Olympic torch will be carried from City Hall by a relay team from Glenwood Recreation Center, and will reach the O.S.U. Stadium in order to officially open the 1956 Junior Olympics. All the contestants will participate in the parade of champion around the track preceding the "Olympic Oath" which will be led by N. J. Barack, recreation director.

All five place winners in each event will receive certificates of award and place ribbons from five teenage Junior Olympic queens. Certificates of participation will be awarded to boys and girls who participate in this event.

Thurman Ave. Couple Married Nearly Three-Score Years

Mr. and Mrs. C. E. Ketter, 88 Thurman-av, have a celebration ahead. But it is not a golden wedding celebration for them. That's all behind them, and tomorrow, Friday, they will quietly celebrate their 57th wedding anniversary, with only immediate members of the family attending, on account of the death of Mrs. Ketter's sister in Sunland, Calif., Saturday, June 21. Mrs. Ketter is the last surviving member of her family. Five children will participate in the observance, they are Mrs. Helen Ross, 90 Mithoff st; Charles Ketter, at home, Mrs. Pearl Stuckel, 885 S. Broadleigh, Mrs. Bertha Walters, 90 Thurman-av, Frank Ketter, 170 Thurman-av. The couple also have six grandchildren and nine great grandchildren. Mr. and Mrs. Ketter are shown in a former anniversary festival moment.

Deshler Teams Given T-Shirts

Announcement has been made that members of the Little League teams at Lockbourne Deshler playground have been presented with T-shirts by the United Commercial Travelers of America. Each player on the seven teams was presented with one of the T-shirts, according to the announcement.

Injured Girl Said Better

A two-year-old girl who was hit by a bicycle last week while playing in the alley at the rear of her home was reported, early this week, as improving in Children's Hospital, where she was taken immediately following the accident.

The child is Deborah Lynn Brigham, daughter of Mr. and Mrs. Theodore Brigham, of 684 Morrill-av, and an only child.

The 13-year old bicycle rider was cleared of blame, according to Patrolman James Bonham of the Police Juvenile Bureau, who said the boy tried to avoid hitting the girl. Witnesses told Bonham the boy stopped after the accident, but was frightened away by the angry words of the girl's father.

SOUTH SIDE SUMMER PLAY IN HIGH POPULARITY

Surveys recently made indicate, according to investigators, that use of the parks and playgrounds is at an all time high this summer.

from..... OG's NOTES

A Hope

Our hope is that this sewage disposal problem may be washed away in good feeling and high accomplishment. And, it should be added, the hope includes getting rid of noxious odors, spoiling swimming places and camps. Another hope is that we maintain our tempers, work in harmony, give credence to the utterances of those with whom we honorably disagree.

• • •

Out of the Darkness

Out of the darkness of Night's ocean with the rhythmic beat of the engines as the ships were gliding through the waters, came stark tragedy. Happily the spot was high grade for rescue work in the lane of vast numbers of ships. Yet just a little more damage to the Swedish ship, and it's discouraging to contemplate what might have happened. However careful man may be, the unexpected happens. . . calamities such as the wrecks in the Grand Canyon, wrecked cars, and the two ships. Be happy that we escape, at least yet a while. But don't be TOO SURE.

• • •

There's a Song . . .

One of the beautiful hymns sung by the Christian world begins with those three words, going on . . . 'and a baby's low cry?' . . . remember it? Much of the great values that enrich human life have come to us through the agency of spiritually inspired song, their words and music. Let's sing them often!

We Mourn

All the people of the South Side will mourn with Mr. and Mrs. Joseph Alva, 37 W. Gates-st whose son (adopted) was drowned in the Scioto Tuesday. We grieve with them.

Band Outfits To Be Earned At 'Store'

Band uniforms will form a subject of some importance at Hamilton Township High School with the coming of the fall season, according to an announcement this week.

That means the expenditure of money? Where they get it? That's a question which has been resolved by the Music Boosters Club of Hamilton Township High School, the answer being a Country Store, plus the people who attend the affair and spend money, which will be converted into band uniforms. It was stated in the publicity release.

The Country Store has been set up for this Saturday and it's an all-day affair, beginning at 9 a.m. and continuing until 9 p.m. They say there will be refreshments all day, a fish pond and a lot of games and things.

Half an hour prior to store closing time square dancing will begin (8:30 p.m.) and continue until 11:30.

The editor was just now asked to "just mention the fact that proceeds will go to buying uniforms for the band." It is mentioned.

Jos. Cunningham Loses Life In Scioto, Caught By Swift Current

Scioto River Tuesday claimed another youngster of the South Side. He was Joseph Alva Cunningham adopted son of Mr. and Mrs. Joseph Alva of 37 W. Gates st.

Three boys who were with the drowned lad told Patrolmen Paul E. Shaw and James J. Roenker of the Police Juvenile Bureau the boy and three companions went to Schiller Park early in the afternoon, but left after about 15 minutes.

Then they decided to go fishing beneath the abandoned Meier-st. trestle, which formerly was used by a city train to haul refuse to the garbage disposal plant across the river.

His Cousin

With the Cunningham boy were his cousin, Eward Urban, 9, of 175 Chittenden-av; Charles Cordell, 11, of 1190 S. Front-st, and Steven Kredel, 8, of 1036 S. Front-st.

The dead boy and his cousin entered the water and after about five minutes he called for help. Apparently he stepped off into the swift current and was carried about 50 yards from shore. That was the last time he was seen.

His companions became frightened and separated, the Cordell and Kredel boys returning to their homes. The Urban boy went to the Alva home, but it was not until 5:30 p.m. that he told Mrs. Alva what had happened. She immediately notified police, who were still investigating the "kidnaping", which earlier had been reported.

Joseph, who would have entered the second grade at Stewart Avenue School this fall, had been reported missing by his mother at 4:30 p.m., after an unidentified boy said her son had been forced into a car by three older boys in Schiller Park.

Seeking Boy

Firemen took the boy's mother to Mercy Hospital, where she was treated for shock. The father said Joseph was never allowed to go near the river alone. He was the only child of the couple.

The Columbus Fire Department dragged the river for the body until late Tuesday and were to continue Wednesday. However a relative of the child found his body at 8:40 a.m. Wednesday. It was found on the east side of the river, about 100 yards south of Meier-st. trestle.

Opponents Dazzled By Hot Pitching In S.S.Y. League

Two no-hit games and one big upset were the big news in the SSY Church leagues last week.

The first no-hitter was pitched by Duck Henry of Southwood C. of C. as they downed South M. E. 12 to 3. Henry struck out five and walked eight in his nights work. In the hitting department, Henry and Day were the big guns, with two for four.

Friday evening, in a game in which St. Leo's girls needed to win the title of the first round, Sue Miller pitched a no-hit-no run game. Sue struck out three and walked only four, as she faced only 21 batters in the five inning game. In this game, which St. Leo's won from St. John E. and R. 18 to 0, Miss Miller was backed up very capably by Buchman on third, Applegate on short, Ehelberge on second, and Duckworth on first. In the outfield playing errorless ball were Lynch, Bauman, Driscoll, and Hant. Behind the plate the reliable Mary Thiel directed Sue Miller in her near perfect no-hitter. This St. Leo's girl's team, coached by Charles Kaiser, has now won 11 games in a row.

St. Leo's Intermediate team also figured strongly in the news this week, as they upset previously unbeaten St. John E&R 5 to 4 in a well played game. St. John, behind the five hit pitching of Ron Atherton, actually out hit St. Leo's, but left too many stranded on bases.

For the hitters Atherton and Lupfer each had three for four, for St. John. For St. Leo's, Eberts and Duckworth hit best. Typical of the good play by both church teams, was the outstanding and rally stopping catch made by centerfielder Reis of St. Leo's, when he reached up with one hand and caught the long fly ball, hit by Evans of St. John, for the last out of the game.

Southwood C. of C. girls stayed in contention for the second round when they upset the strong Corpus Christi team 10 to 2. Vivian Chattos had a no hitter going till the sixth inning, when Greisenbroch singled to left. As is was Chattos twirled a neat three hitter. Fans of both Southwood C. of C. and St. Leo's are expecting quite a pitching duel when Sue Miller and Vivian Chattos come together. Getting back to the game at hand, Schilling, Greisenbroch, and Welpe were the only three girls to secure hits for Corpus Christi. Ruth Walston banged out a homer and Jean Flovin and Dixie Eseman each hit two for four.

In other games last week St. Paul E&R girls downed Washington E&R 7 to 2. The game was tied two all until the fifth frame.

Making A Newspaper Is An Important Service

By Oliver Gedeist

The making of a newspaper has been recounted in several articles in the South Side Leader. The present discussion deals with one of the major problems of making a newspaper.

It is a trite saying in the industry that "it's no good if you make it, if you don't distribute it." And that's a fact, too. So, what do we mean by distribution . . . distributing the paper? It's just this: it's getting the paper into your hands — in to the hands of all the readers. That applies to the greatest newspaper in the world, if there is a "greatest", it applies to the popular magazines lying on your tables, it applies to our Ohio dailies and weeklies, big and small, identically alike, except the problem grows with the bigness of a publishing business.

The Human Factor

In all these great and small publications human agencies must be used to get readers to want the paper or magazine like the young fellows who are "selling" Ohio business eye teeth in soliciting for customers and delivering The South Side Leader to you. They are the human factor, along with YOU, another human factor. The other human factor is US, that is, the group of people who put the material together and turn out the "creation" which we call NEWSpaper.

Must Be That

A newspaper must be just that —a NEWSpaper. That does not mean that every column must be filled with "hot" big news, not at all. What is meant is this: the paper must carry community news and items and stories about INTERESTING subjects. Since this series of articles on newspaper making began, many people have expressed appreciation because we have been taking one section of making a newspaper and treating it, just as in this story on circulation. Many of these friends say such articles show them angles of newspaper work which they had not previously thought about. So, accepting subscribers' assessment of value, this immediate article ranks among the articles which constitute at least one form of NEWS in NEWSpaper.

Manager Is Interested

The circulation of a newspaper carries much responsibility to a circulation manager. His efforts, and the efforts of the budding young business men who solicit subscribers, deliver the Leader, and then collect (25 cents for a month, isn't it?) for it must be successful if the newspaper is to continue in its widespread and devoted service in the community.

Now, let's look at a community

Sets Keynote For St. Mary's Homecoming

St. Mary's new school building will have to be paid for, Rev. E. Burkley, pastor, told the Leader reporter, and it will be ready for school use in September, he said. The grouping of the children around the priest is symbolic of the keynote, "We must have the school for our children." As a result of this, the proceeds from the annual homecoming of the parish are expected to be devoted to paying off at least a substantial part of the cost of the new building.

Shown with Rev. Burkley are, kneeling, left to right, Larry Pfeifer, son of Mr. and Mrs. L. Pfeifer, 314 Columbus-st; Ronnie Campbell, 800 Jaeger-st, daughter of Mr. and Mrs. Charles Campbell; Jerry Esselstein, son of Mr. and Mrs. H. Esselstein, 808 Jaeger-st; standing: Jeanne Esselstein, Rev. Burkley, Janet Esselstein. Homecoming festival dates are Friday and Saturday, Aug. 17 and 18, beginning at 6 p.m.

Miss Irene Raish Becomes Bride Of Miller In Church Of Latter Day Saints Ceremony

MRS. MELVIN MILLER

At 7:30 p.m. Saturday, June 30 in the Reorganized Church of Christ of the Latter Day Saints, Miss Phyllis Irene Raish, daughter of Mr. and Mrs. Herman Raish, 27 Woodrow av., became the bride of Melvin Miller, son of Mr. and Mrs. Roy Miller, 624 Elizabeth av. Elder Emmet Madden preformed the ceremony before an altar decorated with baskets of white and pink gladioli, palms, and seven branch candelabra.

Escorted to the alter by her father, the bride wore a gown fashioned of Chantilly lace and nylon tulle over taffeta designed with a portrait neckline of pleated tulle and scalloped edged lace enhanced with rice and seed pearls and iridescents, brief sleeves and lace trimmed gauntlets. The lace basque bodice complemented the buffant floor length skirt of shirred panels of tulle and scalloped edge lace inserts studded with jewels. Clusters of flowers caught up the drape effects that billowed over a tulle skirt with a deep flounce and an old fashioned hoop.

The finger tip veil of French illusion was caught to a half hat of matching lace appliqued on tulle and studded with pearls and jewels. She carried a cascade of white roses and carnations centered with an orchid, ivy and white satin leaves entwined her bouquet.

Mrs. James Ogden, a cousin of the bride was matron of honor, and one of the two bridesmaids. Miss Jo Ann Paul, was also the bride's cousin, while the other bridesmaid, Miss Dolores Raish, was the bride's sister. They wore embroidered nylon ballarina length gowns designed with fitted elongated bodices and scoop necklines. The bouffant skirts cascaded over crinoline petticoats. Mrs. Odgen was attired in pink and the other attendants in blue. Matching picture hats and fan shaped bouquets of pink roses completed their outfits. James Odgen was best man. Ushers were Frank Mullen and Jerry Lanael. Standing up with the wedding party Edwin Seitz and George Overly.

One half hour of organ music preceded the wedding, being played by Mrs. Twyla Westhoff, aunt of the bride. Mrs. Helen Steward was the vocalist.

A reception was held at the church. The bride's mother received the guests in a gown of aqua sheer nylon over taffeta. Her accessories were pink. Mrs. Miller chose blue nylon with white accessories. Each wore a corsage of pink glamellias. Hostesses were Mrs. Edward York, Alphretta Henkel, and Wilda Moore.

The new Mrs. Miller attended South High School and is now associated with the Credit Office at Richmond Bros. Clothing Co. The bridegroom attended East High and is a shipping clerk at Jefferies Mfg. Co. The couple live at 59 Roch av.

The mother of the bride fashioned and made the gown worn by the bride at her wedding.

NOTE — At the end of this "The Gadabout", Priscilla tells of her change of plans." Let's help her. On Monday, Aug. 6, please call the editor on this number only: HI. 4-0618. Do NOT call on the regular published number in the directory.
—The Editor

Nearly 100 per cent of Gus Weber's family gathered to honor him on his birthday last Saturday, July 28. Grace and Francis Frye of Pittsburgh had about the longest trip to make, as most of Gus' large family are still Ohioans. Our best wishes to this grand old man of Groveport Pike.

Franklin, Isabel and Sharon Dunkle, Frebis-av, are spending a few days exploring the recreation facilities of northern Ohio, around Cleveland and Lake Erie. They may make a quick trip to Pennsylvania to say "hello" to some of Franklin's relatives.

Maurine Ruden, 901 Heyl-av, entertained her uncle from Cleveland not so long ago. The uncle is Art Cox.

Our ailing list today is too well populated for we'd rather think of people full of vim, but such is not always the case. Those who are ailing at this time are Mrs. Lida Timmons, 20 W. Markison-av, Ricky Robison, who has the mumps; Ed Borror, 98 E. Moler st, Mary Eichel, 1341 S. Third-st, and Gertrude Ramey, 1721 S. Third-st.

A belated birthday greeting to Diana Leach, who "upped" a year on July 31. Diana is a resident of 99 Reeb-av.

Sympathy at this time is appropriate to relatives of Harold Van Gundy. Our sympathy, too, to Freda Yates, who lost her father, and to June Hazelbarger who lost a sister not so long ago.

Wanda Haney, formerly a Columbusite and now an Oklahoman, is currently in town visiting friends and relatives.

The last reminder for the Dramatics Arts Guild picnic, Aug. 6, at the South Side "Y" Park at 11 a.m. The affair is a family-style picnic and Marguerite Fleming will be the honor guest. Reservations are to be made by calling Mrs. Hoehl, at CL. 2-7537.

Mary Jane Chevrier and son Dicky will be visiting their Columbus relatives very shortly. Mary Jane's South High schoolmates would recognize her better with the last name of Koets. She is now an easterner with residence in Fairlawn, N.J. She is expected about Aug. 11.

The Apogee Club will hold a family picnic on Aug. 5 at Blendon Woods. Time is set for 4:30 p. m.

A new boy is part of the Carl Turner household, since July 6. He's also Carl, but not quite junior, for his middle name differs from that of his dad. The Turner Clan lives at 481 Sheldon-av.

Birthdays at this time of year: Jonny Leist, Aug. 5; Pamela Haynes, 799 S. Front-st; Aug. 7; Carol Loska, 164 E. Gates-st, Aug. 5; Lillie West, 449 Reinhard-av, Aug. 3; Phyllis Doavan, 297 Markison-av, Aug. 4; Harry Bradford, 37 Morrill-av, Aug. 7; Lydia Oursler, 42 W. Markison-av, Aug. 7; Vernon Vanscoy, 1412 S. 5th-st, Aug. 8; and special greetings to a former Columbus resident, Dora "Granny" Hazelbarger, who will be 92 Aug. 5. She's not feeling too well, so a card would be nice to send her at Borders Rest Home, Warsaw, O.

By "snooping" at a pretty picture card my daughter received, I discovered that Eddie Ann and Gerri Boughman spent a few days in Dayton, O., visiting Dick and Pat Baughman. (See the things I do to get the news.)

Violet Schroyer, 163 E. Jenkins-av, after an extended stay in the hospital, is now convalescing at home.

Henrietta Sabine, whose pleasant voice greets you when you call the Leader office, is on a "relaxing" vacation at the present time. Right next door, the Kurly Lock Beauty Shop is in an inactive state, for Marie Long is vacationing. Buckeye Lake is where Marie is taking a much-needed rest.

What Was The Parade?

It was the people from St. Paul Evangelical and Reformed Church on their way to the South Side Y Park for their annual Sunday school and church picnic. It was last Sunday afternoon, when a large part of the congregation met at the church to decorate their cars and with the aid of three police escorts, had a merry time going down Parsons-av, creating much wonderment. Devotions early in the evening preceded a square dance. Much thanks goes to the committee that planned this afternoon and evening of entertainment.

Her Change of Plans

How our plans get changed! We expected to be writing that the Gadabout was going to relax in Michigan this week-end, but wha' hoppens? If plans were carried out that were made last week, we'll be a patient in Mt. Carmel Hospital when you read this. After a few "cutting" remarks, Dr. Swarzell will preside at the "grand opening" of ye Gadabout, then all we have to do is to recuperate. We will attempt to continue the column, however, so we will suggest that you mail the items to the Leader office this week. The address is 1542 Parsons-av, for your convenience. Our writing hand shouldn't be affected, so you'll be doing us a big favor to give us something to do to keep us mentally busy. We'll appreciate it.

Till next column, then — 'tis

C. H. Frank Rites Today

Charles H. Frank, 93, of 123 E. Deshler-av, former member of the board of trustees of White Cross Hospital and Gates-Fourth Methodist Church, died Tuesday in White Cross Hospital.

Former chairman of the board of trustees of White Cross, on which he served for more than 55 years prior to becoming trustee emeritus in 1954, he also was a member of the Gates-Fourth Methodist Church board of trustees for 58 years, becoming an honorary trustee in April of 1954.

Mr. Frank, who served as deputy county treasurer from 1937 until his retirement in 1948 had at various times throughout his long public career served as a post office clerk, cost deputy in the County Clerk of Courts office, and secretary of the Board of Public Works. He was in private business as a contractor.

A charter member of Gates-Fourth Church, he was a former treasurer and had sung in church choirs and the Republican Glee Club for more than 75 years. He was a member of the Chanters, a singing group of the Shrine, and various Masonic organizations.

Survivors include a son, C. Melvin Frank, of the residence.

Funeral services will be held at 2 p.m. Thursday, in the Denion, Donaldson and Kuhn Funeral Home, Rev. S. R. Martin conducting. Burial will be in Greenlawn Cemetery.

Our Ideal of Service

★ ONLY THOSE who have suffered a loss know what a relief it is in the suddenness of breavement to be able to call someone who knows what must be done and how to do it. What a comfort it is to shift the burden of practical details on the shoulders of a kindly, thoughtful friend. This is the ideal which inspired the evolution of the modern funeral director. We are not merchants or masters of ceremonies, but professional men who must combine executive ability and knowledge with sympathetic service.

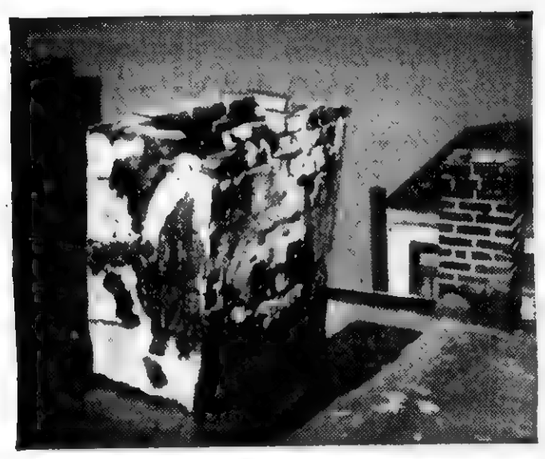
IS YOUR NEIGHBORHOOD FREE FROM THE THREAT OF BLIGHT?

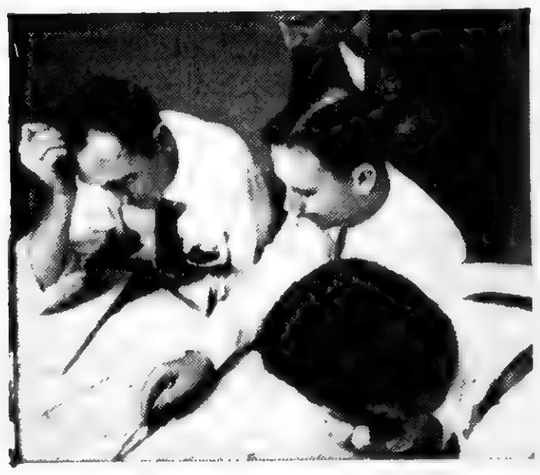
Check the safety of <u>your</u> home and community here:



You cannot ignore your own future

Few people realize how great a menace slums have become. Fewer still realize how slums start. With five million of our homes outright slums, and twenty million others threatened with decay, the need for alertness is acute.

Slums just don't happen overnight. They are a silent enemy, creeping in house by house. They spread stealthily, block by block. They thrive on neglect and carelessness. Through a few people losing pride in their property . . . through ignorance, indifference, complacency . . . through slipshod housing or zoning laws . . . through these small flaws a slum grows to full strength.



Guard against this creeping blight. Use this simple check list at the right to measure the safety of *your* home and neighborhood.

Blight breeds from small beginnings

These check-list questions pinpoint the most common danger spots. To ignore such flaws, and the many others like them, is to open the door for slums.

Blight needs only a tiny toehold in one home. It spawns on small sores and swiftly surges outward to ravage whole communities. Timely renovations and repairs protect your home. Intelligent group action preserves the security of your neighborhood. Remember — the worth of your home can increase or decrease as your neighborhood improves or declines.

Now is the time to take ACTION

If your home or neighborhood scores low on this test, it is your right and responsibility to act. You can encourage many others by your example.

Chances are there are some outright slums in your area which must be torn down. Others can be remodeled or rehabilitated—given a new lease on life. By supporting the groups which seek to provide adequate local housing, which fight substandard living conditions, you are playing a vital part in protecting both your community and country.

The battle against blight benefits everyone. Each of us has a very personal interest in seeing that it is won.

Southview Crafts Hold Children

Last week during craft period the boys and girls made coin purses and diaramas, both of which were new and enjoyable experiences for them.

This week the children of Southview playground are organizing and preparing their arts and craft work for the all-city playground art exhibition to be held Aug. 13 at City Hall, open to the public.

Hobby Show

On Wednesday evening a hobby show was presented. The winners were as follows: Karen Chicki, best all-around (dolls); Jean Ann Burger, best displayed first (nature); Sue Ann Busby, best displayed, second (China poodles); Brenda Evans, largest collection, first (bottles); Linda and Bonnie Baker, largest collection, second (panda Bears); Randy Laus, most unique, first (tool chest); Linda Durkin, most unique, second (religious plaques); Karen Chicki, neatest collection, first Mary Strickland, neatest collection, second (movie pictures).

Receiving honorable mention were Margaret Fout, Mabel Downs, Marie Palley, Frank Lee, Diane Burgess, Linda Burgess, Sarah Crissinger, Linda Herbert, Rhonda Busby, and Jane Slavens. The judges were Mrs. G. A. Reid, Mrs. Joseph Durkin, and Mrs. B. Baker.

At the family night, on Thursday night, almost a hundred children and parents roasted wieners and toasted marshmallows at a big camp fire.

Southview Playground

The Little Jet League at Southview playground is about halfway finished. So far league play has been dominated by two teams: the Scarlets and the Tigers. All six teams in the league are sponsered by the Elks Lodge No. 37.

The intermediate boys' softball team so far has lost but two games, one to Livingston and the other to Schiller.

Many of the children have almost completed their requirements for their physical fitness certificates.

There will be a preliminary meet Friday night at 5:30 for children 11 and under and also the 12 and 13-year-age group in preparation for junior Olympics. All in these age groups must attend Friday night as a condition to entering Saturday's meet.

The Milwaukee Braves have expressed approval of their new manager, it can be assumed.

Committee Plans Details Of Homecoming

Pictured are members of the managing committee for St. Mary parish homecoming. The festival is to be held Friday and Saturday, Aug. 17 and 18, from 6 p.m. each day. "There's a lot of work to do," one of the committee said, "to take care of the visitors expected at the big homecoming festival. The homecoming proceeds will be used to apply on the cost of the new school building, which will be dedicated early next month. The committee members are, left to right, Rev. F. Schaefer, homecoming chairman; Mrs. C. J. McGrath, 353 Siebert-st, president of St. Marys' PTA; A. G. Ruechel, 740 Mohawk-st, representing Holy Name Society; Rev. J. Haag, co-chairman of the homecoming.

Making A Newspaper

(Continued from Page 1)

without a paper large enough to give coverage to a substantial areas. The large area covered by the Leader brings together in one informative newspaper the life of that area—the weddings, the births, the illnesses, and church affairs, lodge affairs school affairs, social get-togethers, playgrounds — why, my goodness! what a dreary world it would be without the local NEWSpaper!

Regularity

The very regularity of The South Side Leader makes us dependent upon our local newspaper for information about the people on the next street, the people in our church, the parents of the boys and girls who go to school with our own children, all of which tie into our own interets, the ill, the dying — even the burial of those whose deaths would not be known to many without the arrival of the community newspaper.

Circulation Again

This brings us back to the circulation, which, as you have seen, is based upon the usefulness of the local NEWSpaper, and which is not in any way in competition with the BIG PAPERS. By daily checking of the big dailies and the local newspaper — in this instance The South Side Leader — you will find that THERE IS VERY LITTLE NEWS FROM THE SOUTH SIDE in the big paper's. That's natural, too, isn't it?, when you realize that the big papers have to COVER A COUNTY and several other counties, and can, therefore, allow only a small time and a small space to the affairs of our one community other than accidents, deaths, some weddings — some BIG NEWS.

The Local Paper

Now, see the other side. In the first place, whereas in the big papers there is generally only news FROM OTHER CITIES, let's look at the local NEWSpaper (the Leader), and what do you find? Why, you find news ONLY about the South Side — because, after all, The South Side Leader IS a "South Side" local newspaper, and naturally it confines its stories to what's happening in the South Side. One illustration: Gadabout! Yes, it's popular, as are several other departments. People tell us they are popular. People say they want the Leader, and a large portion of the residents of the South Side have subscribed, paying the quarter the growing-up BUSINESSMEN youngsters asked for.

That's your local paper, a part of the woof and warp of the community, the circulation department being the in-between in the making and distribution to you, weekly, of The South Side Leader.

Hot Pitching

(Continued from Page 1)

when Swisher of St. Paul hit a triple, Junk singled, and Tope and Allspaugh banged out consecitive homers to score five runs. Smith and Carter hit well for Washington EUB. Thurman Methodist won its first victory of the season by defeating Oakwood Methodist girls 22 to 8. For Thurman, Hussey and Hoover were the leading hitters. For Oakwood, Hannahs, Salyer, and Rodger had three hits each.

St. Leo's girls downed St John E&R in a second-round game 21 to 3. Joyce Miller hit a home-run for St. Leo's, while Buchmann, Thiel and Sue Miller each had three hits in four trips to the plate. For St. John girls Paulus and Schoonover each had two for four.

As far as we are concerned, popular music is here to stay, on radio and everywhere else, including the bathtub, where some really cool notes are often struck.

Olympics Queen To Grace Hop

Rock and roll, a broom dance, and refreshments will be the big dot in this Friday evening at Deshler playground, as a part of the junior Olympic hop, which will be held from 7:30 to 10:30. An accepted motto for the evening is "Come stag or drag—just bring your manners."

Managers of the playground say that the "hop" is being held Friday evening because of the junior Olympics at OSU stadium, sponsored by the Columbus Recreation Department, which also sponsors the playgrounds.

The hop will be held at Deshler playground, it was announced. Andriana Lambropoulos of the playground will be one of the queens at the Olympics Saturday.

Lincoln Park Jet Little League Standings Given

Last week there was an important game between Redlegs and Tigers in the Little Jet League for the league leadership, with the Redlegs winning out after 12 innings of play. The league standings are as follows as of the first of this week.

	W.	L.
Redlegs	7	1
Tigers	5	2
Jets	6	3
Indians	5	3
Giants	3	5
Pirates	2	7
Dodgers	1	6

Virginia Boy, Ohio Girl Are Hurt In Crash

Two people riding a motorcycle into a crash are in Mercy Hospital each with a fractured leg as a result of the motorcycle's crashing into an automobile last week-end at High-st and William-rd, according to sheriff's records.

Injured were Miss Barbara Booth, 23, of Ashville, O., and R. L. Atkins, 22, of 816 Oak-st, Columbus, whose home is Eggleston, Va. Atkins sustained two simple fractures of the left leg and Miss Booth sustained compound fractures.

Karns Setting Rapid Pace

The Karns tracksters captured third place in the North Section track meet, only nine points behind the first place winners. This was an exceptional victory, since only six girls and five boys represented Karns. Ten of the 11 made points: Loretta Lyons, 18 points; Marilyn Shilling, 13; Marilyn Hanf, 1¼; Tina Borst, 3¼; Arlene Skeen, 5¼; Anna Neughbauer, 1½; Tom Rohrenbeck, 13; Bob Tileraki, 11; Paul Jacobs, 4; Joe Breitenecker, 1. Everyone is looking forward to the Junior Olympics Aug. 4.

The girls' and boys' intermediate softball teams are still leading in their respective leagues. The junior boys are in second place, but hope to be in first place next week.

The Little Leaguers at Karns are moving along with the Cardinals setting the pace with six wins and no defeats.

Another Unit Is Added To Unclaimed Freight Paint Stores; Third Unit

Unclaimed Freight Paint Stores have added a local store to the Columbus firm's operation. The new store is located at 1870 S. High-st, between Barthman-av and Hosack-st. The management said store hours will be between 9 a.m. and 9 p.m. week days and from 1 p.m. to 5 p.m. on Sunday.

Ronald DeVore is the owner of the new store, which, he commented, is to be operated on the same "money-saving" basis as his other two well-known stores.

Lincoln Juniors Win Two Games

Lincoln Park Playground Junior League softball team played two teams last week, winning both contests. At Schiller, Lincoln won by a score of 14-2 behind the pitching of Bill Turner. Hitting was led by Douglas Carroll, who had three hits and a walk, with John Close and Merrill Richie coming in with two hits and one walk each.

The second foe was Southeast Lions Playground at their park. This game was pitched by Jack Roberts, who gave up only three hits. The Lincoln team hitting was led with home runs by Douglas Carroll; Merrill Richie and Fred Gaulke.

Trackers Have Busy Week At Lincoln Park

The Lincoln Park playground track team went to Linden-McKinley High School to participate in the North sectional track meet Thursday, July 26. Although only six boys participated in the meet, they gave the park over 30 points for the meet. The leading scorer was Gaylord Hicks, who won the high jump for 11 and under with a jump of 4 feet 2 inches and the softball throw with a throw of 155 feet. He also placed sixth in the 50-yard dash. Jerry Hill placed third in the high hurdles and fourth in the high jump. Bill Young placed in the high jump and helped Bill Stewart, Richard Green, and Bob Hill to take fourth in the 440 relay.

The track team will participate in the junior Olympics.

Your family probably spends about 25 per cent of it's income (after taxes) for food. This is the same percentage of income the average family spent for food 30 years ago. If you ate the same foods folks ate a generation ago, you would be spending less than 20 per cent of your income for food. But you are eating more food, more nutritious food, a larger year-round choice of food, food in many forms, and conveniences which save work, time and energy.

About two-thirds of the food produced today undergoes some form of processing before you, the consumer, buy it. Research and commercial developments provide good nutrition in boxes, cans, and frozen cartons. The work of sorting, cleaning, and sometimes cooking, is being done for you

Government standards and manufacturers' regulations insure you of getting desired quality. Modern labels are "the window" through which you can see what is in the package

Many people share in today's food dollar — the farmer, truck driver, processor wholesaler, retailer, and others. Your food dollar helps to pay for services such as storage refrigeration, packaging, preparation, and transportation.

To get the most from today's food budget you must be a wise shopper. It takes forethought and planning of good nutritious meals, becoming informed on the best buys of the day, making out a shopping list, buying only enough perishable foods for immediate needs, buying fresh fruits and vegetables that are in season, reading labels, and comparing weights and prices.

Food savings are usually counted in pennies, but within a year the dollars saved can be considerable. Planning ahead, buying wisely, taking proper care of food at home, and proper cooking, pays off in terms of more and better foods and a more healthy, happy family.

Some people gossip several hours a day and others all the time.

Co. Engineers To Exhibit Radar At Fair

Being nabbed for speeding is bad enough But when it is done without warning by an invisible policeman, it's even worse.

For those unhappy speedsters who have been victims of science's newest safety device, the Franklin County Engineer's exhibit at the county fair may help to shed some light on the uncanny role of radar.

A revolving drum will be set up with the detection "nose" of the sensitive radar pointing directly at the spinning object. Then, by watching the speed gauge connected to the radar, the viewer will be able to note the slightest variation in the speed of the drum and see for himself that you can't beat this unseen cop

Always rated one of the better exhibits at the fair, the Engineer's booth will include its usual display of highway markings and shadow boxes. The closed circuit television screen that allows fair visitors to see themselves on the screen will also be included in this year's exhibition.

Motorists who have commented that a map will be needed to find the correct way through the new Spring-Sandusky-st. interchange, will see their wish fulfilled. By pressing a button, lights on the five-foot square map will form a path indicating the route that should be taken to travel from one point of the interchange to another.

All color television programs that are broadcast during the fair will be picked up by a color receiver in the T.V. lounge of the exhibit. Interesting, entertaining and electronic summarizes the Engineer's display.

Tabernacle Picnic Date Set For August 4

The annual church picnic of the Whittier Street Tabernacle, 281 East Whitter-st, has been announced for Saturday, Aug. 4, at the "Buchsieb Park", located on Groveport Pike south of Columbus near the Big Walnut Creek bridge. Transportation for those needing it will be provided at 11 a.m. and 12 noon direct from the church.

Dinner is scheduled to be at 3 p.m. and a weiner roast at 6 p.m. Baseball games will be played between the Sunday school classes. Pastor is Rev. Clifford Austin and Elmer Neal is Sunday School superintendent.

Young Athletes Get Training In Games, Sportsmanship

Karns playground is the mecca for a great many "fellows" each afternoon, when they go through a routine of games, spontaneous, yet planned, wherein the art of getting along with others naturally drifts into the habits and consciousness of the young fellows who find happy hours at the popular play spot. When the photograph above was made rain had just put a stop to a beginning baseball game. But the boys stayed right there until the rain subsided, and went back to their pleasant chores.

Schiller Soft Ball Team Tops

Boys softball teams at Schiller playground had to battle hard last week to hold first place in their respective leagues.

The junior team played Mohawk playground a tie ball game the first four innings and then cashed in on Mohawk's errors to outscore the opponent, 4 to 1. Danny Fee not only pitched a 3-hitter, but scored two of his team's runs. Leading batter for the day was Ted Salvage, of Schiller, with two for three. This places the team in first place, four wins and no losses.

Intermediates enjoyed a much easier victory as they bombarded their opponent, Southview, 23 to 6. The highlights of the game were when Tommy Bolen and Art Pendergast hit home runs with runners on. Schiller's victory kept them in a tie for first place in their league along with Livingston playground.

It was an uphill climb for the senior team, they had to come from behind to beat their opponent, Mohawk playground, 6 to 5. The turning point of the game came in the fifth inning when Frank Wonn slapped out a home run with two on. Leading batters were Bob Parfitt with 2 for 4 and Frank Wonn with 2 for 3. The team lead the league with three wins and one loss.

The newly organized young men's team suffered defeat in their first try, with Schmidt's Meat Packing Company, by a score of 6 to 3. Three pitchers went to the mound for Schiller, allowing a total of seven hits. They were Carl Sneider, Bob Huffman, and Rhode Durrington.

Boys and girls, when the weather's bad outside it's fun to play indoors. But remember, toys are easy to trip over. The Safety Council of The Columbus Chamber of Commerce says don't let your toys be responsible for hurting anyone. Always make sure that you put toys away after you're done with them.

Seek To Form Blood Group

A major step has been taken to create a Columbus Chapter of The National Blood Research Foundation On Friday, July 13, a group of people ho are interested in promoting the organization of such a chapter met at the City National Bank and Trust Co., auditorium, 3100 W. Broad-st. The principle speaker for the meeting was Mr. Harold Berr, President of National Blood in Chicago.

He spoke about the need for research into various blood diseases such as Leukemia, Hodgkins Disease, Hemophilia, and other blood disorders. He told the audience that National Blood is an organization pledged to promoting and sponsoring such research.

The group of interested Columbusites were so impressed by Berr's talk that they decided to set up temporary arrangements to form a Columbus Chapter of The National Blood Research Foundation.

Temporary officers and committees were elected and appointed. Mrs. Ronald Rogers, 3680 Briggs-rd was elected temporary chairman and Mrs. Bette Todd of 855 Chatham-rd was elected temporary secretary.

For those people of Columbus who might be interested in joining and supporting an organization of this type, there will be another meeting on Aug. 3 at 7:30 p.m. at the auditorium of City National Bank and Trust Co., 3100 W. Broad-st.

No Early End To Quarantine

Columbus dogs had better stay under control unless they want their owners to pay fines for permitting the pets to run at large.

That is the substance of statements by authorities since the beginning of the hydrophobia scare some time ago.

When The South Side Leader attempted to learn how long the quarantine, city and county, would continue, it was suggested that the quarantine will last as long as there is danger.

The world is a great place; stand on any street corner and watch the couples go by.

City Attorney Says Annexed Contracts OK

Employes of Marion Township who are under contract will be protected against loss of jobs, when the area is annexed to Columbus, according to City Attorney Chalmers P. Wylie, in a ruling last week in connection with co-custodians of Scioto Trail School. They are man and wife.

The city attorney said that if the couple has a contract with the school, they could be continued in their jobs at the school under Columbus authority, or the city could seperate them from their jobs by adequately compensating them for damages sustained by separation.

The question has been raised many times recently with the expected annexation of most of the township.

Employees of the township without contract and not under civil service will be required to comply with civil service requirements, according to the city attorney, if they are to hold their jobs.

Use the thought in your mind, at least for mental exercise.

Beard Of Mercy To Set Up Simulated Hospital

Superintendent Named To Set Up And Operate Institution At Fair; Disaster Guide

What has been planned as a new departure in showing the public what a modern hospital can and should be will be demonstrated at the Ohio State Fair, Aug. 24 to 31, according to a statement by the Ohio Hospital Association. Mercy Hospital Superintendent Charles B. Beard will have responsibility for setting up and staffing the "sample" hospital, it was announced.

Supt. Beard accepted the assignment from the Ohio Hospital Association, in conjunction with the Ohio Department of Health

Charles B. Beard

and the Ohio Civil Defense Corps to supervise the preparations from beginning to the "ultimate whole."

Specific Task

The specific assignment is to "set up, install and staff a 200-bed improvised hospital in the Motor Transport Hospital Building" at the fair. This will include technologists, pharmacists, and all others essential to facilitating cure of diseases and injuries.

That this is not just another "exhibit" is indicated by the explanation of the reason for the setting up of this extensive operation at the fair. It is definitely related to possible civil necessities, it was said, and those who have charge of the hospital exhibit will have training in "what to do" in the event of an emergency, while others may study the display and thus be prepared fo an emergency.

The display also is expected to help the general public understand how Civil Defense would proceed in the event of a national or war-time disaster, according to the plans.

The work is an extensive one, it was pointed out, particularly considering the fact that there will be eight complete departments, as "required for all first-class hospitals," and these and all other phases of hospital services will be handled by the staff of nurses drawn from the various hospitals of the city and state, it was stated.

A Big Job

According to a spokesman for the Ohio Hospital Association, the installation of such an emergency hospital is a big job, "requiring the combined know-how of many hospital-trained people." The eight complete departments to be installed to simulate a real hospital will be these, it was stated: No. 1, a triage room used for sorting patients prior to sending them to proper quarters; No. 2, wards; No. 3, operating rooms; No. 4, clinical laboratory; No. 5, X-ray rooms; No. 6, central supply; No. 7, sterilizing rooms; No. 8, pharmacy.

Immense

This unit is reported to consist of 450 boxes and crates, requiring almost 15,000 square feet for its operation, this space said to be needed to simulate expected conditions in the event of the community suffering a major disaster, such as would follow with an invasion and the dropping of bombs.

Each unit will be in charge of selected personnel furnished by Ohio and Columbus hospitals, from 9 a.m. to 9 p.m. each day of the fair, it was announced. This personnel has been trained to answer the public's questions and to demonstrate the highly technical equipment found in hospitals.

H. F. Hoermle Buys Business

H. F. Hoermle

Howard F. Hoermle, 823 Deshler-av., recently purchased the business of Dues Inc., at 757 Parsons-av. The business is operating under the name Howard Sales and Service. In taking over the business the new owner did two things which the reporter thought would be unusual news. One of the two things was to set up a special service which permits lawn-mower owners to start out every spring with as-good-as-new mowers. The service, the new owner said, includes picking up the mower, overhauling it, or doing whatever is required, especially proper lubrication, storing it for the winter, then delivering it in the spring, ready to use. This service is to be effective this fall.

The next thing was to realize a boyhood ambition to own a bike shop, repairs and sales. Famous names are on parade in the storeroom. New, used, whichever may be wanted, he expects to have it when it is wanted, he said. In this bike or motorized-bike business he has a first-class repair shop.

Hoermle is a brother of William Hoermle of Hoermle Appliances, south Parsons. A lifelong resident of the South Side, he with wife Ruth and daughter Sue Ann, lives at the Deshler-av address. He served three and a half years in the Army Air Force, is a member of the Moose, and has had 20 years' experience in serving the public.

Viola Sale At Week-End By Purple Heart Auxiliary

The auxiliary of the Military Order of the Purple Heart will be busy this Friday and Saturday raising funds for use in the "job of helping", the occasion being the organization's viola sale. She viola, according to Mrs. George S. Dean, 412 E. Moler st, is a pretty little flower having the appearance of a pansy.

Funds raised through the sale of the pretty flower, Mrs. Dean said, are used for Chillicothe veterans and for local uses in event of need among members of the group in Columbus.

Girls will go to the Jeffrey Mfg. Co. early Friday morning and return to the downtown (Broad and High) area to fan out over the district about 8 o'clock.

Mrs. Christine Cormack, 875 Neil-av, president of the local unit, expressed the hope that this year's viola sale will build up the depleted treasury, "so we of the Purple Heart can do a better job of helping where help is needed."

The local group is the "Captain Colin P. Kelly Chapter No. 148."

Groups Have St. Mary's Plans Ready

Mrs. H. Esselstein, 808 Jaeger, chairman for St. Mary's homecoming celebration next week, told the Leader that the various groups have been busy with details intrusted to them and everything is just about settled.

Of course, this does not include tables and counters, which must be put in at the last hour, she said, "but the committees have the details in hand to permit the homecoming to start on time.

Local Man To Go To Purple Heart Meet In Florida

George S. Dean, 412 E. Moler-st, national executive committeeman, Military Order of the Purple Heart, will attend the national convention of the order in Lakeland, Fla., Aug. 27 to Sept. 1, according to an announcement this week. He will attend as a national officer and as a delegate from the local order, it was stated.

Slum Program Explained In New Display

A turntable display on slum clearance will be at the Parsons-av branch of the Columbus Public Library from Aug. 8 through Aug. 22. Literature further explaining slum clearance, conservation, and blight prevention plans for Columbus will be available.

The display explains why Columbus direly needs a slum clearance and redevelopment program. Scenes are shown on the Goodale slum area of today and also included are sketches of how Goodale could look tomorrow after redevelopment. Goodale will be the first area to be cleared with the passage of the $5-million-dollar slum clearance bond issue Sept. 14. Other areas slated to undergo clearance are the Market-Mohawk, Children's Hospital, and Leonard-St. Clair areas.

Included in the books and literature on slum clearance is a copy of the "Workable Program of Slum Elimination and Slum Prevention." This was prepared by the Department of Slum Clearance and Rehabilitation (SCAR) to show the Federal government how the city had met and is preparing to meet Federal requirements for the prevention as well as elimination of slums.

Two-to-One

Since the Federal Government provides two dollars in Federal matching funds to every one dollar spent by the city, this analysis is required by the Federal government.

Lawrence M. Irvin, SCAR director, says that slum clearance plans for the Market-Mohawk area vary from those proposed for the Goodale slum clearance area. In Goodale, we will clear all residential properties and all industries except those located in the area which are to be redeveloped for industrial purposes. However, in the Market-Mohawk area, slum clearance plans include removing the dilapidated buildings, remodeling substandard buildings and keeping standard buildings.

The Market-Mohawk area will be cleared and rehabilitated in stages. This area is bounded by Third-st, Town and Chapel-sts, Parsons and Livingston-avs. It contains a total of 235 acres whereas Goodale is composed of 70 acres.

Cleveland T-V Man To Speak To Lions

Warren A. Guthrie, Ph.D.

Dr. Warren A. Guthrie, Sohio reporter on the television station WJW, Cleveland, will be guest speaker at the weekly luncheon meeting of South East Lions Club next Tuesday, August 21, at the Fiesta Club at 12 noon. The speaker's B. A. degree was secured at Nebraska Wesleyan, his M. A. degree from University of Michigan, and his doctor of philosophy degree at Northwestern University. Lions Club officials said efforts are being made to have a full attendance, and that all Lions are welcome and may take guests.

Observance Of 80th Birthday Brings Surprise Groups

Walter J. Donley

Walter J. Donley was not thinking about his birthday when his five sisters and families marched into his home at 304 Hanford-st., July 29, ladened with well-filled baskets of food.

But it was his birthday. It was his 80th birthday, and because he had had so many he said he thought it was nice of his sisters to come with their baskets and have a party for him. And that's what it was.

Donley was born in Hocking County July 29, 1876, came to Columbus in 1907, entered the police department in 1912, and retired in 1946. He was a widower for some years until two years ago, when he married again. Mrs. Donley and her husband were surprised and greatly pleased with the occasion.

The five sisters are Mrs. Jessie Lynn and Mrs. Pansy Poling

Central Community Wins SSY Jr. Title

Central Community, second-round champs, won a playoff game from Oakwood Methodist, first-round champion, 23 to 4. For the first three innings, it was a close contest, but big fourth and fifth innings in which Central Community broke loose for 15 big runs told the story. Heavy hitters for Central Community were John Schumacher, Ranck and George Poppy. Coach Howard Henry of Central Community had a perfect year as his junior teams copped the SSY, basketball title, and now they have walked off with the softball championship.

St. Leo's girls assured themselves of at least a tie for the second-round title by winning two games last week. In the first they won from Oakwood Methodist, 26-3. In the second game they defeated Southwood Church of Christ 19-2. In the Southwood game Judy Hanf of St. Leo's had a perfect night at the plate, getting five for five and scoring four runs. Joyce Miller, playing great ball at her shortstop position, hit four for five. Buchmann and Ebelberger had three hits each. One of the smartest defensive plays of the season was pulled off by left fielder Priscilla Dicke of Southwood. On an overthrow at third base, Dicke left her position and backed up the third baseman, grabbed the ball and threw the runner out at home. Very quick thinking! Ruth Walston hit best for Southwood Church of Christ.

St. John E and R upset Southwood Church of Christ, 6 to 3, in the Intermediate big game last week. Ron Atherton allowed Southwood only three hits. Dutch Henry allowed St. John six hits. St. John's jumped out in front with a three-run lead and was never behind. Frebis collected two of St. John's hits and Don Dicke got two of Southwood's three.

South Methodist came up with its first win of the year when it upset St. Leo's 14-6. Washburn hit well for South Methodist and Carl Moore banged a long home run. Reis and Kessler hit best for St. Leo's.

Balancing, Acrobats Southview Features

A lot of acrobatic talent was in evidence at Southview Playground Tuesday evening, July 31, during a "stunt night", according to a report from the playground.

The favorite act was a balance routine performed by Kathy Goulding, Sharon Logan, Betty Jean Slavens, Jane Slavens and Mary Strickland.

On Wednesday evening the children celebrated with "dress-up night." The winners were: prettiest, Linda Durkin, first; Sheryl Stover, second; Diane Branham, third. Most queenly, Mary Strickland, first; Connie Stover, second; Charlotte Branham, third. Most colorful, Linda Sharp, first; Mike Smith, second; Linda Arnold, third. Funniest, Robert Seasor, first; Sandra Bollenger, second; Roger Evans, third. Roughest and toughest looking, Cecil Blackburn, first; Thomas Fusner, second; Vernice Greer, third. Most motherly, Willadeen Blackburn, first; Linda Smith, second; James Greer, third. Honorable mentions were Sandra Arnold, Barbara Arnold, Mable Douns, Kathryn Morris, Diane Merchus, Carolyn Merchus, Rebecca Thompson, Sharon Thompson, Melissa Goddard, Brenda Evans, Margaret Fout.

The annual all-city pageant will be held Thursday, Aug. 16, at 7:30 p.m., at Central High School and the boys and girls at Southview will take part in a fantasy scene and will be fairies and fauns. Some of the children will help with costumes next week. All parents and neighbors are invited.

The junior girls' softball team remained undefeated by beating James Road 21-1, showing championship caliber.

Lincoln Park Items

Girls and boys have begun to make their crepe paper costumes for the pageant this Thursday evening. They also are making earrings, puppets and plaster of paris plaques. Many of the arts and crafts will be displayed at city hall starting Aug. 13.

Anti-Polio Funds From Block Party

Mrs. Anthony Latella of 273 Reinhard-st., was hostess to the children of the 200 block of Seibert-st., Thursday, Aug. 2, the children putting on a carnival to raise funds for the anti-polio campaign.

Activities by the children included dances by the girls, while the boys sold soft drinks and popcorn and operated a shooting-gallery. They also put on a dog show. Mrs. Latella made the costumes for the children participating.

The efforts of the youngsters, Mrs. Latella said, produced $13, which was to be sent to the polio drive of Spook Beckman, WTVN.

Children participating in the event were Cassandra and Theresa Latella; Sharon, Marsha, and Rickey Frye, Charlotte Siegel, Billy and Eileen Smith, Johnny and Billy Stout, and Bruce Lindsay.

Conflicting Views On News; Varied Thoughts

By Oliver Gedeist

"Making A Newspaper" pattern has not changed much since the Dec. 28 morning in 1900 when I began my apprenticeship, when less than 12 years of age, in the newspaper business. Through these years there has been a constant pattern, and one which has brought continuing dispute over what should appear in a newspaper. I remember the first week in the newspaper business (I was merely wandering around with big-eyes and a weak body, and—but never mind the brain). I remember it because a lady of merit in our South Carolina 5000-population town came in during my first day there, and soundly berated the editor, whom she had known since childhood, for leaving out something she wanted in the paper.

The "Mean" Editor

What was it she wanted in the paper? Why, that was simple, as the lady told the editor: she wanted an item in the news that she had several canary birds she could let neighbors have for a small price. Learning that she had to pay for this, the tirade followed. She DID pay, however. That very lovely lady didn't speak to the editor again until—well, the next day. Then everything was if nothing had happened. And, really, nothing had.

Very Few

Through the years, until death took them, that editor and that woman were my good friends. They were good for me, because they helped me to understand that some good people want the newspaper to be their special organ to be used as they want to use it, regardless of news VALUE.

The occurrence has helped me these many years to appreciate the others person's position, even if it is impossible to accede to that position.

There are good people who believe that the newspaper should be a sort of secretary, carrying almost private business or wishes. Like four or five years ago a Wisconsin newspaper was sued because the editor would not publish a charge of malfeasance against a public official. He did not file charges against the official, but filed his suit against the newspaper because it would not charge the official with doing things the complainant was afraid to charge him with. The official continued in the good graces of his constituency.

Unusual

This is an extreme case, of course, and happily occurs only occasionally. I have always considered the editor a happily placed person regardless of the unkind things that are occasionally said. That is so because the kindnesses are exceedingly great and numerous, and whatever disagreement a few people have with the editor, he is the beneficiary of kindness beyond the range of most people.

Mistakes

Sometimes the editor is abused for errors. Let me humbly say that I have had as much of this as any editor I know. **The funny thing is that it is so stimulating to receive criticism from readers that I would write some to me if others did not write them.**

What we seek to do here is to present the editorial department of the newspaper as a recorder of events as nearly as they happen as possible. Forget something? Yes, we do, occasionally. Leave out something which ought to be in? Yes. Our "ex-

Truly Dedicated

"Dedication," used so often that the word loses its meaningful impact, comes into its whole richness when applied to the men who so gallantly forget selves in the struggle to save hundreds of people at sea. This is suggested by the picture story in "Life" (Aug. 6) of the collision and after happenings of the steamship Andrea Doria and the Stockholm in the darkness of night in the sea off Massachusetts. . . . A mother pushed a baby into the arms of a man on a lifeboat—so the young life might have at least a chance—but think of the poignant thrust in the heart when, right as she was, she put her baby away—to save it. . . . The bright spot in the record of the coming together of the sacrificing mother and the trusting baby, in New York . . . and I try to visualize the thoughts of the Ile de France sailors, who worked until there was no more to do—and they nonchalantly went home—onto one of the decks of the Ile, going up like an elevator. Hard labor? Yes; they were tired . . . but, blessed be the men who thought it merely a part of the duty, and a part of the honor, of the work men follow in the lanes of the sea.

Look! Incendiary Loose

Tranquillity as a permanent phase of life is, seemingly, impossible to achieve. With the United Nations, sincerely if feebly, seeking international tranquillity, with all the larger western nations concentrating upon securing such a delightful, long interlude, one would think that even the little toads who are doing well would hesitate to swell and be a Nasser. But Nassers there are, just as there were Hitlers and Mussolinis — and their counterparts before them. The fact that international looting is not more desirable than local looting seems to be lost upon the braggarts and trouble-makers. War may come — maybe it will be of "Armageddon" size, merely because a swell-headed would-be dictator thinks too highly of himself. We tread upon explosive ground with an incendiary apparently ready to apply the torch.

Congratulations

Congratulations are in order for our neighbor C. B. Beard of Mercy Hospital, who has been selected to put a sample hospital on display at the Ohio State Fair to open pretty soon. A story, probably on this page, tells of the honor conferred upon our neighbor—and gives details of the program intrusted to him.

The South High Class of 1931 will hold a family-style get-together this Sunday, Aug. 11. Site for the affair is the Dispatch Country Club.

Birthdays that come this time of year . . . Margaret Robertson, 336½ Reeb-av, Aug. 11; Betty Hafey, 785½ S. High-st, Aug. 12; Leola Samson, also Aug. 12; Janice Ashton, 655 Beech-st, Aug. 13, and Sandra Gwilym, 1421 Bruck-st, Aug. 15.

South High EUB Church will be the scene of a wedding this Saturday when Phyllis Jean Donahue and Forrest E. Doersam exchange their vows at 7:30 p.m.

Today at 12:30, the Elizabeth Circle and the Mary Circle of Thurman-av Methodist Church will have a covered dish picnic at Schiller Park. Even if old Jupiter Pluvius is an uninvited guest, the affair will be held, for the women will convene at the church.

Sympathy at this time to Leonard Fansworth, who lost his sister last week. To young Mr. and Mrs. Leland Lynn also go our thoughts of sympathy at the loss of their nine-day-old baby. Also to the relatives of Charles Frank.

Since the Ralph Becker family were Columbus residents for so many years and so many of their relatives are still Columbusites, this item is definitely worthy of notice in Leaderland: Marian "Mickey" Becker will become Mrs. Robert Smith on Aug. 28, in Hanover, Pa.

A news letter from Parents Volunteer Ass'n of Orient reminds us that they gladly accept all sales tax and premium stamps. The address is easy, just PVA, Box J, Orient.

Glad to hear that Lona Schwartz is getting deeper into "our" end of town. She formerly lived on Lockbourne-av, but now can be reached at 165 E. Markison-av. (Hey, you Lockbournites, don't gang up on me! Your street is swellegant, I just mean Lona is moving back into her former neighborhood.)

The members of the Whittier Street Tabernacle held their annual picnic last Saturday at Buchsieb Park. The entertainment committee consisted of Miss Lottie Clarkson, Miss Jeanette Adams and Stanley Ball.

Carol Foster, 1428 Oakwood-av, has been a busy young lady recently, for she has just returned from a visit in Baltimore, Md., with her grandmother, and last Sunday, Aug. 5, was her birthday. Lots more happy years, Carol!

Poor Thelma Swisher! She's barely used to having the use of her two feet again, after breaking her ankle a short while back, and now she's gone and hurt the other foot in a fall! Thank heavens nothing broke this time, at least!

Since we number them among our favorite folks we hope the William Paulus family is having the nicest vacation trip possible. Their itinerary will take them through the northeast section of the country, particularly for a view of the Maine coastline.

The sick folks we know about at this time are Mary Heslop of Washington-av, Leonard Reynolds, who is in Grant Hospital; Mrs. Ralph Burris, 309 Kossuth-st; Mr. Leibbrand, 30 E. Jenkins-av; and John Grady who was in Mt. Carmel Hospital for an appendectomy.

New arrivals to add to Columbus population growth: Master Fred DeWitt, born July 29, to Mr. and Mrs. Fred DeWitt, and the double lullaby duty for Mr. and Mrs. George Warner. Yep, it was twin girls for the Warner household. (Bet the smile on the face of the S. High-st branch of the family is extra wide too. Right?)

Young folks of the community who are at Round Lake this week are Jack Tyler, Roberta Tyler, Sylvia Lynn, Preston Yates, Sharon Coffman and Linda Fausnaugh.

A youth retreat will be held at Blacklick Woods this Saturday and will get under way at 6 a.m.

Mr. and Mrs. Charles Elliott, 346 Sheldon-av, should be hearing their destination by this time if all goes well. California is the ultimate goal of the Sheldon-av residents.

When we went to our room at Mt. Carmel Hospital, guess who was on her way home? Yep, a fellow South Sider and one who only lives a giant's stone throw from from our house! Vera King, 584 Sheldon-av, was the kind soul who bid us welcome to our temporary residence. She was looking very pert and we hope she still feels that way. We changed roommates mid-Friday and perhaps some of their friends are residents of this community. My partners in Blue Cross were Essie Flemming and Ruth Haas. We want to congratulate the nurses at Mt. Carmel for most of the young ladies who did such a fine nursing job for us should have donned their caps by now. You were wonderful, girls!

Mary and Jim Claar took a jaunt to Mammoth Cave, we know, for we got a postal card from there. We have a sneaking suspicion that perhaps their trip took them deeper into the Southland, for the postal was from Jasper, Tenn. (We have a bone to pick with Mary, for on the day we received her get-well wishes, she was talking about her seven-mile walk through the caves. That sure overshadowed our ten-step solo flight the same day to the little cubby hole in our room! How dare she!

Our next item concerns the mother of a friend of ours and since it amused us, we'll pass it along. Mrs. X being annoyed by those teeny insects that waltz right through ordinary screening, grabbed a can of insect spray and really went to town. Imagine her dismay that not a single one was even a little lifeless! After taking a better look at her insect can she knew why, for she had been blithely beautifying them with "spray net."

And now, my wonderful, wonderful friends, thank you for being so good to me this past week. Your cards and notes have been read and reread a dozen times. It was always our luck to spend most of the nights awake, so the minute it was light enough to even see, we'd read your cheering messages and enjoy the beauty of the flowers we received. So many folks had told us they were praying for us, too, so we just "felt" your kindnesses in every direction. At the time we write this we have done exceedingly well and we KNOW your well-wishes played a very big part in that accomplishment. We certainly hope to be home when you read this, so resume calling HI. 4-1051 to give items. We may not get to talk to you personally, but we'll appreciate the call nonetheless. And again, THANKS!

Till next week's edition, tis the GADABOUT.

Manager Expects 'Little' Team Boys To Win In '57

Clair O'Hara, 3098 Lewis-rd, told the Leader that although the Buckeye Little League baseball team of Marion Township did not do so well from the standpoint of winning games, it measured up to all other sportsmanship requirements.

The team, sponsored by Heil & Scheiderer Hardware of Parsons-av and Johnson's Gulf Service Station, S. High-st, "never made an excuse for failure to win, never failed to obey instructions, and never questioned an umpire's decision," according to Manager O'Hara.

These are the boys who are so highly praised by their manager and by their coach, Leo Coffin, S. High-st:

Donald Harr, 494 Scotwood-rd; Raymond Ferguson, 316 Basswood-rd; Harold Fielder, 3216 Parsons-av; Larry Bentley, 608 Scotwood-rd; James Scheiderer, 1920 Ellsworth-av; Dickie Freeman, 1024 Williams-rd; Danny O'Hara, 3098 Lewis-rd; Larry Gaffin, 3463 S. High-st.

Danny Lowe, 3272 Lewis-rd; Charles Hampton, 1620 Koebel-rd; David Cordle, 3070 Parsons-av; Jerry Hunt, 514 Ashwood-rd; Randall McKenzie, 3179 Lewis-rd; Russell Solomon, 402 Williams-rd; Edward Minshall, 500 Scotwood-rd.

Freddie Cordle, 1610 Koebel-rd, was bat boy for the team. Leo Coffin was coach.

The manager says he is looking ahead to next year, when he and the coach and the players believe a more successful "win" record will be set up.

What do 11,000 new customers a day mean to your business?

PUBLIC SERVICE ADVERTISING COUNCIL

It's astonishing but true – 11,000 new babies arrive in the U. S. every day of the week!

Our population is growing so fast that every month we add enough people to populate a Richmond, Va., or a Tulsa, Okla. At this rate, we'll have about 180 *million* people by 1960.

This is a very healthy thing for America – and for you. It means an ever-increasing demand for every kind of consumer goods. Not just for cribs and baby bonnets – but for *everything* that people eat, wear and enjoy.

Our soaring population is just one of the many big changes taking place in America today – changes that open up new opportunities for us all. Here are a few of these changes:

1. **MORE JOBS** – Even though employment in some areas has fallen off, we still have 20 million more jobs than we had in 1939. And *nine times* more Americans are in the $5000-plus income bracket than in 1941!
2. **MORE MONEY** – In spite of inflation and higher prices, the American people have over *twice* as much spending power now as they had in 1940.
3. **MORE SAVINGS** – Individual savings in America rose from $68.5 billion in 1940 to about $250 billion in 1953.
4. **MORE FARM OUTPUT** – 52% more per man-hour than we had in 1940 – and this in spite of a net shift of almost six million *away* from farms since that year!
5. **MORE LEISURE TIME** – Forty million Americans get paid vacations – a great boon to the hotel and transportation business, to the sports, hobby and entertainment fields.
6. **MORE ATOMIC POWER** – Sooner or later, atomic energy will run our trains, heat our homes and light our cities. This – plus advances in electronics – can usher in a fabulous new era for America.
7. **MORE DEMAND** – Right now there is a $500 billion backlog of demands for goods and services to build roads, schools, hospitals, highways and factories. (For example, we have to nearly *double* our school system in the next few years.) Filling these demands will create more jobs, more spending power, more industrial opportunities.

You are *bound* to profit from all these changes – whether you're a businessman, a housewife, an industrial worker, a farmer, or a salaried employee.

Barring a major war, America's future never held greater promise.

The better you know America, the better the future looks!

Parsons Branch Library In Words Of Librarian

Fifty-seven of our Modern American Explorers have read their 24 books. They have received their maps of the United States and also have their names on the Reading Club Roll of Honor. We hope the rest of you are keeping up your reading and will soon have your names on the honor roll also.

While we have no honor roll for adults we know that we have many new books that you will enjoy reading solely for your own pleasure. Among them are the following:

Fiction

"Charlotte and Dr. James Guy McCrone." This is the story of James Mennock, a young country doctor who married Charlotte Gailes, daughter of a university professor. It is a story of young love, but it is much more than that. The author takes us through their entire life, even as he tells us their love story. He shows us what they became and what life held in store for them.

"You Call That a House," William Manners. Bob and Margaret Tyler, wanting something distinctive, build a contemporary house in the old and staid community of Bayberry Hill, Fairport, Conn. Immediately they become outcasts from society.

With satirical wit and many a hilarious situation this very amusing novel follows the Tylers in their fight to live in the kind of home they want.

"Abigail," E. Louise Malby. This novel is set against the brilliant background of Louisville plantation society and moves at an exciting pace. Abigail, a blue-stocking and a Yankee, marries handsome, arrogant Randolph Harrison. Only after her marriage does she realize that she is an alien in this soft southern land and that the Harrison household is in a state of decadence.

"The Dice of God," Hoffman Boiney. The author is an outstanding authority in Western Americana. The story takes place at the close of the Civil War, when many headed west to settle new land. It seemed that many of the strongest were drawn toward the Black Hills, where fate was preparing for them a grim retribution that would shock the nation: Little Big Horn. Here is a great slice of America and American life in the backwash of the Civil War.

Vacation Bible School Begins; To End Aug 17

Church of Christ, Fred L. Casmir, minister, 733 Gates-st, has announced the beginning of the annual vacation Bible school. The beginning date was Aug. 6 and the school will continue until Aug. 17, the minister stated.

Phases of the daily studies were outlined as Bible study, games, crafts, song—keeping the children busy between 9 and 11:30 a.m. Refreshments are served, it was said.

Saturday, Aug. 18, will be "demonstration time," when the children will show their parents what they have learned during the two-week period, the minister said.

Minister Casmir leaves shortly for his new work in California, as recently told in the South Side Leader.

Local Man's Son Born In England

Charles F. Tabor, Jr., 1566 S. Sixth-st, is the father of a new son, born in Gloucester, England, he told the Leader Tuesday. Mrs. Tabor and their 10-year-old son are visiting her parents "over there" and gave birth to the new son after arriving there. The youngster was born July 31, the father said.

The father expects to go to England the latter part of September and return with the family about the first of November, he said. He met his wife while stationed in England during the late war, he said.

He that shuts love out, in turn shall be Shut out from love, and on her threshold lie Howling in outer darkness.

—Alfred Tennyson.

cuse?" Why, that, like every one else, we are just human. Happily, through all these years, in spite of some severe criticism, I've never had the least fear of physical violence, regardless of the explosive speech used.

Brotherhood

For me, the comradeship between reader and newspaper editor, nurtured through the pages of the paper, is a grand and continuing evidence that people can "go off the handle" about something while their hearts are clean of animosity—and full of genuine friendship.

It's grand to be an editor; indeed, it is grand just to be in the COMMUNITY NEWSPAPER business — gives me a feeling that we BELONG. And, you will admit, that's a grand feeling!

Summer Tablecloths Can Be Made From Colored Sheets

Colored sheets can make lightweight, decorative, and easy to iron summer tablecloths, says Anna Bierbricher, extension home furnishings specialist at the Ohio State University

Hot weather dishes and decorative floral centerpieces fit with gay and festive table linens. The pastel percale sheets in your linen closet are appropriate on your dining room table, says Miss Bierbricher. Whether your table is square or round, colored linens can be cut into tablecloths, place mats, and napkins to match.

The secret of turning your new table coverings into something special is carefully chosen decorative trimmings You may use fringe, a chintz ruffle, banding, colorful rick-rack, eyelet ruffling, dainty applique, or embroidery to create many lovely effects, suggests the home economist.

New sheets are not essential. The still good parts of torn or worn linens may be used Not only sheets but also stained or faded tablecloths can be cut into place mats or napkins. The color can be bleached out of stained pieces with color remover and they can be tinted to blend with your other furnishings. Napkins may match the cloth or be of a contrasting shade.

You can gain an extra five inches by ripping out the hems of the sheet before you start. It is wise to use a paper pattern or chalk marks to guarantee that each corresponding piece is the same size, adds the specialist.

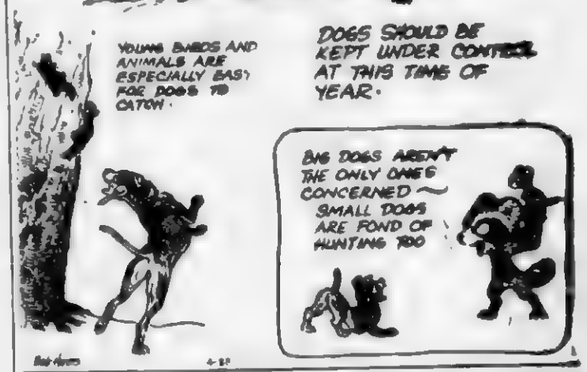
CARS WASHED

Haverhill, Mass.—Local police cruisers need washing and so, after the City Council approved the order for having the cars washed, the Council relayed the order to the City Manager, the City Manager relayed it to the Police Chief William J. Collins and Collins passed it on to a Police Department mechanic. With no one to pass the order on to, the mechanic washed the cars.

Production of fresh vegetables in 1956 is expected to be two per cent below 1955, say Ohio State University extension economists. Acreage reduction of about five per cent is the primaryary factor in this forecast.

CAR TAKES SWIM

Albuquerque, N. M.—Mrs. Oscar Turner backed her car across a vacant lot, through a brick wall and into a swimming pool. She and a passenger, Mrs. Bernice King, suffered minor injuries, but Mrs. Turner's son, Jack, 2, was unhurt. Mrs. Turner was just learning to drive.



Insurance companies estimate 25 per cent of fires of undetermined origin in the U.S. are due to rats. They cause short circuits, ignite match heads, upset lamps.

Under the government's wool payment program it is to the advantage of each grower to do a good job of marketing, according to Ohio State University animal science extension specialists.

Mr. and Mrs. C. E. Kettler

Pictured above at their home at 88 Thurman-av are Mr. and Mrs. C. E. Ketter who celebrated their 57th wedding anniversary on Aug. 3. He is a former member of the Columbus Fire Department—a retired captain. Their celebration was subdued because of the recent death of Mrs. Kettler's last sister.

5th Square At Y Park

"Choose your pardner and form your sets" will be ringing throughout the large Shelter House at South Y-Park Friday, Aug. 10, as the fifth of the summer square dance series progresses from 8 until 11 p.m., according to an announcement Tuesday.

The Y-Park summer square dances have received the approval of young people and adults of South Columbus and surrounding neighborhoods, if attendance figures are used to determine its popularity. Schottisches, polkas, waltzes, novelty dances, along with many other dances, are available on request, it was said.

The popular Y-Park trio will again provide the musical strains with Jim Wagner of the Y-staff handling the dance routines. Free instruction for beginners is always available prior to the dance and during intermissions, Wagner told the Leader.

O.G.'s Notes

(Continued from Page 1)

drownings. Is there an unrecognizable lure for some people which leads them to do the "daring" thing — to challenge fate, and to lose to that fate? Certainly many of those drowned could have preserved their lives by ordinary caution. Why does not one ask himself what he expects to gain by going into dangerous or unknown waters, and, if not an expert swimmer, staying away from the treacherous water holes apparently so prevalent in some of the places used in the hot days for "cooling off." May we not humbly ask that the Spirit of Intelligence may find its footage in the minds of those who are in need of help in behaving cautiously in and around water? Let's each of us tell ourselves, Careful, fellow, or I may be the next victim. That's the way to stop having drowning victims.

WELL, WILL IT?

Omaha, Nb. — Local postoffice officials were posed with a real question recently. A clerk weighed a letter for a woman patron and handed it back to her with the comment it was too heavy and would need another stamp. "Well" shrugged the, "how will putting another stamp on it make it lighter?".

OG's NOTES

Are People Intelligent?

Often things happen which cause one to examine into the intelligence of his fellows. It is not what we like to do, but when we see and hear of grown-ups, regardless of their low economic stature, offering their offspring to a Devil Called Polio, can one do other than question their intelligence? Inviting a great scourge to strike one's child or children without hindrance certainly is not the sign of high understanding—or affection.

Looking at pictures of children in Chicago whose parents had offered them to the Devil Called Polio, it seems to me that we as a people should be ashamed to associate with our mirrors lest we find weaknesses where we thought there was strength—and intelligence. Let us apply this thought in Columbus.

It is hoped that EVERY COLUMBUS parent will immediately have their children inoculated against the terrible scourge, lest we each be tainted with the curse of carelessness for encouraging the death of our children.

Man's Inhumanity . . .

Reading of the prisoners who smashed their legs, with all the misery their action incurred, as a release, temporarily, at least, from the alleged inhumanities of their bosses, it has been my hope for many years that the chain-gang and other inhuman imprisonments would be abolished in my native Southland. But it has not come. I have seen men drag

Gates St. Girl Is Discharged At Hospital

Miss Alfreda Hinkle, 288 E. Gates-st, who was taken to Mercy Hospital last Friday night with what was then thought to be a fractured skull, was discharged from the hospital Monday, according to hospital records.

It was stated at the time of the wreck in which Miss Hinkle was injured, that she was pinned beneath one of the wrecked cars and was freed by the efforts of firemen called to the scene.

Also injured were Howard Snyder, 21, of 1344 Stafford-st, who suffered injuries to the head, and Leo Knight, 18, of 2298 S. Fifth-st, who suffered face injuries. They were taken to Mercy Hospital. Later both were dismissed.

Police said the car driven south in Jaeger-st by Larry Hersey, 18, of 2601 McComb-rd, was struck in the left front by the westbound auto of Snyder and Miss Hinkle.

After the impact both cars careened onto the sidewalk on the southwest corner of the intersection.

Another passenger, besides Knight, in the Hersey car, Don Fogle, 16, of 286 Benfield-av, was unhurt, police said.

Dads, Cubs Go To Camp

By the Cub Reporter

Twenty-five dads accompanied 30 Cub Scouts of Pack 133, Oakwood Methodist Church, to Jeffrey Lodge for an overnight camping trip Aug. 4 and 5. The lodge is located several miles north of the Zoo at Twin Lakes.

Holly Dunning, committee chairman, organized several baseball games, foot races, and a tug of war between fathers and sons.

After potluck supper the campers gathered around a camp fire for a wiener roast. Wayne Edwards strummed a guitar while the boys sang. Dick Zuble, the wrangler, talked to the group about handling guns safely and showed the boys the different types of hand guns.

The boys slept on cots and bunk beds while several of the dads alternated guard duty throughout the night. Next morning, Sunday School services were conducted by Lloyd Fiddler in a wood area at the rear of the lodge. The campout was completed at noontime with a big dinner.

State Champ To Play In Band At Ohio State Fair Soon

Vicki Hess, daughter of Mr. and Mrs. Robert Hess, 1186 Woodrow-av, and a ninth-grade student at Marion - Franklin Township recently won high honors in majorette dancing. She won the state championship title in acrobatic dancing and military strutting. Later, in Detroit, Mich., she won the national championship award in acrobatic dancing in the All-States National Hobby Club, held July 27. Vicki has been a member of the Marion-Franklin High School band the past three years and will appear with that group at Ohio State Fair August 28.

Third Annual Bargain Days Are Just Ahead

(Special)

South Siders have reached the time of year when merchants of the area, the strong bargain-givers to the public, have made it possible, along with the South Side Leader, for South Side Leader readers to make great savings in their purchases, according to a spokesman for the merchant groups. The big days are Thursday, Friday and Saturday, Aug. 16-18.

In this issue of the Leader will be found widespread opportunities to purchase wanted items at substantially lowered prices. This is so, of course, because at the mid-point of the year, when there is a bit of let-up in buying because of vacations, trips, and just "away"-mindedness, merchants look over their stocks and scratch their heads until they have got the prices down, as several merchants have said, "to a compelling price," when the buyers simply can't afford to wait longer.

Another Aid

There is another aid to these lower prices and, for the merchants, increased sales. This is the "Find the Misspelled Word" contest, which hit a new high in popularity following last year's similar contest. In this, the reader becomes a "proofreader" to find all the misspelled words appearing in advertisements on these special pages.

Misspelled Words

Misspelled words have long been an intriguing interest to readers of advertisements in newspapers and magazines. Therefore, it was considered desirable this year, according to the merchants, to carry on with the ever-so-popular program — a program of misspelled words the proper identification of which will bring real cash into the hands of the winners. Readers are advised by the merchants and the Leader display advertising man, Tom Sharp, to study each advertisement closely and to follow the instructions.

Real Value

Most merchants early in the year take into account the lethargy in buying which takes place every summer, and they plan to launch the big bargain programs about this time of year, when people will "hop out of it," as one advertising man told us some years ago, "and go get the big bargains which local merchants always provide for their customers."

$30 In Prizes

Again this year prizes total $30. You may win a share of this by carefully studying the rules and carefully reading the advertisements. There is nothing difficult about this—merely care in reading and spelling the words, letter by letter, will aid you to your share of the reward money - cash in your hands for finding the errors, in writing neatly about your findings, and by promptness in mailing your findings of misspelled words. There are three prizes: $15, $10 and $5.

Playground Season To End Soon

The noisy hours of children's play in the various playgrounds of the area will be mostly silent after next week, according to announcement for the Recreation Commission this week.

Said to be a record-breaking summer from attendance and interest viewpoint, the coming of school days was said to make it necessary to end the program during the latter part of the coming week.

One feature mentioned by workers in the summer's recreation program was the absence of injuries during the summer. Inquiries disclosed that not one injury beyond a "30-second crying spell" has been incurred, and none requiring any special attention.

The Nylon Safari by Rehna Cloete. Rehna Cloete accompanied her husband, Stuart, on the trip that resulted in his best seller, "The African Giant." Mrs. Cloete's book points up the humorous aspects of this now famous trip.

What a Year! by Joe Alex Morris. The year 1929 was a turning point in American history, in the bust that followed the boom and in just about every other way as well. In this brilliant recreation Mr. Morris brings back the whole story. Every page is alive with stories well told and vivid human beings—one of the most entertaining books one could want to read. There are very good photographs of interesting personalities and events.

One Man's America by Alistair Cooke. For more than a dozen years Mr. Cooke has been talking across the Atlantic, describing and explaining the American scene. Out of his weekly broadcasts since the war he has selected 32 of the most trenchant or the most entertaining. A delightful and constantly surprising book.

Animals and Other People, by Louis Bromfield. Here is a book to delight people of all ages, excepting only those having no interest in living creatures. The stories are sensitive and intimate, for Bromfield was aware that every animal and bird has a personality of its own and that even among cows there are music lovers, clowns, and termaganis.

St. Mary's Homecoming Plans Said To Be Completed

When the reporter went to a meeting of the various homecoming groups in St. Mary's elementary school at 685 Mohawk-st, a few evenings ago, it was easy to see why everyone in the affair is positive that the homecoming will be an outstanding success.

In addition to a group of committee chairmen, there were others, a big crowd, of helpers—people who had come out to listen to final instruction in preparation for this coming Friday and Saturday "big affair."

Committee Chairmen

Committee chairmen for the Friday and Saturday evening homecoming are A. G. Rueckel, Leroy Stein, Rev. F. Schaefer, Rev. J. Haag, Mrs. E. R. Eyerman, Mrs. C. Andress, Mrs. H. Kaepner, Mrs. F. Michael, Mrs. R. Trott, Mrs. J. Quickert, Mrs. C. J. McGrath, Joseph Tanner, Marie Geissinger, Jack Wassmuth, Mrs. H. Esselstein

The homecoming will be held on the school grounds beginning at 6 each evening, with pizza and fish being featured Friday evening, while pizza and hot and cold sandwiches will be served Saturday evening.

Pay For School

Funds from the homecoming are destined to be used in paying off the cost of the new building now nearing completion. Rev. E. Burkley, pastor of St. Mary's parish, told the Leader that dedication is expected to take place Sept. 2 at 4 p.m. Bishop Ready will make the dedication and unveil the statue of the Blessed Virgin Mary and bless it. The statue is 12 feet high and is of pure white Italian marble, the pastor said.

New Students To Enroll At M-F August 20 And 27

E. E. Gearhart, principal at Marion-Franklin High School, Monday announced that the board has determined upon the registration days for new students entering the school this year.

These registration days are for students in the ninth to the 12th grade, inclusive, the principal said.

According to the schedule, the first registration day for new students will be Monday, Aug. 20, when the school doors will be open beginning at 9 a.m. and continuing until 4 o'clock in the afternoon.

Principal Gearhart told the Leader that the same hours, 9 to 4, will be in effect on the following Monday, Aug. 27. It was suggested that, where it is possible, students to be registered should try to attend early in the day.

No Tantrums For Parents

Self-control should be learned by parents before there are children. Tantrums in parents will make a child's life unstable, create incapacities, make unhappiness. Children deserve better.

Lions Dedicate Bath House Gift To A Camp

Participating in the dedication ceremony were, left to right, back row, President Ed Finley, Floyd Lemmon, Clovis Loudenslager, Dave Wood, Harold Poll. Front row, Robert Wolfe, camp director; Martha Bucke, assistant camp director; Bill Noormis, Tom Sharp.

Dedication ceremonies recently were held at the new bath house which the Southeast Lions Club donated to the Triple S Camp, according to an announcement by the Lions.

'Typical News' Writing Said To Have A Definite Pattern

By Oliver Godsint

Newspaper people never try to be "different." When they are "different" it is because to a large extent they are following accepted customs, long established, while the vast majority of people slip over into the thinking and speaking popular in the era. The newspaper man sort of gets molded, and he works along the accepted line.

Newspapers are slower than any other group of artisans to let go of "good English" writing, although we do have our slip-ups and omissions and commissions. We are not an elect people except in our attachment to about the only "estate" that we (newspaper writers) will ever have. For, let us say, we are not "big time" individuals as far as finances go. We believe we have more happy compensations than can be found in any other business.

Human Touch

Then, if great emoluments are not the lure, what is it? This question has often been asked and few have been satisfied with the answer: there's something in the business which "gets a fellow." This includes the close relationship which newspaper people must keep with the neighbors, in a business way and personally. There is a tightness of friendship which is keener than in other fields. That is because the newspaper business is one of creativeness, is one of analysis, is one of understanding. And, this fact is the thing which creates in the newspaper writer a conscious admiration for people, although the writer may frequently be criticized by those very people whom he so greatly admires.

Matter of Opinion

A few years ago the writer went to a southern town where he owned a small newspaper, a town in which he had spent part of his childhood and where he had a number of friends. One of the ladies (one who lived in the way, way past) became angered by a humorous comment in the editor's column and started a petition against the editor following his refusal to make an apology. Well, she worked hard, and in a town of 4,700 people she had 15 signatures at the end of eight days. Then the community let us know that we—well, to say the least, we could stay in town. Bless good friends!

So it is, frequently, that some one will be peeved because of something written or something which was not written—and the newsman is pilloried; well, he is for a little while. But then good nature pops up and people smile at the newsman — he's their newspaperman, isn't he? And they feel that they have, for some reason, a responsibility to nurture him. And they DO!

In what other field can one find so many good people who give so generousl, of their friendship? I have never found it.

ant figure on the American political scene today. He is also one of the most controversial and least understood. Mr. Keogh, an associate editor of Time magazine, has written and edited this book to unravel the true from the false with a view toward presenting an unbiased account of the man and what he stands for.

My Brother Adlai, by Elizabeth Stevenson Ives. You will find this book an engaging introduction to one of the most important personalities in the world today. Stevenson's sharp wit and mature leadership are known everywhere. There is another Stevenson—a personal portrait composed of intimate and affectionate memoirs by his only sister, Elizabeth.

There, in effect, is a Stevenson who is not public property. A fine, personal family story.

When I consider thy heavens, the work of thy fingers, the moon and the stars, which thou hast ordained . . . What is man that thou art mindful of him? . . . For thou hast made him a little lower than the angels, and hast crowned him with glory and honor — Psalm 8.3-5.

A LOOK BACK IN THE YEAR 2000

Looking back from the year 2,000 — in sort of a "Bridie Murphy" theme in reverse — the weekly *Phoenix Arizonian* made the Congressional Record with the following editorial, entered into the Record by Rep. John J. Rhodes of Arizonia:

"Now in those days (little more than four decades ago, but they might have been centuries) man, a fumbling and contradictory being, had discovered coal and oil in the bowels of the earth, the invisible force of electricity, and even good in the barren wastes where a more logical creature would never have looked for anything. But man had not discovered the sun, which from the beginning of time had hung high in the heavens for all to see.

"In that primitive era, men depended upon a smelly, inflammable liquid called gasoline to power their cars, their homes and, ergo, their lives were entangled in a snarl of wires conducting electrical current to their lights, their wireless radio sets, their thousands and one devices to serve the home.

"A fuel mined in underground gloom and danger in one State would be shipped thousands of miles to heat homes and be smirch cities in a far-off State. Waterpower to generate electricity was a complicated industry in itself, keeping hundreds of thousands too busy to look at the sun, much less enjoy its ready benefits — except on vacation, when they frantically offered their bodies to its rays to be transformed into a burnt sacrifice to their pitful ignorance of solar potentials. There it was, God's sun, intended for man's great benefit, shining alike on the factories of New England, the farms and forests of the South, Kansas wheat and Iowa corn, and Colorado rangelands, and California forests and cities, and Pacific-washed beaches — and all of the rest of man's world, too — and no man knew it for what it was.

"A few scientists, to be sure, ventured singly to probe the mysteries of solar significance. While other men fooled childishly with pitiful man-contrived sources of power, these visionaries sought the revalation of solar power.

"Obviously, the breathtaking import of what it could do for mankind was too fantastic for the normally conditioned human brain to contemplate, but maybe, possibly, just suppose.

"In this present year of our Lord 2,000, the manner of life of less than 50 years ago seems quite unbelievable. The sun's servitude to all mankind has enabled man to take more tremendous strides ahead than in all the earlier years since the birth of Christ.

"Today every schoolboy know. that the era of solar employment came into being on a date more significant for mankind than 1066 or 1776 — the first days of November, 1955, when the world's greatest scientists met for the first world symposium on applied solar energy in Phoenex, Arizonia.

"There and then began the world we know today."

ging heavy balls and carrying heavy loads, a big chain on a leg of each prisoner. Then, at night, without screening, lying under a bright light, prisoners are supposed to sleep. Some do, from utter exhaustion, to suffer the next day from the attacks by swarms of mosquitos and other insects. Can this be so in this land of ours?

Science Needed

These good United States of ours would face a bleak prospect without the scientific brains lodged in all the crevices of our national life. This thought arises from the reading of details of our population increase — it's overwhelming to contemplate. Of course, one of the first thoughts arising from thinking of the figures is, how will we support ourselves as the years go by and the square footage of area per person is reduced — down and down and down? Science is our hope, of course. Bless science, and may we use it intelligently, for the sake of future generations. You and I will not be affected. Our descendants will be. But it is well that we think of it and promote the scientific spirit of the country, that posterity's future may be bright.

Mr. Hess Is SO Right!

Confirmation of the value to the retailer of display advertising is found, again, in the words of Max Hess of Allentown, Pa., head of a large department store. He wants retailers to advertise even more than now. And he wants them to advertise in the newspapers. He says that's the way to increase sales, be of service to the community. He says 84 per cent of all merchant-advertising is spent in newspapers, but "90 to 95 per cent of the store's budget should be spent in newspaper advertising." Mr. Hess speaks from long and successful, and unselfish, experience.

Why So Gullible?

A Canadian has been charged, in Columbus, with violating Ohio "safe securities" statutes. People who buy mail order "securities" from out-of-country sellers haven't the proverbial "Chinaman's chance" even to get their money back, to say nothing of making a profit. There are sufficient business men in Canada to buy up GOOD securities, reinforced by their American friends who are investors. It's only the fraudulent type of security which "back alley" sellers bootleg to our smart American easy marks. Investing is known American or Canadian businesses, even oil and mining properties, is sound—if the securities are bought through well-known investing houses. We have them here in Columbus, all over Ohio, registered, reputable, and helpful. Don't let shysters shrink your bankroll. Your banker is a better bet for your safety —and profit.

Classified Pages Carry Big News Of Interest To Many

The South Side Leader often carries more news on its classified advertising pages than on page one. On page one you can find out about accidents, community clubs and community progress.

But on the classified pages you'll just find out about one thing—people, what they have to sell and what they want to buy, who wants a job—and who's got one to offer. You'll find out how much the old car in your garage is worth, and who will buy it.

In the classified section you'll see flagstone walks for sale, baby furniture for rent, a plea for the return of a lost parakeet, such things for sale as refrigerator, motors, grave markers, rubber stamps, a Boy Scout uniform, an English dinner gong, a music box, exercising machines and a Hawaiian guitar.

You can find folks to clean your sewer, paint your walls, cut your trees and mow your lawn.

There are also collectors who want to buy antiques, new parents wishing to buy a baby bed or a grocery wanting fresh eggs.

Under help wanted, there are such jobs as a reporter, baby-sitter, custodian, waitress or salesman.

These things and many more such as used television sets, flower plants and accordion lessons or things involving success or failure — in business or life are important, and it's news. And that's why the classified pages are vital to the South Side Leader.

moved to make the gift of the bath house to the camp because the camp's facilities were limited to carrying water in pails from the nearby stream to the camp for bathing purposes. This, Martha Bucke, assistant camp director, said, was at times unpleasant, especially when the weather turned extra cool.

The new building presented by the Southeast Lions was described by members as "equipped with six shower stalls in each section and with twin wash basins. Twin medicine cabinets extend over each wash bowl." It was stated that there is ample room for a large number of children to be served at the same time.

Robert Wolfe, camp director for the Triple S Camp, which is sponsored by the South Side Settlement House, said that the camp serves approximately 170 children each year, with girls constituting one-half the total.

The flag pole shown back of the group of Lions at the dedication of the new bath house was a 1956 gift by the Lions.

WHY! HOW QUICK!

Yes, Leader classified advertisements rack up a lot of success — like this, as an instance:

"Sirs: Sold both articles today that I advertised in today's South Side Leader. Thank you."

We Can All Understand This

'Tis the night before payday
And all through me jeans,
I've hunted in vain for the
Ways and means
Not a quarter is stirring,
—Not even a bit.
The greenbacks have left me,
The pennies have quit.
Forward, turn forward,
O time in thy flight,
And make it tomorrow
Just for tonight.

Ross' Vacation To Be—Who Knows?

Mr. and Mrs. Ollie Ross, 488 Jenkins, left yesterday for an extended vacation to—but they didn't know.

That's a fact. When they left Wednesday morning they had but one definite stop, the first—Pittsburgh, where four children are visiting. From then on, Mrs. Ross said, it's to be just wherever they happen to be. And when they are tired of it, they'll come home.

Miss Carolyn Ann Sauer Now Wife Of R. M. Roach

Holy Spirit Church was the setting for the double-ring ceremony which united Miss Carolyn Ann Sauer and Mr. Ronald M. Roach in marriage on Saturday, July 14. The Rev. Robert Harwick solemnized the 10:30 a.m. ceremony before an altar decorated with vases of white gladioli, chrysanthemums and emerald foliage.

The bride is the daughter of Mr. and Mrs. Joseph W. Sauer, 711 E. Mithoff-st. The bridegroom is the son of Mr. and Mrs. Perry A. Roach of 639 French-dr.

Given in marriage by her father, the bride wore a gown fashioned of chantilly lace and nylon tulle. It was designed with a lace bodice featuring an illusion yoke and lace collar studded with iridescent sequins and pearls. Long fitted lace sleeves tapered to points over her hands. Her very bouffant skirt of tulle over satin cascaded over a hoop and billowing crinoline and extended into a chapel train.

A petal half hat of iridescent sequins held her fingertip veil of imported illusion. She carried a crescent of white stock florettes centered with a white orchid. Her only jewelry was a gold cross and chain, a gift from the bridegroom.

Mrs. Richard Sauer, the bride's sister-in-law, was matron of honor. Bridesmaids were Mrs. Alfred Steinwender and Miss Cathy Rush.

The attendants wore identical waltz-length gowns of sheer nylon over pastel slips of green taffeta. Their open crown picture hats were of matching nylon net and they carried French baskets of Picardy glamellias with matching streamers. Green satin pumps completed their ensembles.

Richard Sauer served as best men. Guests were seated by Alfred Steinwender and Theoore Miller.

Immediately following the ceremony a wedding breakfast was held at the Desert Inn. A wedding reception was held that evening at Corpus Christi Social Hall.

For her daughter's wedding Mrs. Sauer chose a waltz-length gown of rose lace over taffeta with white accessories. Mrs. Roach wore a sheath dress of beige lace over taffeta with white accessories. Both mothers wore corsages of white feathered carnations centered with pink rosebuds.

The new Mrs. Roach was graduated from St. Joseph Academy and is associated with the Columbus Mutual Life Insurance Company. The bridegroom is a graduate of South High School and is employed by the Brooks Ignition Company.

Following a wedding trip to Washington, D.C., the new Mr. and Mrs. Roach are residing at 52 E. Gates-st.

Betty Palumbo Will Be Wed

Miss Palumbo

Mrs. Lee Roy Van Gundy, 2028 W. Third-av, has announced the engagement of her daughter, Miss Betty Jane Palumbo, to Ralph L. Moore, son of Neal Moore, Sr., 189 Innis-av.

Miss Palumbo is a graduate of Our Lady of Victory School and is employed by the Shoe Corporation of America. Moore served four years with the U. S. Army and is now associated with Bard, Inc.

The wedding will take place Saturday, Aug. 18. Following the wedding the couple will live at 274 Innis-av.

Miss Strauss, Mr. Dover Set Wedding Date

Mr. and Mrs. Nichola A. Strauss of 720 Jaeger-st, announce the engagement and approaching marriage of their daughter, Marjorie Ann, to Donald Everett Dover, son of Mr. and Mrs. Daniel H. Dover, 2303 Linden-av.

Miss Strauss is a graduate of South High School and is employed as a dental assistant for Dr. Harry D. Spangenbery, Jr. Mr. Dover is a graduate of Linden-McKinley High School and is associated with the Columbus Dispatch.

The wedding will take place Sept. 30.

Florida seems to be a summertime vacation spot as well as a winter one any more, for we know two families who have just returned from the peninsular state. Mr. and Mrs. Jack Wardlow explored the state pretty well, visiting in all sections. Ray and Margie Speakmon spent their time visiting former Columbusite, Mrs. Hanley. The Wardlows are Lockbourne-av residents, while the Speakmons reside on S. Third-st.

Last Saturday, Aug. 11, was an important date for former South Sider Sally Eiler. On that day the young lady marine exchanged her marriage vows in Texas. (Our informant didn't know the name of the young man, so sorry we can't pass that along.)

Learning lullabies is just about a "must" now in the home of Mr. and Mrs. Don Hackett, since th advent of the wee young lady in their household.

Little Sandy Ward became a young lady of two years on Aug. 13. Sandy is the daughter of Ray and Analine Ward.

Gorsh! Here 'tis time to invite bowling girls to get together again with the Swanette League of bowlers. Gals of about 150 point average needed. So, gals, toss those replies in like you were after a strike — and telephone either HI. 4-8003 or HI. 4-6637 before Aug. 20.

Rev. Willie Davis of 1460 S. Fourth-st, is listed on our ailing list this week and we know we are joined with his hundreds of friends in wishing that his recovery is rapid and complete.

Buss and Grace McCaffrey, with daughter Shirley, and Mr. and Mrs. Oyer, all Frebis-av residents, spent their vacation time in Maine, where the McCaffreys visited with Bob, their son, who is in the Navy.

Birthdays that occur at this time of the year are those of Allen Fausnaugh, Aug. 21, Douglas Leonard, 515 Forest-st; Orla Hysell, 1482 Lockbourne-av, Aug. 22; Maxine Phillips, also Aug. 22; Jo Barrett, 1533 Lockbourne-rd, 17, Aug. 25; Eddie Anne Boughman, 1575 S. Sixth-st, 17, Aug 26.

A fractured wrist is the unhappy lot these days of Ruth Smith. Mrs. Smith resides at 28 W. Markison-av. Other ailing members of the community are Roseanna Spahn of Frebis-av, who is in St. Anthony Hospital, Mary Heslop, ill at her home, 1834 Washington-av; Katharine Brooks of Linwood-av, and Sylvia Lynn, 239 E. Whittier-st.

Mrs. Roy (Laura) Williams, 565 Cline-st, who is to be publicity chairman for South PTA this soon-to-be-here school season, took herself off to Docor's Hospital last Friday afternoon for a minor operation. Laura says it was a happy stay—from Friday until Tuesday—because she had as her roommate Mrs. Mark (Marie) Asher of 1573 S. High-st. They both seemed to be pretty chipper upon returning home, so guess the "mutual" interest Laura spoke about covered both of them and seems like a friendship started is scheduled to grow. They're both doing all right, they said.

And there's Bonnie Jean, six years old Aug. 10, and wee-one of the Jack Howards, 39 Sheldon-av. Two brothers and neighborhood children played games with Bonnie and they all had ice cream and cake.

Former members of Mrs. Seidle's class of South Methodist Church held a reunion last week in the home of Marnelle Reiniger. Eight of the members who were able to attend were Betty Nowacki, Imogene Brown, Dorothy Miller, Mary Mick, Harriet Ferrell, Mary Strawser, Joyce Scott, and Ann White.

August is a "celebrating" month for the Harlen Grissom family, for there are two birthdays and the wedding anniversary of Margie and Harlen to circle on the calendar. Aug. 29 will be the 19th anniversary of this vivacious couple, preceded by the Aug. 19 birthdate of heir son, Steve, and the Aug. 23 birthdate of Margie.

Two S. Sixth-st neighbors have a very fine chance of seeing one another on their vacations, for both families are vacationing at Indian Lake this week. Margaret and Walter Miller are two of the vacationers, while the other four are Clarence and Betty Zielke their children "Butch" and Linda.

Ralph Moore, 189 Innis-av, will be exchanging his wedding vows this Saturday with Betty Jane Palumbo, 2028 W. Third-av.

We received an invitation to the family picnic of the Leonard clan, and we hope we can attend, for one line intrigued us. This is the line that appealed the most: "All the monks aren't in the Zoo; come and see." The picnic will be held this Sunday at Perry Anderson's "Rancho," north of Newark.

Patti and Jerri Hampton, 190 E. Jenkins-av, will undoubtedly have many exciting things to tell their classmates about their vacation trip to the East Coast for they had an excellent guide, due to the fact that their mother was originally an easterner and could show them things that the average tourist knows nothing about. Donna and the two girls spent their vacation in New Jersey and New York.

Finally succeeded in having a little visit with Imogene Wilson Brown during one of her visits to her folks! Imogene and Sandy drove down from Michigan and were here for two weeks, leaving this past Tuesday. (Her folks live just three houses up from our house, but seems like we rarely make connections!)

Mr. and Mrs. Bayes, with two of their children, toured the South during their vacation this year. The Bayes are residents of 47 E. Welch-av.

No more items to write about, and now that we're home and convalescing, we'll be able to personally take your news. Phone number didn't change, so call us at HI. 4-051; we'll be more than glad to hear about the events in your life. Till next week then, 'tis . . .

In Passing

By Esther Weakley

JUST IN PASSING

I spoke to you last night
And heard a robin winging overhead,
A sparrow sigh.
The moon grew blonde,
The stars assumed a studied shine.
I spoke to you last night,
And from your quiet tones
A fountain sprang,
Silver strains of water sprayed the air
And wind-waves shook my hair.
Sue Abbot Boyd, in Contemporary Verse.

Mail—From the mother of five-year-old twins: "Some days, I would give a thousand dollars if I had it, for those twin isolation booths" . . . From the mother of two teen-age boys: "I was rummaging through some boxes the other day and came across a letter you wrote to me when the boys were eight and ten. You enclosed a poem clipped from a magazine that somebody had sent to you. I believe when your son was little. Do you remember it?

My son is up in the sweet-gum tree;
His jeans are caught on a middle limb
And motherhood is prodding me
To rescue him.

But Butch is there; the gang's along,
And, though a broken bone seems certain,
Lord, keep me here where I belong—
Behind this curtain!"

Best congratulations to Irwin (Early Worm) Johnson, who recently started his 17th year on WBNS Radio.

Donald Eastman, 8 Lake-st. White Plains, N.Y., sends these two verses:

SWEET AND SOLO

What's best for you I don't foresee
Nor wish I could—
I only know what's best for me
Is none too good.

WOLVES

A wolf whistling like a man
Has ruined many a marriage plan,
But ruin has come to many more
By one howling at the door.

Mr. Eastman's verse is well known and widely published. He is a former resident of Cleveland.

QUOTE—A man is a human being who has unexpected expenses every month, but doesn't expect to have any next month . . . The man who ridicules his wife who can't drive the car through a 12-foot garage door, usually sobers up when he tries to thread a needle . . . Drum-Buglers To Be Formed By Marine Reserves

A Drum and Bugle Corps will soon be organized in the Columbus area by Major Thomas H. Dudgeon, commanding officer of the 27th Special Infantry Company of the United States Marine Corps Reserve. Marine Commandant Pate authorized formation of the corps because Columbus is the state capital and hub of many military and civilian activities. Ordinarily these musical organizations are authorized only for the regular Marine Barracks and Bases.

Drummers and buglers will be selected from members of the unit and will continue their training in addition to their musical chores. Juniors At Schiller Wind Up With Win

Schiller's softball teams ended their league play the past week with respectable records in the win-loss columns. The junior team won its last game with Mohawk Playground by a score of 10-4. Schiller's season record was six wins and no losses. This gave them undisputed possession of first place in their league. Having qualified for the semi-finals in the city-wide playoffs, Schiller suffered its worst defeat at the hands of Lincoln Playground, by a score of 25-5. Leading batters for the season were Ron McDaniel with .500, Ted Salvage, .500, Ronnie Skeen, .444, and Mike Chancey with 428.

In Second Place

The Intermediate team didn't have quite as impressive a record in the win-loss column, but they still ended the season in second place in their league. Season's record was three wins and three losses. It was a battle for first place in the league until Livingston Playground met the challenge by winning last week's game by 17 to 11. As the season progressed Schiller's team improved and always outhit the opponent, but sometimes ended up with fewer runs. Leading batters for the season were Tom Bolen with .533, Gary Grimm, .565, Frank Clements, .466, and George Carter with .451.

Schiller's senior team ended the season by blasting Mohawk Playground, 13-2. The team had a season's record of four wins and two losses, thus giving them the right to play in the city-wide playoffs. Leading batters for the season were Frank Wonn with .571, Bob Parfitt, .461, Dick Scumacher, .400, and Bus Crabtree, with .400.

Ever wondered what's being done to reduce traffic accidents? Or accidents in general? What's being done to protect you and your loved ones from injury and death? Well, there are probably people near you hard at work on the problems of accident prevention. Frequently they're volunteers who have joined hands in an organized effort. But safety takes more than volunteers and councils. Safety needs the sincere backing of every individual in the community. Your active support is needed. If there isn't a safety program in your neighborhood,

LET'S GO SHOPPING FOR: tomatoes, green beans, potatoes, squash, turkeys.

It's vine-ripened tomato time, so take advantage of the plentiful supply by serving garden fresh tomatoes every day, and can some for winter use.

The tomato crop is reported to be very good although smaller than last year due to the cool, damp weather this summer.

Tomatoes are an economical source of vitamins A and C. One pound of tomatoes will make four salads. One bushel, or 50 to 53 pounds of good quality tomatoes will yield 20 quarts of canned tomatoes or juice.

If your family enjoys whole canned tomatoes, pack jars with small whole tomatoes or larger ones cut in half. Fill jars with fresh tomato juice, add one teaspoon salt and process 20 minutes in hot water to cover the jars. Serve the tomatoes chilled as the salad course with winter meals. Strain the juice left in the jar and serve it for breakfast. It tastes more like the juice of fresh tomatoes than does canned juice which had been extracted from quantities of tomatoes at canning time.

Fresh green or yellow wax beans in season are usually more economical than frozen beans. The unit price being equal, you get four or five servings from one pound of fresh beans, but only three servings from a 10 oz. package of frozen beans.

Modern homemakers need not cook green beans all forenoon just because mother or grandmother did. Over cooking destroys both flavor and food value. For best results cook garden fresh green beans or yellow wax beans in a small amount of boiling salted water in a covered pan only until tender but firm, about 20 minutes.

Why the high price tags on potatoes? The main reasons have been a relatively small spring crop and weather conditions which have delayed harvesting.

Prices are now starting downward as supplies increase and the new Ohio crop is moving into market. Prices may not go as low as usual for summer potatoes because of the small acreage to be harvested. When we consider potatoes from the standpoint of their cost per serving, their food value, and their place in the menu, potatoes are still a good selection even at the present higher-than-usual prices.

Thre early summer squash are now on most markets. The yellow summer variety, which may vary from light to lemon yellow in

Wet Spots In Fields Point To Poor Drainage

Ohio farmers may profit at least one way from those wet spots in their fields where crops drowned out this year.

Such spots are tell-tale signs of poor drainage. By marking those areas now farmers will know where to take corrective measures in the future, says Samuel W. Bone, Ohio State University extension agronomist. The cost in crop losses this year might pay for making those areas productive, Bone says.

The agronomist suggests farmers make critical checks of soils in wet areas. If the subsoil contains a waxy, sticky gray layer, a surface waterway may be better than tile to remove excess water. If the subsoil is not gray or waxy, an additional tile line or the extension of an installed line may do the job. But farmers should check to make certain the present line will carry the extra load of additional tiling.

If the wet area has no outlet, a farmer might plant it to grasses which do well in wet soils and keep it in pasture. Or he might develop it as a wildlife area or pond site, Bone says.

TO AVOID SHINE

Iron dark cottons on the wrong side to avoid a shiny look. Linens may have a sheen when ironed but dark cottons should be dull in appearance.

Ruth Ann Haag, Charlene Haag, Charles Miceli, Nancy Miceli, Sharon Drumm, Kathy Bryan, Sandra Noltmeyer, Mary Roehrenbeck, Cathy Segio, Charles Haag and Tina Borst, all from Karns Playground, are attending the pageant being given today by the Columbus Recreation Department.

The playground period ends Aug. 24 and just after that school doors open again.

WATCH SOIL STRUCTURE

Soils need desirable structure to resist raindrop splash and packing Soils with poor structure run together, the surface seals quickly, erodes easily, and absorbs summer rains very slowly.

Over 60? You'd Like Senior Citizens' Center

More And More Folks Of This Community morial Hall Attracts Basement Of Old Me

• • •

It's pretty hard to find grandpa at home these days now that the Senior Citizens Recreation Center is going full blast downtown at the Old Memorial Hall

We called the residence of 90-year-old Lafayette Byrum, at 382 S. Hague-av, to get his comments about Senior Citizens Clubs. "You will have to call early to get grandpa," someone in the family said. "He leaves right after breakfast and joins the Senior Citizens downtown."

We tried to call a West Side grandmother. "Sorry, she's not here . . . she went with the Senior Citizens for a boat ride and picnic on the Scioto this afternoon," was the answer.

So we stoppped at 280 E. Broad-st to see what attracts so many of our friends who are 60 years or older. It was Friday. The "cracker barrel session" (current events) had just broken up and a room full of contented oldsters were chattering happily over tea and cookies. Soon they broke off into groups playing cards or checkers, doing crafts, watching TV or just enjoying good conversation. The crafts instructors were there to help them.

We interrupted Mrs. Jane Probst at her euchre long enough to find that she had no spare-time problem on her hands. This active 74-year-old resident of 342 S. Richardson-av, said she sews regularly for guilds at White Cross and Doctors Hospitals and relaxes at the Senior Citizens Center. It is open from 11 a.m. until 4:30 p.m.

Ward H. Lee, nattily-dressed 82-year-old, does double duty as president of the center and editor of the Senior Citizens's newspaper.

Began Two Months Ago

Neighborhood clubs for older folks have been encouraged by the City Recreation Department for some time, but the downtown Center has been open only since May. It is directed by Miss Florence Worrell. County commissioners gave the department permission to open the ground floor of the hall for this purpose. A bond issue to help maintain the building will be presented to voters on Nov. 6.

Members of the Columbus Pilot Club (professional women) have done much to get the center under way. They helped to furnish and decorate the quarters and they regularly serve as hostesses at Friday night dances or monthly birthday parties. Several interested persons help some members to buy bus tickets or pay their annual dues of two dollars.

Senior Citizens will have several more outings this summer. Planned are a trip to the Zoo, party at Sunshine Recreation Center, picnic at Blacklick Woods and a trip to Hocking Hills.

Mrs. Mayme Bryant of 638 S. Hague-av is very enthusiastic about the center. "If more folks would just go down and see for themselves, I'm sure they too would want to take part," she said. "When several of my friends read about it we went down on opening day. We go there at least twice a week now. It is not a lonely hearts club. I even heard of one old gentleman' who remarked that he'd rather go there than to Florida."

"For one thing I don't have to worry that some man-huntin' widow is lookin' me over . . . I can play checkers here in peace," he is reported to have said.

If you are over 60 or know of anyone who would enjoy these activities, call the center at CA. 1 6090 for more information. About six neighborhood clubs for oldsters are organized in west Columbus. You can get the name of the nearest one by calling the Council of Social Agencies at CA. 8-4700

YOU'RE NEVER TOO OLD to find new hobbies and friends at Senior Citizens' Center, these folks have found. Looking up from some pillow cases which are brightly decorated with silk-screen paints are (left to right) Mrs. Eva Sager, 70, of 591 Townsend-av; Lafayette Byrum, 90, of 382 S. Hague-av, and Mrs. Bessie Smith, 75, of 178 S. Souder-av.

TWO PRESIDENTS get their heads together to add an item to the Senior Citizens' newspaper. Frank Hogan, 85, (left) has been president of the Golden Age Club at Sunshine Center for six years. Ward H. Lee, 82, right, is president of Senior Citizens Center, edits the newspaper, and conducts the Cracker Barrel session.

WALTZING . . . not with Matilda, but with Lena Stickel, to venerable Abe Harris, 85, of 559 Bulen-av. She is a resident of 30 E. Mithoff-st. Abe is an experienced dance instructor and is popular at the Senior Citizens Friday night dances at Old Memorial Hall.

Garden Club Plans Annual Picnic Supper

Annual picnic for members of the Riverside Garden Club and their families will be held at the home of Mrs. Frank Kultchar, 5086 Riverside-dr, Aug. 16, 6 p. m. Picnic feature will be chicken barbecued at the picnic by experts from Ohio State University. Sweet corn and other delicacies will complete the menu.

Following supper, children will be entertained by movies while the club members will listen to Dr. Wilbur Todd, professor of botany at OSU.

Walt Hamer, 3569 Henderson-rd, is picnic committee chairman, and his committee includes Norm LeCrone, Ed Spillman, Lee Asbury, Chick Amon, Jim Nance and Gene Hebert.

EGG FACTS

Eggs warmed to room temperature will give more volume when beaten. But the yolk will separate from the white easier if the egg is chilled.

Famed Holstery Has Old Painting

At West Gate Temple there is an oil painting of the Four-Mile House done by Richard Barnett, a former Hilltop resident now living in Amvet Village. It is a copy of George Emmert's earlier painting owned by the Distelhorsts.

Dr. William O'Harra, New Rome veterinarian remembers stopping daily at the Four-Mile House in the early 1900s, housing his horse and buggy in the stables there and proceeding by interurban car to old Central High in downtown Columbus, which all high school students in and around Columbus had to attend.

Another lovely oil painting of the historic building similar to that of Distelhorsts is owned by Mrs. Edward Wilson, formerly of 178 S. Princeton, who recently moved to California. Possibly another Emmert painting, it is a prized possession of Mrs. Wilson and she, like Mrs. Distelhorst has refused to sell it. It was given to her in payment for kindnesses rendered by Mrs. Wilson to another West Side woman whose whereabouts are not known.

All the people contacted about this building regret its loss and wish it had been preserved for posterity. Perhaps some enterprising business man at the site or on the Hilltop will choose to erect a placque on the spot where it stood! . . . Too much of Columbus' history is lost in the pages of historical societies' scrapbooks, or in the memories of people who will not live on forever.

Serves In Germany

Pvt. Clyde M. Scott, Jr., whose parents live at 217 N. Warren-av recently arrived in Germany, and is now a member of the 35th Field Aarillery Group.

Private Scott is a radio operator in Headquarters Battry of the group's 287th Battalion. He entered the army in December 1955 and received basic training at Fort Chaffee, Ark. Private Scott is a graduate of Jackson Township Local High School.

He was employed by the Baltimore & Ohio Railroad in Chillicothe.

From The Bible

And He said unto them, Where is your faith? . . . — (St. Luke 8, 25.)

As Jesus Christ inquired of His disciples, so does He inquire of each of us this very day: "Where is your faith?" Without that faith, nothing is possible to us except frustration, unhappiness; with it, all good things are possible—for truly Faith is the Answer.

My Neighbors

"My recipe's the same as with rhubarb pie—use all the sugar you can, then double it!"

Serving All Faiths

IN OUR homelike establishment all faiths are treated with the same reverence and regard for established customs and rituals. We maintain close consultations with families and religious leaders so that the service is strictly in conformity with the church. Ask your minister or priest about us if you are in need of advice.

Casto Group In First Step To Build 'City'

The "beginning of a city within a city" was attended by a large crowd last Monday when the Don M. Casto and Don Casto, Jr., real estate developers, held a ground-breaking ceremony on a section of the Hartman farm area.

Previously the Casto organization had announced the purchase of "a tract of land fronting 3,000 feet on the west side of S. High-st, located just south of Williams-rd." The tract was said to be approximately 80 acres.

In a statement to the Leader, the Castos said:

"The development, when completed, will comprise a complete integrated community of great chain stores and the leading independent merchants of the Greater Columbus area. Also included will be a complete medical center, bowling center, and other recreational facilities.

"The South Side of Greater Columbus is finally coming into its own. A great shopping center of this character will be of great service to all the farms and communities in the south, has been a big factor in spark-plugging new life into the South Side. Columbus, being the largest major city to the terrific development between Columbus and Portsmouth, is getting a reflection and naturally the South Side is enjoying a large share of the gravity pull to the Ohio River.

Another Factor

"Lockbourne Air Force base is another factor in the South Side's rejuvenation. Hundreds of millions of dollars are being and have been spent in this area. Five hundred apartments were recently completed at the base and 500 more are projected. Marion Township has had a rebirth of new schools, churches, and hundreds of new homes. 7,100 acres of Marion Township were recently approved for annexation by the county commissioners. Great industrial plants are located on the south rim of Columbus and new industrial developments are popping up in many new areas of the South Side. Williams and Lockbourne-rds will soon have many new warehouses and light industrial plants.

"All streets from the center of Columbus south drain into S. High-st (Route 23), which is the main artery south, and it connects with all main roads to Circleville and beyond."

The statement continued:

"These roads lead into countless villages, towns and into the richest farming and agricultural lands and communities in central Ohio. Therefore, S. High-st is the logical location for a shopping center.

"The Great Southern Shoppers Mart is now being built on the south side 3,000 feet of the Hartman Farm, which is slightly south of Williams-rd on the west side of S. High-st. The building of an outstanding regional shopping center on this site will increase land values for miles around, and will create a tremendous demand for land an a great building boom in the area."

Samuel A. Keller, vice-president and trust officer of the Ohio National Bank, conducted negotiations on behalf of the bank, trustee of the Hartman Estate, and Herman R. Tingley of the law firm of Hedges, Hoover and Tingley, served as legal counsel for the trustee.

(Continued on Page 4)

Pictured above is the "city that's to be" as told in the story at the left. Although ground was officially broken Monday of this week, it is expected that the shopping center—the Great Southern Shoppers City, Inc.—will be a reality, with tenants in the modern buildings and in the residential area as well, by Oct. 1, 1957. Further details in the adjacent story.

'Slum' Vote In Package Sept. 14

A special election on various bond issues will be held Friday, Sept. 14, at the usual polling places between the hours of 6:30 a.m. and 6:30 p.m., FST, according to an announcement by the board of elections.

Registration or change of address for this special election will be open until 12 o'clock noon, Saturday, Sept. 1, it was stated.

Persons having previously registered and having voted at least once in the last two calendar years (1954-1955) are still eligible to vote providing they have not changed their place of residence in the meantime. All others must register or transfer their address as the case may be, the statement said.

Must Register

All persons who have changed their names through marriage or otherwise must re-register, according to the announcement.

Persons who will become 21 years of age on or before the date of the general election, Nov. 6, are eligible to register at this time, providing legal requirements are met. All registrations must be done in person at the office of the board of elections, 410 S. High-st.

Transfers of addresses may be made in person or by mail. Such mail transfers, however, must be postmarked not later than 12 noon, Sept. 1, which is the closing time also for registrations and transfers made in person.

Rev. Buckley To Zanesville

Rev. Howard W. Buckley, pastor of the Ohio Avenue EUB Church for the past nine years, is to be the new pastor at the First EUB Church in Zanesville.

The new pastor, succeeding Rev. Buckley is Rev. Glendon Herbert of the First EUB Church in Portsmouth. He preached his first sermon in his new charge here last Sunday, while Rev. Buckley went to Zanesville to hold service in his new charge.

Mrs. Buckley told the Leader news man Tuesday that "moving day" had not definitely been decided upon, although she said it is desirable to get out as soon as possible as Rev. Herbert can settle down here. Moving preparations take time, Mrs. Buckley said, and changing ministers try to keep discomfort to a minimum.

Rev. Buckley has been an active member of the South Side Ministerial Association and Columbus Area Council of Churches.

The Buckleys have three children, two in school and one under two years of age, Mrs. Buckley said.

Date Set For Party Picnic

Clovis J. Nogawick, trustee of Franklin County Democratic Club and secretary of the board of purchase of the city of Columbus, has announced plans for the annual club family basket picnic.

The date for the family picnic is Saturday, Aug. 25, the purchase board secretary told the Leader. The affair, open to "all the public" according to Nogawick, will be held in Catalpa Park, and he will be glad to supply tickets, he said.

Chicken Dinner Date: Thursday, Sept. 6

Election of officers and other business will occupy part of the time of the Council of South Side Organizations when it meets at South Y Park Thursday, Sept. 6, for the annual chicken-corn dinner. The hour: 6:30 p. m. President Dimel of the organization has asked all members to send in their reservations at once, since the attendance is expected to be large.

Refugee Rd. Boy Wins With Sheep

Ronald Stoddard of 2159 Refugee-rd won first prize with three of his Montadale sheep at the Franklin County Fair at Hilliards last week. He had as his guest during the fair Kenneth Yunker of Morrill-av.

Ronald is a member of the Can-Win Livestock 4-H Club of Canal Winchester. Connie Stoddard was the reporter.

Prize Contestants Break All Records

An avalanche of replies by "Misspelled Words" participants followed last week's Leader announcement, in conjunction with South Side Merchants, according to an announcement Tuesday by Tom Sharp, display advertising manager for the South Side Leader.

"Naturally," Sharp said, "we expected a lot of replies, but this flood of mail is the greatest we have ever had in one of these contests, demonstrating the "pulling power," the effectiveness of Leader advertising.

A total of $30 was given away, the advertising man said, and this was divided three ways. However, he said, in this instance two of the contestants tied for third place, splitting the third prize of $5.00, Mrs. Grace Enders, 1805 S. Sixth-st, and Haysel Corder, 328 Woodrow-av, each receiving $2.50.

First prize went to John C. Jamison, 1135 Lockbourne-av, who received the top prize, $15.00.

Mrs. J. W. McGrau, 252 E. Jenkins-av, was second-place winner and therefore the winner of $10.00.

Public response to the advertising of merchants in this contest, Sharp said, was reported as splendid.

Grow in virtue now, since later may be too late.

Local Family Injured In Head-on Crash

A two-car head on collision near Wilkesville last Sunday sent Albert Ept, 136 Haldy-av, and four other occupants of his car to Holzer Hospital in Gallipolis with serious injuries. All are reported in fair condition.

In the car with Mr. and Mrs. Ept were Mr. and Mrs. George Anthony and Mrs. Barbara Galloway, all of 354 Kossuth-st. Ept's two young daughters were also in the car, but escaped without injuries.

One occupant of the other car was killed and four passengers also taken to the hospital in ser-

Band Leader Starts Practice

Parsons Branch 'Story Hour' Proves Big Hit

Pausing as they go downstairs to the special Story Hour room of the Parsons Branch Library are some of the local youngsters who have crowded these Wednesday morning sessions to overflow. At right is a group watching an ancient stereopticon. Viewing the ancient machine are from left to right, Barbara Trumps, 11, of 407 Stewart-av; Christine Van Cleve, 10, of 588 Reinhard-av; Janet Letow, library assistant; and Larry, 9, and his brother, Allen Weaver, 7, of 1225 Ann-st.

S. S. Council Members To Eat Corn Sept. 6

President Louis Dimel of the Council of South Side Organizations has called the attention of the Organization to the planned chicken and corn dinner to be held in the Optimist Lodge, South Y Park, Thursday, Sept. 6, at 6:30 p.m.

President Dimel announced that at the same time and place the annual election of officers for the coming year will be held.

St. Leo's 100 Per Cent Champions Win With 14 Straight Victories

Pictured above is the champion team of the South Side Y Church League, St. Leo's Church girls' team. It was 100 per cent champ, too, since it went through the entire season without losing a single game, winning 14 games in a row under the direction of Coach Charles Kaiser. The team amassed a total of 198 runs, limiting opponents to 36. Members of the team are, front row, left to right, Patty Applegate, Maggie Thorel, Joyce Miller, Shirley Baumann, Roe Ebelberger; back row, left to right, Helen Lynch, Rita Duckworth, Judy Hanf, Marty Buchman, Rae Driscoll, Sue Miller. Absent, Judy Krinoski, Coach Charles Kaiser.

Local Store Joins Safety Campaign In This Area

The local B. F. Goodrich Company store has teamed up with the President's National Safety Crusade to prevent accidents and save lives and property, according to Walter Haines, manager of the local store. All members of the local organization, shown above, are dedicated to do everything they can do to make the President's program effective, at least in this area. ACCIDENT LOSS

If you stuffed your living room with ten dollar bills, from the floor to the ceiling, you might just barely have room enough for all the money lost in this country every year because of accidents! The Safety Council of The Columbus Chamber of Commerce estimates that accidents cost the nation about ten billion dollars every year. Why not avoid the pain and expense of an accident by being a little extra careful today?

The Gadabout

Priscilla LaRue Lanes
HI. 4-1051

Edna Ann Baughman, 1575 S. 6th-st, is cramming a lot of "camping" in before the school bells start ringing a few weeks hence. She attended Camp Galilee near Cincinnati last week and this week week she is at Round Lake. Other young folks who are attending Round Lake this week are Dixie Darst, Betty Hawes, Jane Coder, Carol Rose, Margaret Grady, Shirley McCaffrey, Roger Brown, Danny Bayes, Les Grady, Jackie Castle, Donna Gillespie, Twila McCain, Roberta Tyler, and Priscilla Dicke.

It isn't necessary to look at the calendar to know that summer, 1956, is on the wane, for being called to attend the various meetings would be enough. The first meeting of the South High Executive Board took place last Tuesday, Aug. 14, and we hear that President Helen Denney had a fine majority present.

Lucille and Millard Hussey are currently relaxing in Michigan. The Husseys are Thurman-av residents.

We have some interesting news about another Thurman-av couple which we would like to tell you about. Ralph and Jerry Ross, 746 Thurman-av, have started a new venture and we wish them "top" success.

These wedding wishes are belated, but still good for the June 30 marriage of Mary Helen Bird and Nelson Lynch. Mr. and Mrs. Lynch are now residents of Hinkle-av.

We were certainly sorry to hear of the eye-trouble that Mrs. Poulton of Innis-av has been having. We're sure that she would be much cheered with cards at this time. Those cards are a 100 per cent morale booster, as we will testify personally!

The Marte family of Sheldon-av made their yearly jaunt to Little Rock, Ark., to visit with Tess' branch of the family.

We previously mentioned Edna Ann Baughman's camp activity and she merits another "howdy" for another reason. The 12A South High coed adds a new year to her age on the 26th of this month, so bend over, "Eddie", we have a birthday paddle ready to use!

Joseph Spiker, 67 Southwood-av, celebrates his birthday the day after, on Aug. 27, but discretion tells us 'twould be better just to shake hands . . . we don't run very fast, as yet.

Mabel and Patty Trigg are advocates of camp life apparently, for they have enjoyed two sessions of it this summer. Their most recent one was in Indiana, and a card from there related they were enjoying it immensely.

How do you like that? We carefully got the name of the visitors, but neglected to ask where they live! We're berating ourselves as we ponder this item: Nora Davidson, mother of Jim. Coslett, 504 E. Morrill-av, is currently visiting the Columbus branch of the family. Accompanying her for the three-week stay is her granddaughter, SuElla Frances Coslett.

Don't know the extent of Helen and Floyd Branscome's vation this year, but we do know they got to view Niagara Falls, for we received a postal from there, mailed by Helen.

An adorable little boy achieved his first birthday last Sunday, so happy birthday to my "littliest" neighbor, Stevie Cook.

A "two-part" vacation was had by the Knepper family of Champion-av, with the first part finding them in the eastern portion of the country, visiting Mt. Vernon, Gettysburg, and Washington, D.C. While in the country's capital they visited Congress, and Paula had the opportunity of watching the lawmakers in action. After returning home, they spent the last part of their vacation time in the northern part of Ohio, at Twin Lakes, where they visited friends.

A cute little postal from Deanna Brewer, of Sheldon-av, informs us that she learned to milk a cow on her vacation, but it must be a new method, for she told us "I have learned how to milk a cow, ha, ha." Well, she's one up on us, for we never had the nerve to get that close to one of our bovine friends! Deanna's vacation was spent with relatives in Kentucky.

Mr. and Mrs. G. E. LaRue should be in their Melbourne, Fla., home by now, as they were scheduled to leave Columbus last week-end.

The state of Michigan seems to figure prominently in our summertime columns and this year is no exception. Russ and Cleo Canter, 57 E. Morrill-av, spent their vacattin in our northern neighbors' boundaries and we can personally testify that Cleo benefitted greatly from her "lazing" and fishing, for we've never seen her look so chipper and pert!

Mr. and Mrs. Roy Donahoe of Michigan were week-end guests of Mr. Donahoe's mother, "Grandma" Donahoe, who resides at 1407 S. Sixth-st.

Wedding bells will soon be ringing for Mary Wittman, 413 Reinhard-av, and Richard Westinghouse, an OSU senior. Aug. 25 will be their anniversary date in years to come. Other young couples who will soon be marching to "Lohengrin" are as follows: Margaret Mary Tanner, 754 Beech-st, and Clarence Helmick, also on Aug. 25, in St. Mary's rectory; Inge Margaret Gutheil, 243 E. Mithoff-st, who exchanges vows with Robert Ackerman on Aug. 26; Geraldine Turner, 425 Hanford-st, whose Aug. 26 marriage will be performed in St. Paul's E and R, uniting her with Henry Smith, 114 E. Blenkner-st. St. Leo's Church will be the scene of the wedding of Barbara Jean Swaney, 569 Cline-st, and James O'Donnell, Aug. 25.

Jean Seidel, 807 Gilbert-st, was elected corresponding secretary of the Associated Stenotypists of America when that group held its convention July 27-29, in Detroit, Mich.

Can't find any more items to write about, so will close shop for this edition. We're anxious to hear from YOU, gentle reader about the events that are happening in YOUR life. So call us at HI. 4-1051 and we'll be glad to hear all about them. Till next week, then, 'tis

Donald Tritt's Grades High

It has been announced that Donald Tritt, 1188 S. Ohio-av, 1949 graduate of South High School and 1954 graduate of Ohio State University (B.S., psychology), now working toward his Ph. D. degree at the University of Chicago, has been awarded a United States Public Health fellowship in clinical psychology.

During the past year he has received all A's except for one B, and at the completion of the year passed his doctoral preliminary examinations. Also he was one of three students cited for outstanding work in psychotherapy.

In addition, throughout his graduate work, he has maintained the university position of research assistant in psychology, university officials said.

Miss Mann To Wed In St. Paul's Sept. 14

Miss Dolores M. Mann

Mrs. Mary R. Mann, 670 Woodrow-av, Apt. 4, has announced the engagement of her daughter, Dolores M., to Harry Bulderbergs, son of Mr. and Mrs. Karline Martins Bulderbergs, 3415 Livingston-av. Miss Mann is a graduate of South High School and is employed at A&P Bakery. The groom-to-be is also employed at the A&P Bakery.

The wedding will take place Sept. 14, in St. Paul's Lutheran Church, Rev. John O. Lang officiating. Time: 7:30 p.m., with a reception following at an 8:30 open house at 1755 20th st.

They will live at 288 Collingswood-av, it was stated.

Wolffes Move, Ask Friends To Visit

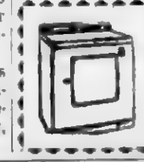
Herbie and Phyllis Wolffe, long known florists, have moved. But, they hasten to say, they are almost where they were—directly across the street, to be exact, they said.

Their new location is at 353 E Whittier. It is a pretty place, and they want all their old friends and a lot of new friends to visit them. Harvey Rossa joins them in asking that their old acquaintances come in to see the new floral shop.

O.G.'s Notes

(Continued from Page 1)

preacher, tell me, isn't it ag'n the law to "make it?" Tell me soon; I need some..



I Think That I . . .

I think that I shall never see
A church that's all it ought to be;
A church whose members never stray
Beyond the straight and narrow way;
A church that has no empty pews,
Whose pastor never has the blues;
A church whose deacons always deak;
And none is proud and all are meek;
Where people never gossip lies,
Or make complaints or criticize;
Where all are always sweet and kind,
And all to others' faults are blind.
Such perfect churches there may be,
But none of them are known to me.
But still, we'll work and pray and plan,
To make our own the best we can

A Tribute

This is a tribute to noble people. Those who have so generously earned the tribute are people who have gone to the assistance of a wife and mother widowed by an assassin's bullet when Patrolman Thomas Webb was killed. It is understood that, among many others, one couple called asking the privilege of paying off the mortgage on the property for the widow and children. Then, still among many people who wanted to and did help, a request was made by telephone asking whether a contribution as "small as $100" would be acceptable. Bless their hearts, may these givers be blest in even greater degree than their actions bless others.

Marion Local Schools Program Is Presented

Superintendent Quick of Marion Local Schools has announced school areas for attendance this year. He explains that there are some changes brought about by the annexation, but also shows where students all over the district will attend school.

School Opening

Marion local schools will open Tuesday morning, Sept. 5, for the first morning session of the new term. Cafeterias will open Wednesday, Sept. 5.

All students who are new to the school district should register at their respective schools Monday or Tuesday, Aug. 27 or 28. Grades 7 through 12 register at the high school.

Registration for kindergarten must be made before the opening of school. Those registered will be notified as to beginning date

The teachers and administrators' pre-school workshop will be held Aug. 29, 30 and 31. Consultants from the Franklin County office, Ohio State University, and the John C. Winston Book Company will assist with the program.

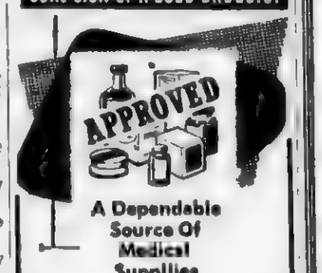
As a result of the recent annexation of the Scioto Trail school building, certain changes in the district attendance areas are necessary. As many pupils as possible must be assigned to the remaining school centers to assure the district of the maximum state foundation financial aid.

The Smith Road area (grades kindergarten through sixth) west, north, and east, will be the same as last year. The south boundary will extend to Watkins-rd and will include both sides of Fairwood and Bulen. (The Fairwood and Bulen areas were in Clarfield last year.)

The Clarfield area (grades kindergarten through sixth) to the north and east is the same as last year with the exception of Fairwood and Bulen, which is transferred to Smith-rd. The south boundary is Williams-rd and the west boundary will extend to Parsons-av, including both sides of Parsons from Williams-rd to Southgate-dr and the east side of Parsons north of Southgate dr.

The Fornof area (grades kindergarten through sixth) is the same as last year. The section annexed to Columbus will continue to attend school at Fornof on a tuition basis and paid by Columbus.

The Heimandale area is the same as last year for grades three through six and part of grade two. Pupils for kindergarten, first and part of second, will be transported to Fornof or Clarfield.



The Scioto Trail area (through grad 6), south except those transferred to Hamilton, west the same as last year and east to Parsons-av, but not including those living on Parsons-av, and north to Southgate-dr, will attend Scioto Trail School on a tuition basis and paid by the Marion Local Board of Education.

The George C. Beery School, grades 7 and 8, and the Marion-Franklin High School, grades 9 through 12, areas cover all the elementary areas. Students of grades 7 through 12 in the Scioto Trail and Fornof areas annexed to Columbus may continue to attend these schools on a tuition basis and paid by Columbus.

1955 Auto Traffic Killed 2,350 Kids

The Safety Council of the Columbus Chamber of Commerce reports that 2,350 youngsters from five to 14 years of age were killed in traffic accidents in 1955. There were also 150,000 school-age children injured during the same period. And one out of five were killed or injured while crossing at an intersection. That puts the major blame squarely on the shoulders of drivers. Watch for youngsters when you drive and be able to stop in time. Let 'em grow!

Ground Broken—

(Continued from Page 1)

Housing Surge

Arthur E. Daley, H.A.I., served as consultant for the trustee. He made an over-all study of the 3,000 acre Hartman Farm prior to making a recommendation to the trustee, according to the statement. It is his opinion that the integrated shopping center being constructed by Casto will result in a great surge of residential building activity and the Hartman Farm affords opportunity for the largest single residential development in the Greater Columbus area.

The study also indicated a 3,000 acre Hartman Farm represents a potential residential development of approximately 7,000 dwelling units, it was said.

The Castos stated this will complete their shopping center developments in Columbus as originally planned. He explained that each section of Greater Columbus will now have its shopping center facilities, as follows:

South, Great Southern; southeast, Great Eastern; east Columbus, Town and Country; northeast Columbus, Northern Lights; north Columbus, Graceland; west Columbus, Great Western; southwest Columbus, Central Point.

The Casto organization now owns and operates a national chain of 21 large shopping centers in various cities and is expanding nationally from coast to coast.

At the formal ground breaking ceremonies Mayor Maynard E. Sensenbrenner and James Casto, public relations director for Great Southern Shoppers City, officiated.

Completion of the project and occupancy have been set for Oct. 1 1957

Dear People:

Summer is here and already we have gone into a slump in Air Conditioning sales . . . and we're desperate! We could blow our brains out *(but why make our competition happy)* or we could go fishing play golf take a vacation or we could have a carload sale, or even a going-out-of business sale. *(But we like this business!)* . . . So-o-o, we ask ourselves, "What will move people to buy Westinghouse Air Conditioners?"

"Entertainment?" Well, maybe. . . . "The coming political conventions?" Perhaps. Then someone said, "LET'S CUT PRICES!" . . . And "out-trade everyone else in town!" AND, that's just what we're gonna do! . . . We've cut the "mischief" out of Westinghouse Air Conditioner prices . . . because we want to sell 'em—NOW!

jous condition. The accident occurred as the two cars rounded a curve in the road near Wilkesville.

The Epts had set out Sunday morning to take a trip through the state and had planned to stop to picnic enroute. The lunch was found in the auto unopened.

Seeing the other car approaching, Mrs. Ept grabbed her four-months old baby, Georgette, and held her in her arms as the two cars met. Mrs. Ept received a broken ankle, but her daughter was uninjured.

Mr. Ept was thrown through the windshield when the cars collided and suffered severe face lacerations. Mrs. Anthony had several broken ribs. Mr. Anthony received chest injuries and a broken wrist and Mrs. Galloway's leg was broken.

Mrs. Galloway, who is the mother of both Mrs. Ept and Mrs. Anthony, will probably be moved to a Columbus hospital this week. Doctors fear that it may take some time for her broken leg to heal properly.

Both cars were demolished in the accident and have been towed to Wellston. The front seat of the Ept car was ripped loose during the crash and slammed against the occupants of the back seat.

South Side Shocked By Fire Death, Auto Accident

S. Side Boy Held In Sunday Night Crash

A South Side youth was buried Wednesday following funeral services at the Gosnell Funeral Home. He was Ronald Kendrick, son of Francis Kendrick, 1394 Parsons-av, and Mrs. Gleneva Roop. Other survivors are his paternal grandmother, Mrs. Clara Kendrick; his mat rnal grandm ther, Mrs. Loretta Large, three step-brothers, Gerald and Theodore Fuller and Wallace, and a step-sister, Sheri Lee Roop, all of Columbus. Burial was in Greenlawn Cemetery.

Death came to the youth while he and two other companions were riding in a car in Alum Creek-dr, near Koebel-dr, about 1:05 Monday morning.

Outside Position Fatal

Riding in the car, in addition to Kendrick, were Jerry Diebert, 15, of 374 E. Welch-av, and Larry Williams, who sat in the middle between Jerry Diebert, said to be the driver, and Kendrick, sitting in the outside position. Williams, aged 14, lives at 309 Frehis-av, with his parents. Kendrick, it was stated, died while being taken to a hospital.

Under Age

According to officers, Diebert, 15, bought the car, he allegedly was driving, some time ago, which it was stated, is legal, but he was under age for a driving license. The youth was held by authorities on a juvenile charge.

Cause of the accident, it was believed, was failure to observe a ditch, into which the car was said to have plunged.

A deputy sheriff was reported as saying that the car involved was a 1949 Oldsmobile, which the youth said he bought with money earned during the summer working in an ice-cream parlor, according to the deputy.

National Blessings

Our U.S.A. has lasted through many political campaigns, due, I am sure, to the sense of humor generally held by our people. Of course, YOU'LL have to admit that whatever is not my party is all bad and my party is LILY PURE. Our national blessings include a people who are not so easily misled—nor confused by extravagant claims—nor, let it be added, by unlogical criticisms.

• • •

Happy Note

Happy words come from Mrs. Harry H. (Marie) Esselstein, publicity chairman for the recent annual homecoming festival held by St. Mary's Church. We are just as glad about her words of commendation as she is happy over the results of the homecoming, which she describes a "success."

Nice People Return

A telephone call this morning told us that Rev. Paul C. Kaefer and Mrs. Kaefer had returned home after "wheeling" it (by auto, of course) over and in the Great Smoky Mountains . . . down in Dixie, stirring nostalgic memories. They rode the Skyline highway . . . it's really way up when looking at it from the valley bottom, and it looks further than it is when looking down . . . down . . . and down to the bottom. It's nice they are in our midst again. Reminder clicks in my mind . . . "I look unto the hills from whence cometh my strength." I am sure they returned with a lot of that strength.

Greater Value

It's much better to take time to study and to analyze a problem before taking action. Lest one should waste time by wandering aimlessly through undigested thoughts, start early to "figure it out" so that action will be the result of coordinated, meticulous thinking.

Thank You, Mrs. Hoptry

Our thanks for the invitation to attend their meetings as well as for this: "Knowing your concern for community problems and your interest in parent-teacher activities . . ." We hope to attend your September meting, Mrs. Hoptry. Thank you.

South High School Football Squad Is Entertained At Y Park

Squad members listen intently as Bill Hess, Ohio State coaching staff, holds tense interest with enthusiastic talk before a group of South Side business men.

Following practice on Friday, Aug. 24, the South High School football squad and staff motored to Y-Park where they were feted by a group of South Side business men.

Bill Hess, from Ohio State University coaching staff challenged the boys with an enthusiastic pep talk. Movies of the Ohio State football highlights of 1955 were shown and D. H. Swain, new principal at South High School, was introduced.

Bob Duncan, new head football coach at South, chaired the program, which was arranged by the following committee: William and Ed. Finley, Foreign Grocery; C. O. Wood, sales manager, Schmidt Packing Co.; Harold Eigensee, Borcher's Rug Cleaning; Floyd Lemmon, Lemmon Trucking Co.; Harry Sells, Fountain Drug; Ralph DeVany, DeVany Cleaners; "Cap" Hoover, Jim Wagner, and Bob Bateman, South Side YMCA.

Labor Day, next Monday, is expected to find a large number of dance-minded people at South Y Park for the final summer square dance series. Pictured above are the "work horses" for the occasion, the banjo player King Russ Stukey of Lancaster, the piano player Bob Clarke, 1025 Parsons-av; the fiddler Henry Willeke, Lancaster; at the mike, Jim Wagner of the South Side YMCA. Father Of 3 Takes Life

Worry over financial troubles was believed to be the reason for Lawrence W. Graham's suicide Monday. He lived at 999 Parsons-av and was the father of three children.

The body was discovered hanging by a clothes line from a garage door near his home late Monday by a neighbor, Alphonse Bruskotter, 503 Reinhard-av, police said.

The victim's wife, Phyllis, told police she last saw her husband at 4:15 p.m. Monday when he left work as a shipping clerk at the Miraplas Co., 990 Parsons-av.

When he failed to come home by midnight she asked the neighbor to help in the search.

Mrs. Graham said her husband had been worried lately by unpaid bills. Dr. Carl E. Tetirick, acting coroner, ruled suicide.

Also surviving are two sons, Mike and Roger, and a daughter, Debby Marie, 5 months, his parents, Mr. and Mrs. Herman Graham, Rutland, O.; brother, Harry; and two sisters, Mrs. Thelma Gasto and Mrs. Annise Searles, all of Rutland.

Services were held at the Gosnell Funeral Home at 7:30 p.m. Wednesday and graveside service will be held at 1 p.m. today, Thursday, in Cheshire Cemetery.

Demo Club Has Meet And Plans

Four officials were elected by the American-Hungarian Democratic Club at the outdoor rally held at the home of the president, Louis Taker, on Aug. 20, according to a report by the secretary, Ruth Reeves.

Elected were Frank DeFrance, vice-president; Ruth Reeves, secretary; Julius Vargo, treasurer; Louis Miller, executive committee chairman. Following his election as executive director, Miller was asked to preside and followed by giving a brief resume of how the club started. He appointed the following members to the finance and publicity committees: finance, Louis Tokar, Steve Deri, Louis Miller; publicity, Lew Reeves, chairman; Frank DeFrance and Mrs. Mike Olah.

Mrs. Mike Olah was made a life honorary member of the club in recognition of her services to the club.

The executive committee will meet Saturday evening, Sept. 8, at the home of George Tokar, 1460 Frehis-av. Prominent Democratic speakers are promised for the occasion, it was announced.

Little Tot Dies From Burns After Auto Fire

Danny O'Brien was buried Tuesday morning in St. Joseph Cemetery following services in St. John the Baptist Catholic Church at 9 o'clock.

Danny, as everyone in the South Side knows, got into his father's automobile which was standing in front of the residence Thursday of last week. The son of Mr. and Mrs. James O'Brien of 694 S. 17th, Danny, 2½, may have done something he did not understand. Whatever it was that he did, it cost him his life and brought outspoken words of grief from people all over the South Side and beyond.

Found In Flames

The father was called away on a brief errand, with, as he thought, Danny safe in the car. When he returned, however, he was startled by fire flaming up around his little son, who was reportedly standing on the seat in the midst of the flames.

The little fellow was pulled from the flames by the father, who then summoned emergency squadmen. Danny was taken to Children's Hospital, where a determined battle was made for his life. But the second and third-degree burns were too much for the little fellow, and he died in the hospital last Sunday.

In addition to his parents, Danny is survived by three brothers, Patrick, James and Terrence; a sister, Sharon Ann; and his grandmother, Mrs. Josephine Cannon, all of Columbus.

Library Jobs For College Women

Vacancies now exist for several college-trained women in the neighborhood branches of the Columbus Public Library, according to Mrs. Margaret Carroll, city librarian.

Women who like books and enjoy being of service to others are sought for library assistant positions, Mrs. Carroll said. Opening of an eleventh branch library this fall and resumption of evening hours in September at all branches make the need for applicants urgent, it was said.

Salaries for library assistants range from $3200 to $4200 a year. Promotion opportunities are good in these 40-hour week positions, Mrs. Carroll told the Leader. Paid vacations of up to four weeks are granted full-time staff members who have the further advantages of sick leave, hospital insurance, and State of Ohio employees' retirement plan.

Those interested in obtaining additional library career information or arranging for an interview may write or telephone the personnel office, Columbus Public Library, 96 S. Grant-av; CApital 8-1787.

We hope to see all of our little friends from the summer, and many new faces, too.

Barthman and Hosack Streets Made 1-Way

Definite steps toward providing relief for a segment of the South Side's growing traffic congestion were announced by Traffic Commissioner Otto P. Meier this week.

Although, according to the commissioner, the first definite action taken will convert only two streets from two-way to one-way travel between Parsons and South High-st.

Barthman and Hosack streets have been chosen for the beginning of traffic correction in the area, the commissioner said. They have been selected, it is believed, because of the bottleneck at Marion and Parsons, with no quick get-away for traffic desiring to go west, and for travel from the west heading east from the cross streets or from Parsons, headed for Marion-rd

Studies Continue

Starting with these two strets, Commissioner Meier told the Leader, and securing for the motorists the relief which will be realized in this change, "one-way traffic is bound to reach other streets throughout the area." It was indicated that one-way streets must increase or new streets must be cut, a plan which is known to be impossible. In this instance the choice was to prohibit parking on the streets or to make the streets one-way.

Directions

One-way directions will be west to east from South High to Parsons on Hosack, the commissioner stated, while Barthmans' burden will travel east to west, Parsons to High-st.

Preparations have been made for some time, the commissioner said, but considerable time is required to secure signs and erect them and make such other provisions as will contribute to the convenience of motorists.

One of the time-consuming details in preparing for the change-over of traffic flow is the preparation of signs and getting them installed. Like other departments of a city, this department must compete with others for materials and man-power.

However, it is expected that within a few months other announcements will be forthcoming about additional one-way streets on the South Side.

Barthman and Hosack will become one-way arteries Thursday or Friday, it was expected

Dance At Picnic

Round and square dancing, and eating—these are the features of a basket picnic which will be part of the annual corn roast to be held at South Y Park, Friday, Aug. 31, beginning at 6:30 p.m.

Mrs. Burton said that between corn, coffee, and ice cream to be served and the baskets each group will take to the picnic, there will be plenty for everybody.

Midgets Get Attention At State Fair

'Tiny Andre' is just 28 inches tall and is the master of ceremonies in "Rose's Midgets" on the midway at the Ohio State Fair. Andre is pictured above giving his impersonation of his idol, "Maurice Chevalier." The entire troupe of tiny people are finished performers, including singers, dancers, acrobats, and comedians.

Rose's Midgets are the feature attraction on the midway of the Gooding Amusement Company which has furnished fun in the South Side and at the amusement center of the fair for many years.

South Side Shocked By Fire Death, Auto Accident

S. Side Boy Held In Sunday Night Crash

A South Side youth was buried Wednesday following funeral services at the Gosnell Funeral Home. He was Ronald Kendrick, son of Francis Kendrick, 1394 Parsons-av, and Mrs. Gleneva Roop. Other survivors are his paternal grandmother, Mrs. Clara Kendrick; his maternal grandmother, Mrs. Loretta Large; three step-brothers, Gerald and Theodore Fuller and Wallace, and a step-sister, Sheri Lee Roop, all of Columbus. Burial was in Greenlawn Cemetery.

Death came to the youth while he and two other companions were riding in a car in Alum Creek-dr, near Koehel-dr, about 1:05 Monday morning.

Outside Position Fatal

Riding in the car, in addition to Kendrick, were Jerry Diebert, 15, of 374 E. Welch-av, and Larry Williams, who sat in the middle between Jerry Diebert, said to be the driver, and Kendrick, sitting in the outside position Williams, aged 14, lives at 309 Frebis-av, with his parents. Kendrick, it was stated, died while being taken to a hospital.

Under Age

According to officers, Diebert, 15, bought the car, he allegedly was driving, some time ago, which it was stated, is legal, but he was under age for a driving license. The youth was held by authorities on a juvenile charge.

Cause of the accident, it was believed, was failure to observe a ditch, into which the car was said to have plunged.

A deputy sheriff was reported as saying that the car involved was a 1949 Oldsmobile, which the youth said he bought with money earned during the summer working in an ice-cream parlor, according to the deputy.

National Blessings

Our U.S.A. has lasted through many political campaigns, due, I am sure, to the sense of humor generally held by our people. Of course, YOU'LL have to admit that whatever is not my party is all bad and my party is LILY PURE. Our national blessings include a people who are not so easily misled—nor confused by extravagant claims—nor, let it be added, by unlogical criticisms.

Happy Note

Happy words come from Mrs. Harry H. (Marie) Esselstein, publicity chairman for the recent annual homecoming festival held by St. Mary's Church. We are just as glad about her words of commendation as she is happy over the results of the homecoming, which she describes a "success."

Nice People Return

A telephone call this morning told us that Rev. Paul C. Kaefer and Mrs. Kaefer had returned home after "wheeling" it (by auto, of course) over and in the Great Smoky Mountains . . . down in Dixie, stirring nostalgic memories. They rode the Skyline highway . . . it's really way up when looking at it from the valley bottom, and it looks further than it is when looking down . . . down . . . and down to the bottom. It's nice they are in our midst again. Reminder clicks in my mind . . . "I look unto the hills from whence cometh my strength." I am sure they returned with a lot of that strength.

Greater Value

It's much better to take time to study and to analyze a problem before taking action. Lest one should waste time by wandering aimlessly through undigested thoughts, start early to "figure it out" so that action will be the result of coordinated, meticulous thinking.

Father Of 3 Takes Life

Worry over financial troubles was believed to be the reason for Lawrence W. Graham's suicide Monday. He lived at 998 Parsons-av and was the father of three children.

The body was discovered hanging by a clothes line from a garage door near his home late Monday by a neighbor, Alphonse Bruskotter, 503 Reinhard-av, police said.

The victim's wife, Phyllis, told police she last saw her husband at 4:15 p.m. Monday when he left work as a shipping clerk at the Miraplas Co., 990 Parsons-av.

When he failed to come home by midnight she asked the neighbor to help in the search.

Mrs. Graham said her husband had been worried lately by unpaid bills. Dr. Carl E. Tetirick, acting coroner, ruled suicide.

Also surviving are two sons, Mike and Roger, and a daughter, Debby Marie, 5 months, his parents, Mr. and Mrs. Herman Graham, Rutland, O.; brother, Harry; and two sisters, Mrs. Thelma Gasto and Mrs. Annise Searles, all of Rutland.

Services were held at the Gosnell Funeral Home at 7:30 p.m. Wednesday and graveside service will be held at 1 p.m. today, Thursday, in Cheshire Cemetery.

Little Tot Dies From Burns After Auto Fire

Danny O'Brien was buried Tuesday morning in St. Joseph Cemetery following services in St. John the Baptist Catholic Church at 9 o'clock.

Danny, as everyone in the South Side knows, got into his father's automobile which was standing in front of the residence Thursday of last week. The son of Mr. and Mrs. James O'Brien of 694 S. 17th, Danny, 2½, may have done something he did not understand. Whatever it was that he did, it cost him his life and brought outspoken words of grief from people all over the South Side and beyond.

Found In Flames

The father was called away on a brief errand, with, as he thought, Danny safe in the car. When he returned, however, he was startled by fire flaming up around his little son, who was reportedly standing on the seat in the midst of the flames.

The little fellow was pulled from the flames by the father, who then summoned emergency squadmen. Danny was taken to Children's Hospital, where a determined battle was made for his life. But the second and third-degree burns were too much for the little fellow, and he died in the hospital last Sunday.

In addition to his parents, Danny is survived by three brothers, Patrick, James and Terrence; a sister, Sharon Ann; and his grandmother, Mrs. Josephine Cannon, all of Columbus.

Library Jobs For College Women

Vacancies now exist for several college-trained women in the neighborhood branches of the Columbus Public Library, according to Mrs. Margaret Carroll, city librarian.

Women who like books and enjoy being of service to others are sought for library assistant positions, Mrs. Carroll said. Opening of an eleventh branch library this fall and resumption of evening hours in September at all branches make the need for applicants urgent, it was said.

Salaries for library assistants range from $3200 to $4200 a year. Promotion opportunities are good in these 40-hour week positions, Mrs. Carroll told the Leader. Paid vacations of up to four weeks are granted full-time staff members who have the further advantages of sick leave, hospital insurance, and State of Ohio employees' retirement plan.

Those interested in obtaining additional library career information or arranging for an interview may write or telephone the personnel office, Columbus Public Library, 96 S. Grant-av; CApital 8-1787.

Barthman and Hosack Streets Made 1-Way

Definite steps toward providing relief for a segment of the South Side's growing traffic congestion were announced by Traffic Commissioner Otto P. Meier this week.

Although, according to the commissioner, the first definite action taken will convert only two streets from two-way to one-way travel between Parsons and South High-st.

Barthman and Hosack streets have been chosen for the beginning of traffic correction in the area, the commissioner said. They have been selected, it is believed, because of the bottlenec' at Marion and Parsons, with no quick get-away for traffic desiring to go west, and for travel from the west heading east from the cross streets or from Parsons, headed for Marion-rd

Studies Continue

Starting with these two streets, Commissioner Meier told the Leader, and securing for the motorists the relief which will be realized in this change, "one-way traffic is bound to reach other streets throughout the area." It was indicated that one-way streets must increase or new streets must be cut, a plan which is known to be impossible. In this instance the choice was to prohibit parking on the streets or to make the streets one-way.

Directions

One-way directions will be west to east from South High to Parsons on Hosack, the commissioner stated, while Barthmans' burden will travel east to west, Parsons to High-st.

Preparations have been made for some time, the commissioner said, but considerable time is required to secure signs and erect them and make such other provisions as will contribute to the convenience of motorists.

One of the time-consuming details in preparing for the change-over of traffic flow is the preparation of signs and getting them installed. Like other departments of a city, this department must compete with others for materials and man-power.

However, it is expected that within a few months other announcements will be forthcoming about additional one-way streets on the South Side.

Barthman and Hosack will become one-way arteries Thursday or Friday, it was expected

Mrs. Lust To Head United Appeal Women's Division

Mrs. Wendell Lust

Mrs. William Papier, chairman of the United Appeal Women's Division, this week named Mrs. Wendell Lust, 622 E. Kossuth-st, as South area chairman.

Mrs. Lust will be in charge of all recruitment and training of volunteers for her area's portion of the one-day drive which opens officially on Oct. 1.

In previous years, Mrs. Lust said, the women's division has been one of the last to start off in the campaign. However, this year the women will officially open the campaign with actual gift collecting in residential areas.

In double support of the campaign both Mr. and Mrs. Lust have done extensive work with the Boy Scouts, one of the 60 agencies supported by the annual fund-raising campaign. Mrs. Lust has been a Cub Scout Den Mother for four years and Mr. Lust serves as Scoutmaster of Troop 35 and cubmaster of Pack 300.

The two eldest boys, Eugene, 16, and Robert, 12, are both Scout Patrol Leaders. "Even with a woman in the family," said Mrs. Lust, "we still manage to give most of our time to the Boy Scout."

More than 5,000 women will be working on the one-day drive for $135,500 of the $3,168,026 goal for support of the 60 agencies.

South Fifth Man Weds Miss Norma Di Cesare

St. Augustine's Church was the setting for the wedding on Saturday of Miss Norma DiCesare, daughter of Mr. Domenico Di Cesare, 1510 Duxberry-av, and the late Mrs. Di Cesare, and Mr. Ronald Herman Reeb, son of Mr. and Mrs. Bernard F. Reeb, 629 S. Fifth-st. The 9:30 a.m. Nuptial High Mass was celebrated by Rev. Francis C. McKenna, O.P., of Aquinas High School, before an altar decorated with vases of pink gladioli.

Given in marriage by her father, the bride wore a gown of Chantilly lace and tulle designed with a fitted lace bodice with a scalloped portrait neckline enhanced with seed pearls. The lace applique motif was repeated on the extremely bouffant skirt worn over a hoop and crinolines, which terminated in a chapel train. A seed pearl crown held her fingertip veil of imported English silk illusion. She carried a bouquet of sweetheart roses and hyacinths which were white with a touch of pink.

Miss Barbara Teatino was maid of honor. Bridesmaids were Miss Saundra Baker, Miss Janice Reese and Miss Bernadine Reeb, sister of the bridegroom. Miss Bonnie Joe Di Cesare, niece of the bride, was junior bridesmaid. They wore waltz length gowns of aqua chiffon designed with shirred bodices enhanced by Venice lace. Their shoulders were covered with matching stoles. The extremely bouffant skirts were worn over crinolines. They wore matching bandeaux accented with seed pearls, and carried bouquets of sweetheart roses and asters. Miss Karen Karshner was flower girl. She wore a gown of aqua crystalette and tulle and carried a miniature bouquet of sweetheart roses and asters.

Mr. Charles Britt was best man for his cousin. Seating the guests were Mr. Jerry Whalen, Mr. Joseph Young and Mr. Pete Spurlock.

A reception was held at the 4's Club. Mrs. De Angles DiCesare, aunt of the bride, received guests in a dress of blue chantilly lace with which she wore navy accessories. Mrs. Reeb chose a pink nylon dress wtih pink accessories. Both had corsages of Eucliares lilies and pink sweetheart roses.

The new Mrs. Reeb is a graduate of Linden McKinley High School and is employed in the circulation department of the Columbus Dispatch. Reeb is a graduate of Aquinas High School and is employed by Roland A. Easwein Plumbing and Heating Co. After Sept. 1 the couple will live at 1510 Duxberry-av.

The Gadabout

Priscilla LaRue Lenox
HI. 4-1051

Gates-Fourth Methodist Church was the scene of the Aug. 11 wedding ceremony of Sharon Fee, 1170 Jaeger-st, and William G. Wells, 590 E. Mithoff-st. The Columbus policeman and his bride spent their honeymoon at the traditional Niagara Falls and Canada. Reception for the newlyweds was held at Saxon Hall, on Woodrow-av. Upon their return the South High School graduates will reside at 287 E. Whittier-st. Guests attending the Fee-Wells wedding from out-of-town were Mr. and Mrs. Joyce Stover, with children, Bobby and Pam, from Rockville, Md., also Mr. and Mrs. James Burton and son, Jimmy, from Dayton, O. The two groups were guests of Mrs. William Thomas, 590 E. Mithoff-st.

A former neighbor of ours, Genevieve Henson, probably is recovering from sore-foot-itis at the present time, after seeing the San Francisco landmarks in her free time last week, while attending the GOP convention. Mrs. Henson is a resident of 124 E. Welch-av.

Attending the best-ever Ohio State Fair is "out" for the Gadabout this year, but we still love to read and hear all about it. One South Side Campfire Girls' group did themselves proud at the fair, so our biggest congratulations to the Tin-ki-la-wa group, headed by Lillian Skobrak and Essie Buller, for their four ribbons in the sewing division and the three ribbons garnered in the scrapbook entries. (Anyone else around our "neck of the woods" win anything? Let us know. We'll happily pass the news along!)

Happy "Today" birthday to Gene Daniels, 32 W. Hinman-av.

The title of this next item is a mouthful, but for those who are archery enthusiasts, it will have a cheerful "zinging" reaction. The Franklin County Council Archers championship shoot will be held at Hoover Dam, at 9 a.m., Sept. 9. This first shoot to be sponsored by the council will have trophies to award to men, women, juniors, intermediates and cadets.

Trudeau Guild 25 opens the 1956-57 season with a meeting next Wednesday.

Thelma Swisher and her son, Ronny, visited relatives in Point Pleasant, W. Va., a short time ago.

Wedding ceremonies that will take place before the next edition of the Leader comes out are those of Bonita Groves, 860 Parsons-av, and William Skeens, Jr., 130 S. Second-av. Their ceremony will take place Sept. 8 at North Methodist Church. On Sept. 1, Phyllis Meteer will exchange her vows with Roy Fellure, whose parents reside at 245 Reeb-av. Roy is currently in the army, stationed at Ft. Leonard Wood, Mo.

Mr. and Mrs. Schweitzer of Houston, Tex., are visiting Mrs. Schweitzer's Columbus relatives. Many South High grads would recognize Mrs. Schweitzer better as the former Alma King. Alma is a school teacher in the Union's largest state.

The Whitacre family, 158 E. Southwood-av, is now at home, after a vacation in Tennessee.

Our sympathy to the family of Mrs. Boex, who passed away last week.

Mr. and Mrs. Leonard Hanf, 1389 S. Sixth-st, left last Sunday for the 40 et 8 and American Legion Auxiliary conventions to be held in Los Angeles, Calif.

Spraining an ankle isn't recommended at any time but think how it can slow down a camper! That was the predicament that Eleanor Jones, 317 Moler-st, found herself in last week at Round Lake. This week Eleanor is taking a vacation in Pennsylvania.

Mrs. M. K. Farmer and her two sons, Michael and Jeffrey, returned to their East Lansing, Mich., home after a two-week stay with Mrs. Farmer's mother, Mrs. G. H. Gruber, 653 Stanley-av. Prior to that, Mrs. Gruber had spent five weeks in Michigan with her daughter and grandsons, so it made a nice summer-long visit for the two women and boys. Mrs. Farmer took her sons to Washington, D.C., for a five-day visit while in this area, so the boys could see their nation's capital first-hand.

Lady bowlers, you are being paged! The Swanette League, a Thursday afternoon handicap league, could use 20 bowlers, so if you have the yen, let them know. Bowling average shouldn't be over 150, and if you've NEVER bowled before, that's okay, too . . . they'll help teach you. Lone bowlers or whole teams are invited to join the fun that starts on Sept. 6, at 1 p.m., at Swan Bowling Alley. If you're interested, call Blanche Bateman, HI. 4-8003.

Tom and Judy Lenox are getting "last minute" fun before the school bell rings next week by taking advantage of the swimming and boating offered at Buckeye Lake. They are the guests of Mr. and Mrs. Snyder.

Our wonderful friend, Mrs. Bier, is still dressing dollies to be used for Christmas giving to the deserving, so a gentle reminder that if an unneeded doll is around your house, let Mrs. Bier or the Gadabout know about it, won't you. We will pick it up, or you can take it to Mrs. Bier's home, 742 E. Gates-st.

Mr. and Mrs. Daniel Leonard have a double celebration at this time of year, and what nicer way to celebrate than with the children and grandchildren around. The residents of 478 Forest-st and their children and grandchildren got together at their daughter's home in Worthington to commemorate Mr. Leonard's birthday and the wedding anniversary of Mom and Dad. Doug Leonard, a grandson, who resides at 515 Forest-st, had a birthday last week-end, also, so three dates had cause for encirclement.

Would you enjoy writing to someone overseas? The idea is intriguing to us, we know. A South High grad of a few years back, Sandy Greeno, now Mrs. Fred Monaco, flew from New York last Monday and should be in France by now. Sandy's Columbus address was 1388 S. Fifth-st, but she expects to be in Dreux, France, for three years. Young Fred Guy II, now six months old, will be a young man upon their return to America. We had a nice long chat with Sandy last week, and we know she'd love to hear from her friends as well as anyone who enjoys corresponding. She didn't have an address to give, but suggested her husband's APO number could be used. Here 'tis: Lt. Fred Monaco, A.O. 3039-150 376 T.C.S. Aalt (F.W.) A.P.O. 84, New York.

Guess we've checked everything we had to write about this edition, so will close shop. We do want to hear from you, so call us at HI. 4-1051, won't you? Beginning next week, after school starts, morning or early afternoon will again be a "freer" time for us to talk on the phone. Till next edition, then, 'tis the . . .

The EXECUTOR you name may be the measure of their future happiness

The sound, business-like and economical settling of your estate may prove to be one of the principal factors in the future security and comfort of your loved ones. Therefore your choice of an Executor is very important . . . especially for them. To be capable of carrying out your plans, your Executor should be experienced in estate administration, thoroughly responsible and without personal financial interest in your estate. Your Executor should be able to give prompt attention to problems at all times, certain to survive the period of administration and sincerely interested in the welfare of your family and other beneficiaries.

The Ohio National Bank qualifies in ALL of these particulars and, in addition, is experienced in protecting estates against excessive costs and avoidable loss during settlement . . . and in effecting proper and justified tax economies. Your attorney's advice and service is essential in making a Will, or reviewing a present one. We will be glad to confer with you and your attorney about naming the Ohio National Bank as Executor under your Will.

X-Ray Cruiser To Visit 5 South Side Locations

The Christmas Seal x-ray cruiser will visit five South Side locations within the next two weeks, the Tuberculosis Society announced Monday.

Next Tuesday, Sept. 4, the cruiser will park at Gilbert and Forest-sts; Wednesday at Whittier-st and Lockbourne-rd; Thursday, Whittier and Carpenter-sts; Friday, Parsons and Frebis-avs.

Thursday and Friday, Sept. 13 and 14, the cruiser will give free chest x-rays at Parsons and Reeb-avs.

The daily schedule at all these locations is from 1 to 8 p.m.

Since tuberculosis has no symptoms in its beginning stages, the quick and easy x-rays are given primarily to reveal hidden cases of this catching disease. However, the TB Society also makes full reports on other suspected chest conditions needing medical attention.

The free x-ray program is completely financed through the annual sale of Christmas seals.

Labor Day

For many, Labor Day marks the end of the capacity for work, ends the capacity to live—just wipes 'em out for all time. Of course, it's hard on the survivors—those whose bodies will always carry the painful, ugly marks of the smash-up which could have been avoided with even a little care.

The Lifted Hand

Yes, Mr. and Mrs. R. W. Trieb, 1628 Parsons-av, are good neighbors. We know, because the good deed done for us was done on Tuesday morning. A Leader carrier boy had lost his route book. Mr. Trieb found it in his yard. They brought it to the office of the South Side Leader. They lifted their hands to help—and we are grateful.

Musical Festival

I am going—and I hope you are planning to attend the music festival at Columbus Auditorium, 581 S. High-st, Saturday evening and Sunday afternoon—or, at least one of the two concerts. Divine implanting of the instinct for music is one of the high marks of us humans; we are glad of the gift. The Harmony Singers and their counterparts from several great cities need no eulogy here; it is stated here that we hope for you the blessings that only blended human voices can provide. Saturday evening, at 8 o'clock. Sunday afternoon, 3 o'clock.

Parks by the Side of the Road

Thought along the highway: Happy is Ohio with its parks along the side of the road—so many roads. I know of no other state with as many as useful and beautiful as are the roadside parks of Ohio states. In distant states one frequently hears of the delight experienced by many in these beauty spots of Ohio.

Wishing Washed Out

For many years I have hoped one of the parties would nominate a southern man for the office of president of the United States. The nearest my wish has come to being realized was in 1912 and 1916, when Woodrow Wilson was elected and re-elected to the high office. The former Princeton executive could not have been elected then if he had not lived in a northern state. I have a feeling that some day one of the parties will name a southerner—one who lives there—and elect him, too. So far my wishes have been washed out.

Looking Ahead

Two weeks ago this column "borrowed" Publisher C. C. Hartley's column, "The Spectator," in which he quoted a lookback from half a century ahead, in which wonderment is expressed that the people who lived only 50 years previously had missed so many of the scientific aids which seem to the people of 2,000 A. D. as so simple—well, "that just about anybody might have known that . . . . meaning, operating an automobile from the sun's rays . . . heating, in fact, making the sun the motive power for everything that humans might not want to do for themselves." I hope you read it, one of the most thought-provoking treatises it has been my recent good fortune to come by. The article is a challenge to our complacency. Too often our complacency assumes the "I'm so important" dictum that we are unable to comprehend many of the things to come.

A Wise, If Unused Saying

"The Lord bless thee and keep thee while we are absent one from the other."—The New Testament. Wouldn't this be a pretty good beginning for peace and prosperity if the world "big shots" could be deflated and room made for fellowship?

South Unit Is Entertained

Mrs. Arthur Pentz, 1170 Studer-av, recently entertained the executive board of the South Unit of the Columbus Symphony Orchestra. Fall program plans were discussed and formulated.

The first meeting of the South Unit will be a luncheon Sept. 11 at the Columbus Country Club with Mrs. Ben Falter as hostess.

Society To Meet

The Columbus Chapter of Cystic Fibrosis will meet at the YMCA, room 216, Sunday, Sept 2, at 2 p. m.

Adele Simpson, fashion designer, after trip around the country: "Surprisingly enough, it's now fashionable to be lady-like, neat, elegant, properly hatted and gloved, even a bit formal."

A Picture for Remembrance
THE DEDICATED purpose of every funeral director is to make the final hour of parting one that will bring comfort of mind — to create a Memory Picture that will live through the long years ahead. This is the reason for the beauty of the caskets, the soft lights and music, the flowers and the evidence of tenderness and reverence in the service. We have dedicated our chapel to this high purpose.

Safety Campaign Said To Be Big

An increasing number of safe-driving signs indicating drivers have joined the Safe Driving League at the Goodrich Company store at 1942-46 Parsons-av, are observed on the streets, it was indicated in a statement by Walter Haines, manager.

The signs shine in the light of another car following, lessening the danger of rear-end smashes, it was said. The membership program started ten days ago and seemingly has caught the fancy of a lot of people.

There are no charges, it was stated, the campaign being a part of President Eisenhower's campaign for increased safety on the highways.

Outstanding Summer In Library History

The greatly increased number of children enjoying the facilities of the new Parsons Branch Library at 845 Parsons-av has prompted Miss Margaret Bausch, librarian, to describe this summer as "the most outstanding period in the history of the branch." Miss Bausch, who was named librarian in 1928 when Parsons Library was first opened in a storeroom at 1124 Parsons-av, considers children's story hour attendance these past several weeks as the largest she can remember.

Group Tripled

While in the old building 40 to 50 youngsters constituted the biggest story hour crowd, it has not been at all unusual in recent weeks for as many as 150 children to show up for Wednesday morning story hour programs, Miss Bausch said. The new branch building was opened this past January.

Although interest in the Modern American Explorer Club, summer reading incentive offered by the library, has undoubtedly had some effect in bringing more youngsters to story hours, the basic reason, library staff members agree, is the new building. More children live in the immediate neighborhood and the building itself "has the atmosphere of a large and beautiful home, but comfortable home where children are loved," added Miss Bausch. The collection of books, magazines and reference materials for children of all ages is outstanding in the Columbus Public Library system.

Bunny Hop

So far this summer the story hour sessions, which will be scheduled at 10 a.m. Wednesdays through Aug. 29, have included films, a pet show at which 25 different animals, fowls and two reptiles were proudly displayed by their owners, and a puppet show. At one session an adult, dressed as "Harvey, the Story-Telling Rabbit," led 125 youngsters in the "bunny hop."

Craft portions of the sessions have been curtailed, largely, members of the staff explained, because the branch has only four pairs of scissors, some 50 folding chairs.

A great disappointment for many of the small fry will be the departure from the staff of Jack Martin, who has led many of the story-hour sessions this summer. He will begin a career of elementary school teaching in Royal Oaks, Mich., in September.

A TRUE STORY

Two weeks ago M. J. Clark, 110 Woodrow-av, found himself with five Leedy drums. He advertised them in the Leader. Saturday he sold all of them—wished for more to supply the demand. But that's natural with Leader classifieds. Try it Call HI. 4-9262.

Youth's Flock Of Eight Sheep Began As 'Pet' Project

Ronald Stoddard and his sheep.

Ronald Stoddard, 2159 Refugee rd, got started with sheep because he wanted pets. He started with two sheep and thought they were pretty nice. Then he got the idea that maybe if he had some stock with better market value he would—well, he would be in business. So, Ronald bought two registered Montadale ewes. Now his flock has increased to eight and he is, he says, really in business. As told in a recent issue of the South Side Leader, Ronald won first place with three of his Montadale sheep at the recent Franklin County fair at Hilliards.

In 1954 he wanted to join a 4-H Club but found none in Marion Township. So the now young sophomore in Marion-Franklin High School joined the Can-Win Livestock 4-H Club in Canal Winchester in 1954.

In 1955 Ronald won first prize on a set of twins at Hilliards. He also won first prize on a set of twins at Plum Hall OSU, where he demonstrated "fitting for show."

Ronald is a sophomore this year plays the French horn and the cornet in the band. He made all-county band for two years with the French horn, according to his sister, Connie, who is a capable scribe, from time to time supplying the Leader editor with items of interest. Connie is also a Marion-Franklin student.

Ronald also belongs to the Luther League of St. Paul's Church and during the summer he was pitcher for the Demons' baseball team.

Ronald and his sister make their home with their grandparents, Mr. and Mrs. C. E. Yetter, at the Refugee rd address.

Foot Gone, R. Meade Improved

Robert Meade 55 of 314 S. Fourth-st, who lost his left foot last Friday afternoon when a moving freight car on the New York Central System siding at the rear of the Clark Grave Vault Co., 375 E. Fifth-av, passed over his leg just above the ankle, is reported as gaining ground.

Meade, who said he did not know a switch engine had coupled to the car, was taken to Grant Hospital by fire department emergency squadmen and admitted in fair condition.

A worker at the plant, Meade was sealing freight cars when the accident occurred.

Delay In Beery Jr. High Use

Opening of Marion School District's new George C. Beery Junior High School will be delayed until Sept. 10 for completion of last-minute construction work, Supt. Thomas Quick announced Thursday.

All other schools in the Marion district opened as previously announced on Sept. 5.

The new Beery Junior High located adjacent to the high school at Lockbourne and Koebel-rds, is a 20-room building. It will house 450 seventh and eighth grade pupils.

Peaceful Pickets Tie Up Glass Co.

There appeared to be a great deal of optimism among glass manufacturing officials in the South Side in areas near Columbia in connection with the strike of glass workers in a nationwide movement.

Locally, the Federal Glass Co. 115 E. Innis-av, is strikebound although it has been officially reported that effective peaceful picketing keeps things under control. Federal Glass reportedly has a payroll of 900 men.

Negotiations continue with meetings planned for yesterday and today between representatives of manufacturers and unions. "It is a peaceful strike and we believe there will be an agreement and no disturbance," one manufacturer's representative was quoted as saying in Pittsburgh. Some of the local union people here are said to feel the same way.

Watching Barthman Avenue Become A One-Way Street

The South Side Leader photographer went out to see the official opening of Barthman and Hosack-sts as one-way highways. Pictured are Traffic Commissioner Otto Meier and Chief Traffic Engineer James V. Musick as they waived out into S. High st the first car to pass from Parsons to S. High. Hosack is one way from High to Parsons.

Hit-skip Driver Is Held In Jail

Last June 28 two small boys were the victims of what police called carelessness on the part of an alleged driver. Harry Morris 49, whose car, according to police, struck the two little fellows near the home of their parents, Mr. and Mrs. Edwin C. Madden, 1528 S. Fourth-st.

Police said at the time that the driver, after dragging the boys about 40 feet, jumped out of his car and ran away, leaving the car with a riding companion. Hundreds of people were greatly concerned about the little fellows, and called the hospital, the home, and the office of the South Side Leader until Gary, seven, and Donald, six, were able to get back to their home.

Harry Morris 49, of 630 Woodrow-av, went visiting, apparently last Thursday evening. He went to the home of his mother-in-law at 117 E. Mound-st, police said. Police went there, too, remembering the two little fellows who were so badly abused June 28.

Morris was taken to prison and held pending the posting of bond to assure his appearance in Traffic Court today. Thursday. Bond was set at $125.

Gary and Donald are about their business; their injuries not being of a permanent nature, although they thought, a few weeks ago, that they were in a pretty bad fix. A very great many friends and interested people are happy with them and hope them, as one said this week, "Many happy school days."

Harry Morris may hear his sentence today.

Lockbourne Rd. Baptist Men In Bowling League

The Men's Brotherhood of the Lockbourne Road Baptist Church will open its fall meeting with a fellowship banquet at the church Friday evening at 6:30. The speaker will be Rev. B. L. Owens, pastor of the Mountview Baptist Church.

The Men's Brotherhood has organized a bowling team at the Lockbourne Road Baptist Church as a member of the Baptist Bowling League. They will bowl for the first time in the league this Thursday evening at the Hilltop Recreation Center, 3419 W. Broad st, at 8:30.

Local Registrars To Help Drivers

Two deputy registrars have been authorized to issue drivers' licenses in the South Side. They are Paul Lynch, 391 S. High-st and Joseph E. Powell, 1086 Oakwood-av.

U. C. Felty, director, Ohio Department of Highways, has announced that notices will be sent reminding that a driver's license expires on the driver's birth date.

Bond Issue Would Provide Five Local School Projects

Approval of the school bond issue on Sept. 14 will enable the Columbus Board of Education to continue its construction program on the South Side and in all sections of the city without interruption, school officials declared yesterday.

Five of the projects included in the $12,900,000 bond issue are urgently needed in the South Side area within the next three to five years.

The proposed bond issue is among the five issues backed by the Metropolitan Committee. The others are for hospitals, express ways, slum clearance, and the airport. All will appear on the September 14 ballot.

School officials have outlined the five projects planned for the South Side as follows:

1. Build a six-classroom addition to Barrett Junior High School.

2. Expand the site and build a four-classroom addition to Beck Street Elementary School.

3. Expand the site and build a four-classroom addition to Siebert Elementary School.

4. Build addition of possibly six classrooms at Deshler Elementary School.

5. Remodel a portion of Fulton School to provide two more classrooms.

Funds from the bond issue also would make it possible to replace, repair or refinish obsolete furniture at South High School and Barrett and Roosevelt Junior High Schools.

The recommended building program resulted from a thorough study of school housing needs conducted by the Board of Education's research department and the Bureau of Educational Research at Ohio State University. The study revealed that the continuing high birth rate and new home construction will cause further growth in enrollment in South Side schools. The five projects that have been recommended for the South Side are designed to cope with this increase in enrollment.

School officials emphasize that passage of the bond issue will enable the Board of Education to proceed with its plans without delay.

Since 1950, the Board has undertaken 60 improvement projects in the South Side area, including two new schools (Mohawk Elementary-Junior High School and Deshler Elementary School), six additions (Barrett Junior High School and Heyl, Deshler, Lincoln Park, Siebert, and Ohio Avenue Elementary Schools), and 12 major remodeling projects (Barrett Junior High, Third Street School, and Fulton, Ohio Avenue, Lincoln Park, Reeb, Southwood, Stewart, Siebert, Beck, Heyl and Livingston Elementary Schools).

Mean Words

When mean words are used in business, social or political activities, the user of the mean words usually is ranked as being low in intelligence. Recently while waiting for a plane schedule, a woman nearby was overheard to tell another that a departing woman was "Oh, so baggy!" What it meant I do not know, but her companion retorted that the lady being-talked about was "my good friend and a very nice woman." I could not refrain from thanking that woman for her retort proper. Mean words originate quickly in mean minds.

'Tis said that September is a bridal month that runs a close second to June, and that's a statement we'll agree with, after scanning our list of items for today's column. We'll go a step further and say that this year, Sept. 8 seems to be a poular day for exchanging vows, for these couples will start a new phase of life on that date: Fawn Masters, 342 E. Gates-st, and Cedric Glassnap, 28 E. First-av, will exchange their vows this Saturday. Other brides-to-be and their bridegrooms: Rita Berendt, 403 Forest-st, who will wed Robert Miller, 1136 S. 22nd-st, Joann Louise Sinacola, 1478 Wilson-av, and her fiance, John Latorre, 53 S. Eureka-av; Bertha Miller, 1194 S. 22nd-st, who will become Mrs. Charles Finegan in Corpus Christi this Saturday. Mr. Finegan's home is at 818 Reinhard-av. Still another young couple who will be listening to wedding bells on Sept. 8 is Irene Schneider, 1385 S. Fifth-st, and Albert Cassady, 193½ W. Goodale-av. (If memory is still functioning half-way, we think that's the birthday of one of Irene's sisters, Ruth McGraw).

A memorable birthday party was held at 98 E. Woodrow-av and we only wish we'd known about it sooner, for we're sure many of our wonderful readers would have wished to send a card to the celebrant. Chet Bowers, a polio victim, has an Aug. 27 birthdate and about 30 members of Courage, Inc., helped him to commemorate the event by gathering at his home.

Mrs. Forrest Lanfear, 722 Whitteir-st, was the hostess when Wing 43 met last Tuesday at 8:15 p.m. in her home. The Wings are active in behalf of Nightengale Cottage.

Our birthday "howdys" to Norma Vanscoy, 1412 S. 5th-st, a little late since she had a Sept. 4 birthday; today is the birthdate of E. M. Brunton, 194 E. Jenkins-av. Tomorrow finds Emily Mosscelebrating her natal day again, Sept. 8 is a busy day, for we find two birthdayites then, Dolores Smith, 1360 Linwood-av, and Lois Boxwell, 484 Moler-st. Sept. 10 is an important date to Madge Reynolds, 1741 S. Champion-av, and to Charles Tyler, Deckebach-rd.

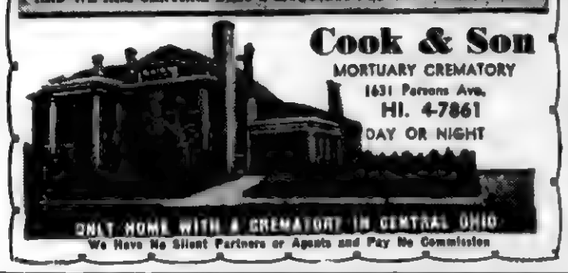
Trudeau Guild 10 will have its September meeting Thursday, the 13th, rather than on the 12th. Too many outside activities starting at the same time caused the change. Mrs. Donald Thomas, 376 Sheldon-av, will be the hostess. Two other Trudeau Guilds have already met, number 12 at the home of Mrs. Paul Barton, Sept. 5, and Guild 19, Sept. 6 with hostess Mrs. Homer Walters, 556 Southwood-av.

The advent of Amy Rhea Edwards made a very happy and excited "grandma" of Glenna Edwards, 66 E. Innis-av. We've known Glenna a long time, but never have we known her to be as excited as she was when telling us about the 6¾ pounds bit of feminity born to Judy and Marvin Edwards on Aug. 28 in University Hospital. Judy and Marvin are residents of 2196 Bristol-rd.

The first meeting of the South Unit of the Columbus Symphony Orchestra will be a luncheon on Sept. 11 at the Columbus Country Club. Mrs. Ben Falter will be the hostess.

Labor Day visitors to Columbus we know about . . . Mr. and Mrs. Clark and their daughter Joan, and Mr. and Mrs. Elbert Clark with their two sons. The visitors are Chicago residents and were visiting Ronald and Marie Cook, of 1413 S. Sixth-sth. Marie is the daughter of the elder Clarks.

Some "traipsers" who were kind enough to send postals, bless 'em, were Larry, Frances, and Sharon Rumsey, 222 Frebis-av. The Rumseys visited relatives in Ithaca, N.Y., journeyed to Virginia to "look in" on daughter Mary Rose Alexander, then sashayed up to Youngstown to visit Larry Jr., and Janie Rumsey. Another postal was received from Nan and Jim Buchan, with Bobby and Jimmy, who took their vacation in Canada and "points north."



Get-well wishes for Mrs. Belford Buck are appropriate at this time.

No more news, just time to remind you to vote in the special election coming up. Let's keep Columbus going forward! As the Gadabout looks at it from a housewife's viewpoint, replacing worn-out articles with new ones is inevitable, so it is with parts of the city that are "slummish." And as for the school part of the voting, most all of us have had the exerience of living in too small a space and so finding larger quarters becomes a necessity. Our city is larger, and more children require expanded facilities. Hope to see you at the polls on Sept. 14! Till next edition then, don't forget HI. 4-1051; we love to hear from you . . . A man who's six years old must not
Have women babying him — although

Why did Daddy's eyes look funny,
And why was his chin jiggling so?

Tonight when bedtime comes again
I might let Mommy tuck me in

It's That Day again, although it doesn't seem possible the summer is over. What about all the things you planned to do this summer? I know — I didn't do what I planned to do either. Today, mothers will pass the house with red eyes, and little girls and boys will pass, holding tight to big sister or brother's hand or like the little boy in Miss Lang's poem, will walk manfully along "all by himself," on the Great Adventure

Quote — The ideal man to most girls is one smart enough to make money and stupid enough to get married . . . A man who was fond of playing practical jokes sent a friend the following telegram, collect: "I am perfectly well." About a week later the punster received a heavy package on which he was obliged to pay considerable charges. Opening it, he found a huge block of concrete. On it was pasted this message: "This is the weight your telegram has lifted from my mind."

Mail — From Nebraska We are having a severe drought here this summer and we had one last year too. Crops were not too good the year before, either. Farmers are really desperate. It is sometimes tough to have to depend upon anything as temperamental as the weather for your livelihood! So if you don't need rain in Ohio, please pray for it for Nebraska . . . From Columbus, Ga.: Italy didn't give us a statue of Columbus but we are planning a bang up celebration for his day, anyway. I hear Columbus, Indiana, is going to celebrate too. It was raining hard the night we passed your statue, and when we saw it looming up through the rain it was a little frightening. It is so BIG! . . . From Worthington: We just returned from a trip to Oregon. Now I understand why you have always been an Oregon booster. It is a lovely state. It seemed like we could see Mt. Hood from all over the state, though we were not in the western part. Of course we were glad to get back — Ohio looks good to us. We wanted to be back in time for the State Fair and just made it.

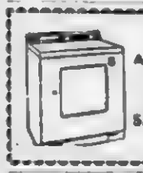
Vote On 5 Bond Issues At Special Election, Sept. 14

Five bond issues, which will provide civic improvements essential to the community's growth, vitality and prosperity, will be voted on Sept 14.

The bond issues make up the fourth "package" of bond issues for civic betterment indorsed by the Metropolitan Committee.

The bond issues are for:

SCHOOLS - A $12,900,000 bond issue for 13 new elementary and four junior high schools, to build 14 additions to present schools and remodel others, and purchase sites for future use. The construction program will provide 358 more classrooms in all parts of the city for the rapidly increasing number of school pupils.



HOSPITALS — A $15,000,000 bond issue to build two new hospitals, add wings to four existing ones, build new nurses' educational and residential units and expand two existing ones. All non-profit hospitals will share in the program.

EXPRESSWAYS — A $11,300,000 bond issue to complete projects in the inner belt and freeways, and make the city eligible for matching funds, with the federal government paying 90 per cent of the cost.

SLUM CLEARANCE — A $5,000 000 bond issue to finance slum clearance and resale for new apartments, shopping centers, with federal funds meeting two thirds of the net cost.

AIRPORT—A $3,975,000 bond issue to build a new terminal building, parking apron and other facilities necessary for increased traffic at Port Columbus. Federal government will match dollar for dollar.

The bond issues can be financed without any increase in the Columbus real estate tax for debt purposes, because new bonds will be issued in installments as bonds from previous projects mature, and because allocations will be made annually from the city income tax for debt retirement.

astounded at the failure of our own people and those of other countries to understand and give significance to the differences between Asiatic and near-Asiatic peoples and our own people. Instead, for many years the average American tourist, and even employes of American companies in Asia, expect the Asiatics to readily understand even our most provincial slang — and accept it as being superior. The West, which includes our European friends, could still profit by UNDERSTANDING the Asiatic and extending cooperation on the Asiatic basis. Therein would lie a good chance of peace. As it is, Asia will assert its independence and take what has been built up there at our expense. They will be assisted by Russia—and, not fulfilling any prophecy, as far as I know, but purely as a result of our deficiencies, we will become, with other Western nations—"second rate" in Asia. After combined victory Asia will dispose of Russia.

With our self assurance, even if misguided, the result will be highly disappointing to our well developed national ego.

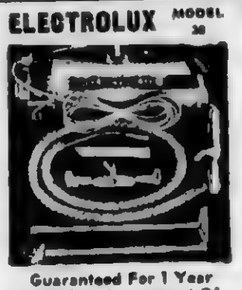
LET'S GO SHOPPING FOR: pears, peppers, lettuce, eggs, tuna and frozen pies.

September brings to our market Bartlett pears, grapes, plums, peppers and other long awaited homegrown fruits and vegetables.

Bartlett pears are plentiful this year according to the U.S. Department of Agriculture. Some of the crop is grown in the Midwest but the far western states—California, Oregon, and Washington—are the main producers. California is the largest producer and is expected to have about 13 per cent more pears than last year and 19 per cent above average.

Peppers add color, flavor and nutritional values to your menus. They are available at most produce counters the year 'round, but homegrown peppers are most plentiful during September. The thick fleshed green or red sweet peppers are frequently used for cooking and seasoning while the hot varieties are most often used for making pickles and relishes.

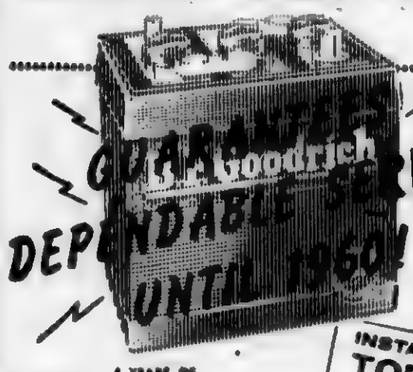
Rust colored spots on the inside leaves of head lettuce are caused by adverse growing conditions (sunburn, frost, etc.) when the lettuce began to mature. There is no way of detecting the presence of these spots without cutting or tearing the head apart.



Indications are that egg production will be approximately two per cent above last year. Improved poultry breeds, practices, and feeds have helped to bring about this record production.

The supply of tuna fish is plentiful according to the U.S. Department of Agriculture. There are three principal kinds of tuna meat, described by color, and three diffesent styles of pack, based on the size of pieces. The highest quality tuna generally is considered to be white meat; then light meat; then dark meat. These may be packed in three different styles, solid pack, chunk style, and flake style.

After September 1, 1956, all frozen chicken or turkey pies bearing the Federal inspection mark must include 14 per cent or more cooked poultry meat, according to a new requirement announced by the U. S. Department of Agriculture. The new requirement applies only to those processors who operate under the voluntary Federal Poultry Inspection Service. About 80 to 85 per cent of chicken and turkey pies sold in interstate commerce are covered by the Department's inspection service.



Frozen fruit pies are gaining in popularity. They rank fourth now in frozen food sales, whereas all other baked goods rank eleventh. Indications are that around 50 million frozen fruit pies will be purchased in 1956—12 million more than last year.

St. Mary's New Elementary School Building Adds To Attractiveness Of South Side

Recently dedicated, St. Mary's new elementary school, adding architectural luster to the South Side, houses a lot of youngsters whose numbers had grown until the old school building would no longer contain them. On the front or Third-st side of the building, there are administrative and nurses' offices, class rooms, wash rooms and service rooms. Four class rooms are on the ground floor and five class rooms occupy most of the space on the second floor. The second floor also contains the music room. On the ground floor are the large cafeteria and gymnasium all with modern equipment. The new school and its facilities have made it possible to more adequately care for the high school in the old school building facing on Mohawk-st. Among other things there is a large basement locker room for the use of football players and other athletes. The space vacated in the old building permitted the accommodation of a great many more students in the old building. At the present time, the reporter was told, there are about 400 pupils in the new elementary building. The building is at 700 S. Third-st.

LIFTING THE CURTAIN

Many of us struggle endlessly because we have not learned to lift the curtain which shuts off the view of the Highway of Beauty and its attendant joys. It is our responsibility; we, and only we, can lift the curtain to permit the waves of joyful living to submerge us in happiness through accomplishment, of course.

OG's NOTES

We Are Sad

Just read that an Illinois man has been sentenced to prison for conspiring to help his superior steal "more than $637,000." Both were fine men, neighbors. One wonders what can cause men in high office and with a background of high probity to use their positions to steal, whether from state or friends. How difficult it is to understand. We grieve with them, as we would

Stewart-av PTA Meets This Eve.

The first PTA meeting of the Stewart-av School will be held this Thursday evening at 7:30 o'clock, according to Mrs. Richard R. Chambers, publicity chairman.

Miss Joy Garrison, assistant director of health and physical education for the Columbus school system, will be the guest speaker for the evening. Her topic will be "The Bond Issue Drive." A film strip will be shown.

The president, Mrs. Ernst Heller, will introduce the new officers and the chairmen of the different groups and teachers.

Marion-Franklin Booster Club Sets Carnival Oct. 20

Marion-Franklin Booster Club has been called into special meeting next Monday evening, Sept. 17, at 7:30 o'clock, according to an announcement by Club President Jack Schoonover.

"The meeting," the club president said, "is for the purpose of making plans for the fall carnival, to be held at the Marion-Franklin High School."

The date, the official stated, has been set for Oct. 20.

At the meeting Monday evening, he said, committees will be set up to establish the program, implement the program, and generally carry out the aims and plans of the Marion-Franklin Booster Club.

Lends Helping Hand

Asked the purpose of the carnival, it was learned that the Boosters have a very special annual chore raising funds with which the organization can purchase indispensable items for the high school—items for which no funds are otherwise provided.

The official heads called attention to the great variety of interests existing in the school, most of which find entertainment during the year as a result of the purchases made by the Boosters for necessary equipment.

Some Beneficiaries

Among these items were listed band members and their parents, football players and their parents, basketball players and their parents, baseball players and their parents, Glee Club members and their parents, teachers, and anyone willing to work. The president said that membership in Boosters Club is not necessary to allow one to join in the preparations for a successful carnival.

Extracurriculars

Practically all of the extracurricular activities around the school, it was stated, depend upon the funds raised annually by the fall carnival.

Some of the activities depending upon the Marion-Franklin Booster Club were related as these: the Booster Club has purchased the band uniforms, the choir robes for the Glee Club, the first uniforms for the various athletic teams. The club has helped in many other ways at the high school, according to school authorities.

Booth Assignments

It is understood that booths will be ready for early assignment, perhaps awaiting only the appointment of the committees at the meeting next Monday evening. Inquiry made among members of the Marion-Franklin High School students indicated that the "good times of fall carnival days" are remembered from previous years and are eagerly anticipated beginning Oct. 20. It is hoped to duplicate last year's success, when nearly every organization at the high school had a booth or participated in the carnival in same way.

Overseas Wives To Meet 14th

The next meeting of the Overseas Wives Club will be held at the YWCA Friday, Sept. 14, at 8 p.m. Hostesses will be Mrs. Charles E. Fritsche and Mrs. Charles T. Light.

The Fourth Estate . . .

Circulaton Department Circulation Department

By Oliver Gedeist, Leader Editor

Theres' never a FINAL decision in the endless work of "getting out' a newspaper. What seems settled today pops up tomorrow in a new or different angle, and consideration must start all over again. Often such a situation is annoying but a newspaper man has little time to indulge the luxury of worrying or even fuming . . . his is a get-busy, stay-busy life.

Circulation

As is well known, circulation is the life-blood of a newspaper. By that is meant the disposition of the papers after the news and advertising people have finished, after the type is set and the press has run the papers. Boiled down, it means getting the papers into the hands of you, the readers.

No Perfection

There is no known perfection in the work of delivering newspapers. To illustrate: Recently a new carrier boy was put on the route including the street where I live. On a Thursday evening the youngster came to collect for the daily which we read. He seemed a bit ahead of time, but we were agreeable—after all, these are little fellows, you know! We greeted him cordially (they are QUITE HUMAN, with human weaknesses) and paid him, with a slight extra bit of change.

Surprise!

What was our surprise when, on Saturday evening, the door bell rang and I found our carrier boy? "Collecting for the paper," he said with apparent economy in the use of words. "But," I told him, "you collected here just about 48 hours ago. Why?" Embarrassed, he explained that this was his fifth day on the job and that he had not written down all of his collections. He was asked into the house, shown the receipt in his own writing, and given a bit of practical advice on collection—particularly collecting and making an immediate record of the collection. Then, when he had gone, a note was written to the circulation manager of the newspaper about the "excellent carrier boy." And in two days we had a heart-warming letter from the circulation manager of the "big" paper. We like to have the friendship of the fellows who bring our papers to us. I was once a carrier boy.

Careless

Circulation carrier boys are just like the rest of us, and for that reason I have a lot of tolerance for the little fellows who carry or bring our newspapers to us. Our "little fellows" who deliver your South Side Leader may do some things which they shouldn't, but most of them are like your and my little fellows in the home. In their inexperience they forget, occasionally, but don't mean to. As in all other fields of activity, some boys are careless, but kindness may be the light that will steer them toward the harbor of understanding.

Other Problems

There are other problems in the making of a newspaper, but some of them—not ALL of them—can deter a newspaper man once he has "printer's ink under his finger nails." Sometimes there is the careless writer, sometimes just an honest error—sometimes, well, we are just human beings in the newspaper field, in which we hope to live yet a while and, like the sages of the old past, "go unto our fathers" while getting ready to get out next week's paper.

Be Patient

We are all human, with human weaknesses, and we are vain enough to feel that most of our fellow human beings are in the same boat—subject to errors for which we are all sorry, but getting along with these fellow human beings in happiness and contentment, giving here a word of encouragement and, maybe, there receiving a word of the same.

Wanda Price Is Bride Saturday Afternoon

White gladioli and asters, palms and seven branch candelabra decorated the altar of Christ Lutheran Church for the marriage Saturday of Miss Wanda Jean Price, daughter of Mr. and Mrs. William Ralph Price, 2536 E. Livingston-av, and Mr. William Ralph Stygler, Jr., son of Mr. William Ralph Stygler, 2247 Astor-av, and the late Mrs. Stygler. The ceremony was performed at 2:30 p.m. by the Rev. Robert Long.

Jennifer Wynn of Hamilton was flower girl. The attendants wore gowns of rust colored taffeta made on semi-princess lines. The surplice necklines formed deep V's and cap sleeves. Here's a fishing tale about the one that DIDN'T get away. Mr. X cast his line mightily; it snagged, so he tugged at it, naturally the line came loose with a vengeance and pow! snagged in the back of Mr. X's curly hair. With the help of Mercy Hospital doctors, the hook was cut out, so if you happen to see a gentleman with a patch the size of a quarter on the back of his head, maybe he's the one who went fishing and caught himself!

No more items, and PLEASE call us at HI. 4-1051, won't you? We're still staying at home, and it's harder to hear the news that way. Give us a buzz, and we'll be happy. Til next week then, 'tis — The Gadabout.

Lace appliques re-embroidered in sequins and pearls formed the bateau neckline and encircled the skirt. The bride carried a white prayer book with an arrangement of white orchids and lilies of the valley and ivy.

Miss Ann Howard served as maid of honor. Mrs. Paul Hewetson (Marlene Linscott) was matron of honor, and bridesmaids included Miss Marilyn Harding, Miss Donna Lane, and Miss Sylvia Taylor. Jennifer Wynn of Hamilton was flower girl. The attendants wore gowns of rust colored taffeta made on semi-princess lines. The surplice necklines formed deep V's and cap sleeves. The waltz-length skirts had full, draped backs and full length velvet sashes. They wore matching bows in their hair and carried cascade bouquets of bronze mums and pompons. The flower girl was in pale yellow taffeta and carried a yellow basket of bronze petals.

Mrs. James Stygler served as best man for his brother and wedding guests were seated by Mr. William Pfeiffer, Mr. Charles Stoup, Mr. Phillip Wagner, and Mr. William Zenker.

A reception at Ilonka's followed the ceremony. Hostesses were Miss Virginia Harrison, Mrs. Robert Koltun, Mrs. John Jordan, Mrs. Donald Lott, Miss Ann Wisterman and Miss Martina Yuljico. Mrs. Price received guests in a gown of beige chantilly lace over taffeta. Her hat was of tortoise sequins and she wore bronze cymbidium orchids.

The bride is a graduate of Bexley High School and attended Ohio State University where she is a member of Alpha Phi sorority. She is presently employed as a service representative for the Ohio Bell Telephone Co. Mr. Stygler also is a graduate of Bexley High, attended Miami University and is now a student in the college of engineering at Ohio State.

Former Local Girl Married

The following, from a Conewago, Pa., newspaper, was received by the Leader via our friend Gadabout. It tells of the wedding in Conewago of a former South Side girl:

Miss Marian Ruth Becker, daughter of Mr. and Mrs. Ralph S. Becker, 203 Spring-av, was married today at 10 a.m. to Robert Eugene Smith, son of Mr. and Mrs. Eugene W. Smith, Edge Grove, in a double-ring ceremony at Sacred Heart Church, Conewago. The Rev. John P. Bolen, pastor of the church, performed the ceremony. Floral decorations were of mixed yellow and white chrysanthemums and pompons on either side of the altar. The bride, who was given in marriage by her father, wore a two-piece dress of beige silk shantung with matching hat and avocado accessories. Her corsage was of yellow rosebuds. Mrs. Kenneth Brady, the bridegroom's aunt and godmother, was the bride's attendant. She wore a two-piece blue linen dress with white trim, beige hat and accessories, and a corsage of pink rosebuds. Bernard Hageman, Spivey, Kan., who had served in the army with the bridegroom, acted as his best man. Richard Smith, brother of the bridegroom, was usher. Here's a fishing tale about the one that DIDN'T get away. Mr. X cast his line mightily; it snagged, so he tugged at it, naturally the line came loose with a vengeance and pow! snagged in the back of Mr. X's curly hair. With the help of Mercy Hospital doctors, the hook was cut out, so if you happen to see a gentleman with a patch the size of a quarter on the back of his head, maybe he's the one who went fishing and caught himself!

No more items, and PLEASE call us at HI. 4-1051, won't you? We're still staying at home, and it's harder to hear the news that way. Give us a buzz, and we'll be happy. Til next week then, 'tis — The Gadabout.

Annual Meet Of Three-Year Old Club Open To All

By Mrs. Richard Donovan
Publicity Chairman

Three years ago the mothers of the Southwood Church of Christ formed a Mothers' Club for mothers of children under 12 and for anyone interested in children of these ages.

At each meeting we have a speaker, talking on problems pertaining to small children, a question-and-answer period, followed by a social hour with refreshments.

At our first meeting at the beginning of a new year we have Dr. Edward Turner and his wife as our speakers. They will have a recording and talk on "Sex Education." It is our understanding that there are many mothers in our community who have expressed the desire to hear Dr. and Mrs. Turner present this program, so we are inviting anyone who is interested to attend our first meeting for the new club year.

The meeting date is Sept. 25 with our business meeting at 7:30 p.m. and our speaker at 8:30 p.m. If you plan to attend please call HI. 4-8190 and give us your reservation so we may be able to plan for refreshments.

Ashburton-rd, became the bride of Mr. Donald Lee Watson, son of Mr. and Mrs. Hayward E. Watson, 470 S. 18th-st, at a 7:30 p. m. ceremony Aug. 18, performed by the Rev. J. Bouquets of lavender asters and white gladioli decorated the altar which was banked with white woodwardia and huckleberry. The sanctuary and aisles were lined with tapers tied with lavender bows.

Given in marriage by her father, the bride wore a floor-length gown of eyelet embroidered organdy over taffeta. The bodice had a deep V neckline edged in scallops. The bouffant skirt was tiered and was worn over a Dior hoop. Her fingertip veil was caught to a shallow pillbox of organdy sprinkled with pearls and she carried a fan of wired white satin with organdy leaves centered with stephanotis, lilies of the valley and a white orchid.

"Will I get full-day schooling, TOO?"

His big brothers and sisters have been getting full day schooling despite the fact that enrollment in the Columbus Public Schools has jumped 21,000 since 1948.

We've had to build 28 new schools and 42 additions to schools in all sections of the city to make full-day schooling possible during the last six years. At the same time, we've remodeled 43 old school buildings to provide modern, up-to-date classrooms for all of our boys and girls.

The school construction program must be continued without interruption if we are to keep on providing full-day schooling for our children. Columbus schools are filled to capacity now, but enrollment will increase at least 12,000 in the next three to five years.

How many new schools does Columbus need? According to a careful study completed earlier this year, Columbus must build a total of 17 new schools in 1957, 1958, and 1959. We also must build additions to 14 schools and remodel portions of three elementary schools to provide more classrooms.

Where are these construction projects needed? In all parts of Columbus, for the increase in enrollment will be felt throughout the city.

The 59,127 babies born to Columbus parents between 1950 and 1955 deserve full-day schooling, too. Let's see that they get it!

Rev. Martin, Wife Return From West

Rev. and Mrs. S. R. Martin of the Gates-Fourth Methodist Church have returned from an "invasion" of the great Far West. Main reason for the trip was to see their son, who lives in Los Angeles. But they took in a number of points of interest, including a trip to the Salton Sea, a body of water way below sea level and in an area not designed as a summer resort.

The Martins were intrigued by the fact that the Salton Sea is gradually — ever so gradually—increasing in depth, creating a mystery which many seek to unravel, the pastor said.

The travelers had a look-see at many things between Columbus and California and enjoyed every moment, they declared.

Rev. Martin announced that the Sunday evening service, at 7:30, will be a study in Galatians, and therefore members have been requested to have their Bibles with them for the service.

Pupil List Is Higher At Barrett

Barrett Junior High School's enrollment was up 350 new pupils over last year's enrollment, according to Principal Robert L. Nash following Wednesday's opening of the school for the 1956-57 term.

The new enrollment, the statement said, totals 975.

Five new teachers were reported, these being Miss Joyce Ann Brown, Mrs. Mary Sandbo, Mrs. Joanne Hylton, all seventh-grade teachers. Mrs. Hylton also teaches general science; Mrs. Anne King, home economics; Miss Jacqueline Davis, lunch room supervisor and home economics.

It also was announced that Mrs. Mabel Marsh is the new school secretary.

The new pastor will preach at 8:30 a.m. and 10:30 a.m. The Concordia choir will sing for the first service and the Chancel choir for the later service.

Johnsons Operate Second Local Market Basket Store

Mr. and Mrs. H. E. Johnson, of 1681 Essex-rd, are the owners of the second Market Basket Store in the South Side, they have announced.

The new Market Basket, formerly Eavey Market, is at 786 E. Whittier-st, and it is being announced in today's South Side Leader.

The Foreign Grocery, 1956 Parsons-av, was the first store in the area to affiliate with the city-wide Market Basket group of nine.

The new owners will issue IOU stamps. Filled books are good for $3 in trade or $2.25 in cash in the store. The stamps are printed here in the South Side by the Nutis Press, keeping the transaction a purely local action, Johnson said. He also emphasized that he has been in the meat business 25 years and will maintain a long record of selling high quality meats and other foods.

Ox Roast At Grove City, 22nd

The eighth annual ox roast sponsored by the Grove City Presbyterian Church will be held Saturday, Sept. 22, in Grove City. A large tent over the street, the high school band, and the square dance calling of Rush Thomas in the evening will guide you to the place of operations. The announcement was made by Pastor Joe K. Bury.

Beef sandwiches, hamburgers and Sloppy Joe sandwiches are the main attractions, although other food items including soup, potato salad, baked beans, cake, pies and beverages are available.

The Presbyterian Church in Grove City will mark one hundred years of history on Nov. 16 and all proceeds from the ox roast will go to aid our building fund project, which this year is nearing the stage of actual construction.

An Irishman ? ? ?

It just can't be! But, I have just read it—that story of the North Ireland Irishman who asserted that he caught a flaming red flying saucer! It got away from him, it was said . . . the man said. Why couldn't the Irish in me give me the luck to catch me a flying saucer? Maybe I'm just plain unlucky!

Pigs as "Revenooers"

Couple of fellows up East Liverpool way will watch their porkers (or their neighbors') after this. Maybe it should be said they'll watch out after they get out of jail. For the pigs unintentionally turned into "revenooers" and got the fellows put into jail. Some one saw the pigs staggering around the area, told officials; officials raided a house, caught the two fellows whose mash the pigs had gotten into . . . well, it's not likely they'll moonshine more for some time.

Slightly Misunderstood

When Nature passed out the heads
I thought she said beds—
So I asked for a big soft one.

When Nature passed out the brains,
I thought she said trains.
And I missed mine.

When Nature passed out the looks,
I thought she said books,
And I already had one.

When Nature passed out the noses
I thought she said roses.
So I asked for a big red one.

When Nature passed out the ears,
I thought she said beers.
So I asked for two large ones.

When Nature passed out the eyes,
I thought she said lies.
So I said, "Just little white ones" . . .
Boy! Am I a mess!

The Christmas Seal X-ray cruiser is operating at Parsons and Reeb-ave today, Thursday, and tomorrow.

Free chest X-rays will be given from 1 to 8 p. m. to anyone over 15. Confidential reports are mailed by the Tuberculosis Society of Columbus and Franklin County.

Although the TB Society is primarily searching out TB among the apparently healthy, it also makes preliminary reports on other suspected chest ailments.

Early cases of TB can best be found by use of the chest X-ray. Each unsuspected case of tuberculosis is estimated to infect nine others.

New Council Officers Named In Park Meet

Honored with office under the sky.

Pictured above are newly elected officers of the Council of South Side Organizations, named at an election held at the annual September corn and chicken dinner at the South Branch-Y Park.

From . . . GG's Notes

Smart Then, Too

Scientists lived years ago, although in our time, because of recent great scientific progress, we give little consideration to the scientists of an earlier date. However, jump into speeding time, but backward to 1880, and look at the English record of the filing of a patent, the first patent on TV, in that year. That's more than three quarters of a century ago, and much of the ingredients of today's TV hangs on the details of the patent granted to two men, Ayrton and Perry, in that long-ago year.

• • •

Connecting Link

We weren't there to see them two to three thousand years ago, but the pretty rose-sized carnation brings to us an odor of the days which seem to us to be eternities away. That's right, apparently with little or no variation, the carnation was a known and employed flower in the days B.C. —even back to the days of King Solomon. And, pretty thought, maybe it was from the gorgeousness of the carnation that Solomon dreamed up his beautiful Oriental harem — maybe he charmed the damsels of his time with the glory of the carnation! I'm glad the carnation is a bridge between the Away Back Then and our sometimes unprosaic now!

• • •

Why, Tom!

Yes, it was our Tom Sharp who did it. In a large advertisement by Hoermle last week Tom's phraseology in the advertisement intrigued me—he spoke of a section of the TV repair department at Hoermle's as a "gadget." Then I learned that the "gadget" was a $1,400 segment of an extensive and (to me) expensive scientific repair section — the reason such prompt action is given on repairs and at comparatively low prices. They have the equipment and the knowledge to work fast and right.

File Applications Early For Police Job

Gale Reeder, secretary of the City Civil Service Commission, has announced that many people interested in police jobs may lose out because of tardiness in handling their applications.

The secretary said that many applications taken out by those expressing interest in civil service jobs in the police department have not been returned. He called attention to the deadline for filing applications.

Applications now being received are for a police department examination to be held in the Southern Hotel Oct. 27. Here's the reason why applications should be in early: the secretary said that in the event of a tie between applicants, each being satisfactory for appointment, the filing time will be the deciding factor.

The deadline officially is Oct. 19, but the secretary says it's a lot better to have an aplication in early.

Ruth Ann, Flame Victim, Buried In Obetz Monday

Funeral services for Ruth Ann Maley, 1812 S. Sixth-st, who died in flames in her room early Thursday morning of last week were held Monday, Sept. 17, at the Reeb-av Church of Christ in Christian Union at 1:30 p.m. Cook and Son Funeral Home had charge of arrangements. Burial was in Obetz Cemetery.

Death came to the 16-year-old girl, daughter of Mr. and Mrs. Alvin Maley, when she was enveloped in flames and cut off from escape, the fire believed to have been caused by a defective gas dryer. Extensive damage to the home was caused by the fire, it was stated.

Defect Found

Lt. S. L. Sides, of the Fire Prevention Bureau, said disassembling of the gas dryer Thursday afternoon showed that a defective electric motor became so hot it melted tubes in which the gas flowed to the dryer.

He said the resulting gasfed fire broke out and engulfed the home in less than 15 minutes.

Ruth Ann, a South High School sophomore, had been left alone when her father, Alvin, left for work at Borden-Hamilton Milk Co. The mother had left earlier for work at Kimble Glass Co.

Sides said the girl, partially clothed and apparently preparing for bed, was trapped when flames spread from the kitchen, where the dryer was located, to the living room, and then to her bedroom through a ventilator.

The house apparently filled with "super-heated air," Sides said, and Ruth Ann, screaming desperately for help and attempting to make her way out of the room, was overcome.

Her body was found about a

Health Officer Moves To Stop Stench After Nocturnal Tours

A sore spot in the South Side of Columbus may have an airing in court soon as the result of a request by county health authorities that County Prosecutor Samuel L. Devine take action to end noxious odors which have caused much concern to what has been termed a "long-suffering public" in the south and east areas.

Complaints All Around

Following renewed complaints from Bexley, Berwick, and East Columbus and South Columbus that the odors from several sources be curbed in the interest of local health, County Health Commissioner Robert A. Evans wrote to the prosecutor asking that necessary action be taken to end the serious nuisance created by odors from three sources.

For many months odors allegedly caused by the discharge of liquids from the Jackson-pike sewage disposal plant have been the basis for complaint and meetings of citizens and public officials

Citizens and civic organizations have vigorously sought to secure improvement in what is alleged a faulty sewage disposal system, and have sought to have sewage from the north delivered by a tunnel to the south county boundary for disposal, leaving the river and its branches free of the "excessive pollution" as exists now, according to the complaints, with attedant "disagreeable odor."

Others Charged

But, according to the health official's letter to the county prosecutor, two industries are charged with air pollution. These industries were, in addition to the sewage disposal plant, Midwest Packing Co., on Alum Creek-dr and Columbus Rendering Co., on Frank-rd. Inquiries among civic leaders and others interested indicated that plans submitted at various times have not greatly impressed officialdom. This was evidenced early in the summer when Mayor Sensenbrenner and his staff met with a group of local citizens in the South Side Branch YMCA, upon invitation of Executive Secretary Hoover. There in a friendly atmosphere there was much discussion of merits of the plan for increased sewage disposal plants instead of a giant trunk line from the north to the south end of the county. It was also suggested that the proper city officials would be willing to take a committee from the South Side to inspect plants in other places similar to the new plant projected for Columbus. However, nothing came of the plan, members of the Council of South Side Organizations reporting that some of the city officials decided that the plants mentioned were not "exactly" like that planned here, and no inspections have been arranged, according to Council members interested in

Boys Are Happy When Party Honors Their Baseball Achievements

By Connie Stoddard

Among the Marion Township baseball teams during the season was the team called the Demons.

They were good players and worked hard for victory. Then, after the season closed, Mr. and Mrs. C. G. Fitzgerald of 1782 Oakwood-av invited the baseball warriors named Demons to their home for an evening of delight. This was Sunday evening, Sept. 9. The boys all declared the evening was "wonderful" in saying hearty thanks to Mr. and Mrs. Fitzgerald.

The South Side Should Know

An Editorial

There comes many times when we are required to make decisions or formulate judgments and in doing so must accept the opinions and statements of others. Under such conditions it is often extremely difficult to determine who or what to believe.

Such a situation is currently facing the people of the South Side. We have reference to the matter of the location of a new sewage plant.

Sewage plants and all the attending obnoxious odors that can come from one has never been a pleasant subject for South Side people. It is therefore only reasonable to expect that any mention of a new sewage plant being constructed in even the near vicinity of this community would cause South Siders to be firm in their stand to see that the plant is placed outside the city limits, if even at a greater cost.

It is a fact that Columbus will soon build either additional sewage facilities or a new plant. It appears to be a fact likewise that plans are proceeding to place one or the other of these projects on the South Side."

A large number of people have apparently been convinced that present day engineering developments have advanced to the stage where a new type sewage plant is no longer to be considered that horrible monster Columbus may have known in earlier years. However, there are those in this community who rightfully say, "How do we know what to believe?"

The South Side Leader takes this stand . . . We have no desire to ever stand in the road of progress. We are fully aware of the fact that the rapid expansion of Columbus makes an additional sewage facility a necessity. We do, however, contend that the people of this community have a right to KNOW what effect the building of any new plant might have on their future living conditions.

As we understand it, city officials today have merely expressed opinions that the South Side would have nothing to worry about. We believe it would be a better show of good faith to say to selected representatives of this community, "Let us show you similar plants that have been built elsewhere and you be the judge."

The South Side deserves to **KNOW** and **BE PROTECTED.**

Sinacola-Latorre Rites In Corpus Christi Church

Miss Joann Louise Sinacola, daughter of Mr. and Mrs. Joseph Sinacola, 1478 Wilson-av, became the bride of John Joseph Latorre, son of Mr. and Mrs. John Latorre, 53 S. Eureka-av, at a solemn nuptial High Mass celebrated at 9:30 a.m. Sept. 8 by the Rev. Albert Kessler in Corpus Christi Church. White gladioli and chrysanthemums decorated the altar.

Given in marriage by her father, the bride wore a taffeta gown with a sweetheart neckline. Wide panels of Alencon lace were appliqued on the bodice and extended into the bouffant skirt which ended in a chapel train. Her tiered cathedral length veil fell from a crown of Alencon embroidered in seed pearls and iridescent paillettes and she carried a bouquet of white roses and stephanotis centered with a white orchid.

The bridesmaids wore gowns of crystalette designed with sweetheart necklines and bouffant skirts. Matching stoles were caught in the front with bows. They wore lattice Juliet caps with pearls and theater veils and carried bouquets of white carnations. Miss Carlene Sidebottom, as maid of honor, was in aqua and the other attendants, Miss Rosanna Latorre, sister of the bridegroom, Miss Millie Koch, Miss Donna Sinacola, Miss Regina Skunza and Miss Marie Skunza were in coral. Nancy Sinacola as flower girl were in aqua.

Mr. Joseph Latorre, brother of the bridegroom, was best man and ushers were Mr. Paul DiSaboto, Mr. Eddie Franasso, Mr. Norman Latorre, another brother, Mr. Phillip Campisi and Mr. Joseph Riddfe.

An evening reception was given at the Columbus Auditorium. Hostesses were Mrs. Charles Ankrom, Miss Joann Cervi, Miss Judy Hensel, Miss Judy Keisher and Miss Carol Salamony.

The bride is a graduate of St. Mary's High School and is employed by Underwood Corp. The bridegroom attended Aquinas High School and is employed by Sharon Springs barber shop.

Following a trip to Florida, the couple will reside at 1478 Wilson-av.

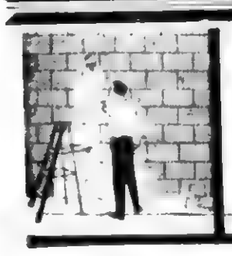
Rev. Clay To Host Sunday School Group

Pastors and leaders in 15 Nazarene churches in this area will attend a zone rally on Sunday school work in the Wilson Avenue Church next Monday evening at 7:30, according to an announcement by Rev. D. E. Clay, pastor.

Speaker will be Gordon T. Olsen, Eugene, Ore., a Christian businessman and noted industrialist, who "has applied business principles to Sunday school work with amazing results in the past 15 years," Rev. Clay said.

Starting eight years ago in the refrigeration and air-conditioning business, with $2 000 capital, this year Olsen's sales will exceed $2-million. He credits Divine Providence with his success.



Members of other churches are invited to attend by Rev. Clay, host pastor.

The participating local Nazarene churches are Fairwood, Beechwold, Shepard, Frank Road, Wilson Avenue and Obetz.

The South Side unit of the League of Women Voters will meet Tuesday, Sept. 25, at 8:15 p. m., in the home of Mrs. R. E. Robertson, 331 E. Moler-st. All interested women are cordially invited to attend. Subject for discussion will be "City Finances." Discussion leader will be Mrs. George Maines, 797 E. Deshler-av. Resource leader for the meeting is Mrs. Earl A. Todt.

It's going to be birthday time for Isabel Dunkle very soon, so a happy Sept. 23, Isabel!

The Cloverleaf Clubs of St. Anthony's Hospital will have two South Side hostesses this month: Mrs. Louis Kreutz, 176 Thurman-av, will entertain her group, Leaf 2, on Sept. 23, at Lieb's Island, Buckeye Lake. Mrs. Louis Draudt, of Leaf 9, entertains today in her home, 318 E. Whittier-st. Meeting time is 8:30 p.m.

Six schoolmates and chums have decided to get their "service" hitches accomplished simultaneously, so now four of them are at Ft. Chaffee, Ark., and two are in Bainbridge, Md. The soldier boys are Robert White, 470 Hilock-rd; Steve DeVore, 145 N. Central-av (he formerly lived on Woodrow-av); George Fred Cross, 680 Woodrow-av; Edmund Lee Carter, 518 Southwood-av. No. 680 Woodrow-av was the home address for both boys now wearing navy blue. Lonzo Carr and Robert E. Cross.

Our very deepest sympathy to the parents of the loved Ruth Ann Maley, 1812 S. Sixth-st.

The Columbus Council of PTA is right in the middle of a school of instruction today in the Ohio Union at OSU. (See the public service I perform . . . you won't be able to get your "PTA" friends today, so this is a good chance to do a little cleaning or something! Then you can phone THEM tomorrow and find out what went on at the meeting!) Smith Road and Deshler Schools had PTA meetings earlier this week, and St. Mary's will hold one tonight.

A belated birthday greeting to Wanda Smith, who had a Sept. 13 birth date. Wanda's residence is at 1558 S. Fourth-st.

Oh boy, are we ever looking forward to this Sunday! The annual spaghetti dinner will take place at St. Ladislaus School hall, 277 Reeb-av. Dinner will be served from 11 a.m. to 8 p.m. Carryout and free baby-sitting services will be available, and cost of the meal is a low, low one of $1 for adults and 50c for children. Co-chairmen of the project are Mrs. Albert Maciocc and Mrs. Joseph Persichetti. Ticket chairmen are Mrs. John Taraba and Mrs. Michael Yandrich. Tables are under the supervision of Mrs. Warren Marshall and Mrs. Paul Kelly. Publicity chairman is Mrs. Howard White. We hope to attend, so maybe we'll get to meet some of you there (AFTER we've wrapped ourselves in some of that luscious spaghetti . . . it's that good!)

The South Side will be losing one young couple to the fast-growing town of Whitehall very shortly. Joan and Tom Passen are making the move.

Personality plus Bob Ross of Southwood Church of Christ has been in Washington, D.C., from Sept. 17 to 19, representing the International Society of Christian Endeavor at the 11th national conference on citzenship. In his capacity as director of the society Bob will serve as host at one of the tables. The conference opens on "Citizenship Day," designated so by congress to commemorate the signing of the Constitution in 1787. The theme is "The Voting Citizen" and brings together public and private organizations and agencies. It is designed for that part of the population who have recently reached voting age or become naturalized. A naturalization ceremony is part of the agenda, in addition to the Citizenship Day ceremony and group discussions.

Bead No. 13 of Our Lady of Mercy School met yesterday in Canal Winchester at Shade's Restaurant. The hostess was Mrs. Gerald Hartman.

Happy birthdays, nice people: Richard Vogt, 1418 S. Sixth-st, on Sept. 21. Richard's wife, Lena, has a Sept. 25 birthdate, so double greetings are in order for our neighbors. Carey Gray, 1380 S. Fifth-st, has a Sept. 22 natal day; vivacious Jill Dean becomes 15 years old on Sept. 24. Her address is 33 E. Jenkins-av. Virginia Davis thinks Sept. 26 is a nice date to celebrate. She resides at 1460 S. Fourth-st.

Guild 33, South Methodist White Cross Hospital Guild, meets today at 10 a.m. in Henderson Hall.

The Trudeau Guilds are sponsoring a dance at Valley Dale, Sept. 28. Chuck Selby's orchestra will provide the music for dancing.

A young lady who recently completed her nurse's training in California is now home after her graduation. Patti Foreman, 1951 Lockbourne-rd, is a graduate of St. Joseph's College of Nursing, San Francisco. She is now making her home at 94 S. Broadleigh-rd.

Mr. and Mrs. Albert Schumacher, 680 Carpenter-st, are currently entertaining their daughter and her family, residents of Cranford, N.J. The easterners are Mr. and Mrs. Richard Robey, Jerilyn and Dick. Mrs. Schumacher's other Columbus relatives are her sisters, Mrs. Harry Montoney and Mrs. Raymond Sells.

Our gals did it again! The South Side women who belong to the Fleur de Lis unit of the national Needlecraft Guild came home with a lion's share of the blue ribbons at the various fairs. For instance, Master Craftswoman Rogers (the title is ours, but Mrs. Rogers is truly just that) got eight firsts and one second on nine entries. Can't beat that, can you? The local unit is going to be hostess to the Cleveland unit on Sept. 25, at the Park of Roses. Mrs. Earl Petty, 395 E. Gates-st, is president of the Fleur de Lis. Hostess for the Sept. 25 meeting is Mrs. Lester Pepper, Jr.

Mrs. Gruber, 653 Stanley-av, has had a pleasantly full social schedule. Last week she was hostess to a former Columbusite, Mrs. Nellie Tayne, now of San Jose, Calif. Also present at the Sept. 11 gathering were Mrs. Alspach, Mrs. Goldie Hughes and Mrs. James Adams. This week she is visiting her brother in Defiance.

Guess we've exhausted our supply of items, so will hurry this down to the Leader. This is one of those days we're racing against Time! Don't forget to call us, please, at HI. 4-1051, hm? Till next time, then, tis—

good study lighting
Proper study lighting helps prevent eyestrain, keeps eyes fresh and makes homework easier. All it takes is the right light in the right place. Use a big enough bulb, a white-lined shade and a diffusing bowl to help spread the light on the reading plane. Light should cover the entire study area . . . without glare or dark shadows. Protect your child's eyes with good study lighting. For more information and free literature about lighting your child's study area, phone the Home Lighting Dept. of the Electric Company at CA 8-6411. Group's Backing Of New Church In North End Seen As Proof Of Continuing Missionary Zeal

SPECIAL

An announcement recently that a group of churches in the South Side were among the heavy supporters of a plan to establish what some call "competition" on the religious level point up, according to a local minister, the "spirit of genuine religion as against selfish pretension."

The announcement referred to told of a plan to establish a new Evangelical and Reformed Church in the north part of the city. There is now no church of this denomination in that section of Columbus, it was pointed out.

But why should churches in the south end, the South Side, pay for the establishment and building of a church in another part of the city? The question seemed a natural thing, since there are now four churches of that persuasion in the South Side.

Unknown Values

There are ramifications which those who questioned the action did not have available for considering, according to Rev. Paul C. Kaefer, pastor of St. Paul's Evangelical and Reformed Church, 225 E. Gates-st.

Rev. Kaefer pointed out that through the years great numbers of local residents moved to the north end of the city. These have the long distance to come to church in the South Side or must resort to attending other churches in thir community. These, it is understood, have been hoping for a church of their own persuasion in their area.

Official Approval

The Evangelical and Reformed Church Conference, Rev. Kaefer said, has approved the program of instituting a new church in the north end, and the program has the support of the Evangelical and Reformed churches in the South Side. These are St. Paul's, Hungarian Evangelical and Reformed, St. John's Evangelical and Reformed Church, Wilson Avenue Evangelical and Reformed Church, plus another in Canal Winchester.

Ministers and people of the churches in the South Side do not consider the new church "up north" as being in any way competitive. Instead, they consider the instituting of an Evangelical and Reformed Church in the north as a necessary program. And ministers and people are giving the required backing to the institution of that church.

The Rev. Theodore Preuss of Jim Thorpe, Pa., has been called to be pastor of the congregation. Date for the institution of the new congregation has not been announced.

WHERE'S THE TIP

Down in the small southern town where he lives, people are so fond of Uncle Mose that the elderly Negro has become a trifle spoiled. One day he presented a check for $19.42 at the local bank. He took the money from the teller, counted it, then recounted it. He didn't seem to be satisfied.

"What's the matter, Uncle Mose?" asked the teller, "isn't it right?"

"Yes, was the grudging reply "but it just barely is."

SOUTH SIDE LEADER AD

Wins Statewide Recognition

This is the Certificate of Merit presented by the Ohio State Department of Highway Safety for "Your contribution to the idea campaign 'How to tame the Speeding Driver'."

The B. F. Goodrich Co. can be proud of the program it sponsors 52 weeks of the year, the Safe Driver League. Purpose of the league is to prevent accidents, save lives and property. Especially timely now is their series calling for safe driving to protect children returning to school. The B. F. Goodrich Company can be proud of the statewide acclaim it has won!

Above is one of the award winning series sponsored by the B. F. Goodrich Company. Parents of the South Side can be proud to have such a business located in this community. A business that is civic and community minded in promoting a safety campaign to protect lives and property.

Pictured are members of the B. F. Goodrich Store at 1942 Parsons Avenue who are dedicated to the Safe Driver League program to prevent accidents and protect lives. Shown in the picture, left to right, Bob Secoy, Jerry Bales, Dotti Brown, Walter Haines, manager, and Bob Hulse.

the trip of investigation.

Suits Filed

A suit filed against the city last week brought the subject before the public again, particularly since this was only one of a number in which the city is reportedly charged with creating damage south of the city.

The request by County Health Commissioner Robert A. Evans for action by the county prosecutor probably will open up the entire subject, and few citizens talked with would hazard a guess what the outcome will be.

Ready To Act

An anonymous official answered the inquiry about the initiating of the action requested by indicating that the action will be quick in coming when Dr. Evans makes formal request.

In his letter to the prosecuting attorney, Dr. Evans reportedly said: ". . . The odor is very offensive and seems to be prevalent late at night, beginning at about 10:30 p.m."

Then, he was quoted as saying that he had made many trips late at night trying to trace the odor, and believes "beyond doubt" that the "main offenders are" those mentioned, including the "sewage overflow at W. Whittier-st from the disposal plant."

Facts Awaited

It is understood that the prosecutor's office asked the health commissioner for "facts" upon which to base action. It is believed now that the prosecutor will take action as soon as facts have been submitted upon which action may be taken. However, neither office had anything to tell the newsman.

Ruth Ann—

foot from one of the two windows in the bedroom. Both were obstructed, however, one by a window fan, and the other by the headboard of her bed. A porch roof ran beneath both windows.

Neighbors, who had been aroused by her screams, tried to enter the home through the back door and the bedroom windows, but were driven back by heat and flames.

The parents told Sides and Fire Inspector David Sting that the dryer had appeared defective on previous occasions, and at times was started by vibration.

They said that "clicking noises" were heard in the kitchen the previous night, but a check failed to show anything wrong. Sides said they may have been caused by a defect in the dryer.

The Maleys purchased the double home in 1949. The other half, 1814 S. Sixth-st, occupied by John Campbell, was not damaged. Slight heat damage resulted at the home of Edward Yuska, 1810 S. Sixth-st, firemen said.

Besides her parents, she also is survived by two brothers, William, with the Marines at Jacksonville, Fla., and James, with the Army in LaCharell, France.

Pvt. Cothern Ends Army Stint At Fort Knox
Pvt. Randal B. Cothern, 24, son of Mr. and Mrs. Guy Cothern, 432 Hosack-rd, recently was graduated from the automotive maintenance helpers course at the Army's Armor Training Center, Fort Knox, Ky. The eight-week course included classes in engine electricity, transmissions, brakes, steering and suspension systems, and recovery of disabled vehicles.

Cothern completed basic training at Fort Leonard Wood, Mo.

Hiking Club To Start At Mohawk Reservoir
The Central Ohio Hiking Club of the YMCA starts its fall schedule with a hike along the Walhonding River and the Mohawk Reservoir in Coshocton County on Sept. 23. Officials announced that all adults are welcome. Hikers will meet at the YMCA at 1:30 p.m. and will travel by bus to the reservoir. This trip is under the leadership of Hilltopper Bob Ward and Jack Joffe.

Letters from readers are invited on all subjects of public interest. Make them as short as possible and always sign your name.

(Continued from page 1)
So, Tom Sharp, won't you please bring me one of them gadgets worth $1,400 — but, on second thought, Tom, just bring me the $1,400. Hoermle knows what to do with the "gadget" you mentioned; I would know what to do with the $1,400.

We're Advanced Over This

In 1816 a request was made to a church in a community not far from Columbus for a debate upon a "burning issue." The issue: "Whether the new-fangled thing called a railroad and steam trains would be good or bad for the community and country." The debate never took place. The church board ruled that it would profane the church and God to allow a discussion of a "thing hurtling through the air at an unheard of speed of 15 miles an hour." It was said that "if the Lord wanted us to 'fly' at such 'terrific speed' he would have given us wings." But it's just as well that we shall not feel too self-righteous; we still have some bugs to iron out of our thinking.

* * *

How To Be Dull

We are at our dullest when we conclude that we are so smart no one else can equal us in our thinking. He who thinks he is smart above others is already falling into a hole in front of him. He holds an exaggerated opinion of himself who has refused to take time to find out how little justification he has.

Errors Supreme!

Errors! How and why are they? Are the gods angry and in their anger tear away human effort? That's the first reaction after seeing an error in a Fourth Estate story on the front page last week. The wrong line of a head was accidentally taken out when a correction was being made, leaving both lines of the head identical except for a typographical error: Circulation Department. The two identical (except for an omitted i) lines which finally appeared have caused much good-natured ribbing of his nibs the editor. We can take it.

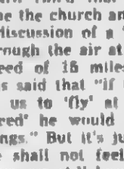
In Sorrow!



All the prayers and good wishes for the Alvin Maley family, whose daughter lost her life in flames in her room last week. Many have expressed sorrow for the stricken family. And we all join in this.

"Can you spare a poor man a bite to eat?" he asked the landlady.

South Wins Its Opener

South won over host Upper Arlington Friday night 7-0. The Bulldogs' only score came early in the third period after an Arlington center sailed high over the head of Dave Loci as he was about to punt. Loci got the kick away, but it went straight up in the air. South 'end Jerry Hill caught the high punt and raced for a ten-yard return. A few plays later quarterback Ron Allen threw a perfect pass into the outstretched hands of end Jim Hilty for the touchdown. Hilty also kicked the extra point.

Both teams moved the ball very well until they got within the opponents' 20-yard line and then they were stopped on downs.

As the game ended South was on the Upper Arlington four-yard line. — Tom Woodyard.

Southwood Elementary School PTA Gives Year's Program Outline

Mrs. Paul Mason, publicity chairman of Southwood School PTA, has released an outline of the Parent-Teacher Association activities for the entire school year. "In this fashion we can all familiarize ourselves with details of the various programs and achieve more for ourselves in these meetings," Mrs. Mason told the editor.

Parents and Teachers Study Group

Southwood School PTA study group will hold its first meeting Oct. 4 in the school auditorium at 8 p. m. The theme for the year, "Phases of our Responsibility," will be discussed with the topic "Teachers and Parents Talk It Over." The fathers are especially urged to attend. Peter's Back

Peter Capocciama has returned to his barber shop just down a bit and across the street from the Leader office. A lot of his customers apparently are pleased about the return, both because Peter is a friend to so many and because Peter's handiwork is necessary. He has been away for several months. He said he had a lot of pains while he was away.

About Mrs. Lust

There's a story on the front page about the United Appeal. It should be called about Mrs. Lust. But the two go together, and maybe it's alright. Mrs. Lust is chairman of United Appeal, South Side. And she believes in what she's doing — and wants plenty of publicity for the UA. Well, she's getting it, but let me hasten to say it's not because of her great determination — that girl knows how to put on pressure for something she believes in—as she believes in the values wrapped up in United Appeal. Then, too, she wants the South Side to do well, to make its quota, plus. She wants this because it is necessary that the quota be made, and she wants it because of the dedicated women who are doing the work, so numerous it's not possible to print their names. About this Mrs. Lust is unhappy, but she under-

He lives, with his wife and year-old son, at 2744 Swansea-rd, Upper Arlington. He says optimism is a necessary part of a coach's thinking.

All singing is done without remuneration, the officers told the Leader writer.

Mrs. Lust Urges United Appeal Support Oct. 1

Mrs. Wendell Lust, South Side chairman Women's Division, United Appeal, is shown above with two co-chairmen, in preparation for gathering funds at the opening of U. A.

An intensified campaign for funds for the United Appeal will get underway Monday noon, Oct. 1, when workers throughout the South Side will start a program designed to get as nearly as possible donations for the United Appeal from every woman in the South Side, according to Mrs. Wendell Lust, 622 E. Kossuth-st, chairman of the South Side.

Mrs. Lust told the Leader that the quota for the women's division is $135,000, and the South Side group hopes to make a big dent in this on the first day, Monday.

The South Side has been divided for the Women's Division for the United Appeal, Mrs. Lust said, for the purpose of making it easier for the 200 or more workers to reach everybody on that first day—Monday.

The campaign will continue for 10 days, according to announcements, it was said, but there is great hope on the South Side among the workers that the achievement on Monday will bring a "landslide" of gifts for the helpless throughout the city."

Mrs. Lust emphasized that the great majority of public agencies in Columbus are members of the United Appeal, which is intended to relieve the public of frequent drives in behalf of worthy and indispensable causes.

Teen-Agers Help

In one section of South Side Mrs. Lust said, a group of teenagers have organized and placed themselves under the jurisdiction of South Side United Appeal, to help accomplish the reaching of the total of $3,168,026 for the entire city for the coming year.

Mrs. Lust paid high tribute to the individual women who will start Monday on the gruelling house-to-house program to "secure funds to make sure that the suffering and helpless will be given succor by the people of the South Side," she said

Two Townships And Obetz Village In Spirited Drive To Meet UA Quota

Mrs. Paul Wiess, left, United Appeals chairman of Marion Township, points to the slogan adopted by UA volunteer workers for the drive which will begin Oct. 1. Looking on are Mrs. Lloyd Peck, Obetz Village chairman; Cyrus Donahue, Hamilton Township chairman; and Rev. Ralph E. Day, business chairman of Marion Township. Township and Village quotas announced by this group will help meet the county goal of $3 million established by the UA Citizens Screening Committee.

• • •

The United Appeals chairman of Marion Township, Hamilton Township, and the Village of Obetz, this week announced their township and village quotas, each a proportionate share of the $3 million UA goal set for Franklin County.

Mrs. Paul Wiess, Marion Township chairman, announced her group of volunteer solicitors will aim to raise $1,750, the township quota, which will help support the 60 health and welfare agencies participating in the combined annual drive.

Hamilton Township Chairman Cyrus Donahue will ask his volunteers to "knock on every door" and meet their quota of $465. Quotas have been raised nine per cent over last year to meet the county's growing demands and to support four new agencies this year. County division workers are also pointing out the increased quotas this year are partially a result of failure to achieve established goals in the last four campaigns. Agencies have been forced to cut back needed services, hoping this year to regain their position.

Mrs. Lloyd Peck, Obetz UA chairman, has given her workers a quota of $140 to achieve. Confident of a successful campaign, she points to the valuable services rendered by UA agencies.

These chilly breezes that came so early this September cause me to be a little envious of Mr. and Mrs. Donald Hiell, 476 Southwood-av. This lucky couple is at present touring in Florida, spending two weeks in that pleasant state.

Added candles for the birthday cake are in order for Kenny Yunker, Danny O'Hara, Cheryl Smith, Mabel Trigg, Frank LaRue and Mary DeMatteo.

Though not residing in the South Side, our next item is about a young lady who is well-known to many of us, so we'll include it in our today's column. Marge Minard, whose family has operated a spaghetti house for many years, is in Grant Hospital. We hope her surgery is a thing of the past by now and that she's started on the road to recovery.

Marion-Franklin PTA and Roosevelt Junior High PTA held "get acquainted" meetings earlier in the week. Heyl-av board members will have the room mothers as guests tomorrow at 1:30 p.m. After the room mothers have their duties explained to them, a social hour will follow.

We were quite sorry to hear that Katie Williams had broken her arm! And to get it while doing a good deed is really ironic, to say the least.

The bridal parade will have two couples participating on Sept. 30, so our very best to Arline Boso and Robert Ries, who will exchange vows in South Methodist Church this Sunday, and to Marjorie Ann Strauss and Donald Dover, who will also have a Sept 30 wedding anniversary in the years to come.

Mrs. Theresa Muetzel, 1426 S. Third-st, is currently in Washington, D.C., where she is visiting her son.

The intriguing title of Pic-C describes the event that is to take place at Heyl Avenue School Oct. 5. Translated, it means, Pie, ice cream, coffee and cake. The pies and cakes are home-made, so that makes it that much more inviting. Time for the social is 6:30 to 8:30 p.m., and the place is Heyl Avenue School.

Our ailing list for today includes Dicie Bowyer, 1827 S. Fifth-st, who has been in University Hospital; Jean Hill, in Mt. Carmel Hospital; Homer Thaxton, 139 Jenkins-av, and Mrs. Ralph Burrus, 309 Kossuth-st.

White Cross Guild 22 of Thurman Avenue Methodist meets today at Henderson Hall. Time is 10 a.m.

A family dinner was the means of celebrating two birthdays in the Thomas household at 529 Hanford-st. William and Richard were the two who have late September birthdays, William on the 22nd and Richard today, Sept. 27. The mother of the two Thomas boys is a busy person these days, for yesterday she was the hostess at a brunch for some of the United Appeal workers. And while thinking of the United Appeal, the South Side workers are scheduled for an 8 p.m. meeting and social time this evening. Mrs. Papier, head of the women's division of the UA, will be present at the meeting.

S. Third-st residents Mr. and Mrs. William Pritchard have a new little girl at their house, Victoria Lynn, so congratulations are quite appropriate.

Knowing how warm-hearted our readers are, we'd like to tell you about a young lady who would be helped tremendously by cards or cheerful letters. Carol Sue Cyers is the young lady and she was seriously injured in an auto accident and is now paralyzed. She is in Children's Hospital, Room 127. Carol Sue had a 17th birthday on Sept. 22. Although it's a little late for birthday cards, cheery greetings would be much appreciated, we know, for Carol is from Colegrove, O., and doesn't get to see her family as often as she'd like to. Doctors say the fact that she's still alive is a miracle, but Carol is determined to recover and her spirit is tremendous.

The spaghetti dinner at St. Ladislaus was a grand success, as per usual, and the servings were generous and so good.

The kickoff ball of the Trudeau Guilds will take place tomorrow night at Valley Dale. Chuck Selby's orchestra will furnish the music for dancing.

The YWCA will start its fall classes Oct. 1, and classes are available for women and girls as well as for boys six to eight years. Available are swimming, gym, recreational sports, modern and ballroom dancing, volleyball and crafts. Adult activities are held daytime and evening. Tiny tots' classes, for boys and girls three to five years old, meet on Tuesday and Thursday afternoons (Some of the Gadabout's most enjoyable hours were spent at the YW, with our high-schoolers in their "younger" days, so we heartily recommend a schedule that includes the YWCA as a part of it.)

Nothing else to write about, so we'll end now. Phone remains HI. 4-1051, as per usual, so call us. Till next edition, 'tis—
